**GRAND MASTER'S ADDRESS****John C. Green****July 2016**

To the Officers and Member of the Most Worshipful Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Brethren:

**WELCOME**

Let me welcome you to the 161<sup>st</sup> Annual communication of our Grand Lodge. It is my privilege to inform you of the events and celebrations that have occurred during this past masonic year. I want to take this opportunity to tell you Freemasonry is alive and well in Ontario as I have experienced throughout my travels and correspondence. We have met many brethren and their families who are committed to Masonry in this Grand Jurisdiction. It would be inappropriate if I did not mention the support masons received from their spouses and family members while we, the brethren, promote the philosophies of Freemasonry in our respective lodges and communities. The hospitality that was displayed on our travels will always be remembered and more importantly acquaintances and friendships will be life lasting. To be quite sincere, there are some challenges out there that we must address collectively to ensure the vitality of Freemasonry continues.

We congratulate the brethren who serve Masonry as leaders in a wide variety of situations for their contributions to the craft. Contributions are exemplified not only as Worshipful Masters and Officers, but by participating in whatever life affords them in their daily path of life. Others make significant participation by lending us their skills and experience to assist in ensuring our future direction is proper and purposeful.

As you will note, we have before us many distinguished guests and we are quite honoured that they have taken the time to visit with our Grand Lodge Communication. Barb and I have travelled to a number of them and enjoyed their warm hospitality. Although we can't get to visit all of them, because of distance and the time committed to our own Jurisdiction, we do enjoy their company. We welcome them and I know you will take every opportunity in the next few days to make them feel welcome.

**NECROLOGY**

Brethren, I want to take a moment to remember those masons who have served our fraternity dutifully over the years to enhance our Grand Lodge. We celebrate their contributions and reflect on the memories we have of them. Such Brethren:

**M.W. BRO. RAYMOND S. J. DANIELS:****Grand Master–2009**

Raymond Sydney James Daniels was the 74<sup>th</sup> Grand Master of the Grand Lodge of Canada in the Province of Ontario. He first saw the light of Masonry in his father's lodge, Orillia Lodge No. 192 in 1959. He was the W.M. of Mystic Tie Lodge No. 279 and of New Light Lodge No. 744, when it was founded in 2001. He was elected Grand Junior Warden 2000-2001 and served on the Board of

General Purposes from 2001-2007. He was elected Deputy Grand Master in 2007 and was installed Grand Master on July 15, 2009. M.W. Bro. Daniels played an important role in initiatives such as the formation of Canada Lodge U.D. in Kandahar Afghanistan, the Tim Horton cards to personnel serving in the Afghan front and the formation of the Sankey Lectures in partnership with Brock University. M.W. Bro. Daniels had two passions Music and Masonry. Raymond S.J. Daniels, a man of simple tastes, a man renowned far and wide as a teacher, a friend, a good man and a good mason. As is recorded in Matthew 25:21 - 'well done thou good and faithful servant'. He may be gone from us physically, but his legacy will continue to be felt for many years to come.

**R.W. BRO. ALEX ROBERT WILSON:                   Grand Director of Ceremonies-2015**

Alex Robert Wilson was dedicated member of St. Alban's Lodge No. 200 in Mount Forest in 1992 progressed through the chairs to be Worshipful Master. He was dedicated visitor in Grey District and travelled regularly in several districts as part of V.W. Bro. Cliff Coultes' student's degree team in Grey, Bruce, North Huron, South Huron and Wellington Districts. Alex was a generous and dedicated contributor to his community and cherished his wife Sharon and their family. Alex was excited to be asked to serve as Grand Director of Ceremonies by his friend of 40 years M.W. Bro. John C. Green. Unfortunately He was diagnosed with cancer two months after his appointment and could not continue duties. A kind and gentle man, he lived life assisting his friends and served his community's greatest need in a humble, quiet manner.

**R.W. BRO. JOHN LAWER:                           Past Honorary Member of the Board**

John Vincent Lawer was born in 1929 and was the epitome of a leader in everything he became involved in. He attended public and high school in Toronto. John graduated with an honours degree, a B.A. in Modern History and Modern Languages from Trinity College. In 1955 he graduated from Osgoode Hall and was appointed Queen's Counsel in 1966. He subsequently received an LL.B degree from York and earned the degree Masters of Law [LL.M] from the faculty of Law, University of Toronto. He practiced law for over sixty years. His Masonic activity was Past Master of Zetland Wilson Lodge No. 86. John was appointed Grand Steward and served as an Honourary Member of the Board of General Purposes twice. He was a Life Member of King Solomon's Chapter No. 8 GRC. R.W. Bro. Lawer held significant offices and recognitions in many concordant bodies of Freemasonry, York Rite, Cryptic Rite, Royal and Select Masters, Conclave, and Sovereign Grand Priory. In Scottish Rite he was coroneted an Honorary Inspector General 33 degrees in 1975 and crowned Sovereign Grand Inspector-General. John served as Sovereign Grand Commander of the Supreme Council of Canada. He also received Honorary Memberships of nine other Supreme Councils throughout the world. John Lawer was one of the most recognized masons in Canadian Masonic history.

**R.W. BRO. ALLEN HACKETT:                           Grand Registrar—2006**

Allen Hackett was initiated into Mimosa Lodge No. 576 and later moved to Wellington in Prince Edward District and affiliated with Star of the East Lodge No. 164. He moved through the chairs and served as Worshipful Master twice. Allen was elected Grand Registrar in 2006. He was well known and involved in a

number of concordant bodies: Prince Edward Chapter No. 31, St. Georges Perceptory No. 52, Scottish Rite and Heritage Lodge. Allen was deeply committed to Shrine initiatives in fund raising and was Belleville Shrine club President in 2012. One of his proudest accomplishments was assisting a local young boy facing difficulties in life due to a physical challenge with his legs. After twenty years of successful treatment at a Shrine Hospital that same young man is entering a career in medicine. That young man has often expressed how grateful he is to Allen Hackett for giving him a chance. Allen was a dedicated mason who exhibited the principle of Freemasonry throughout his community and beyond.

**R.W. BRO. KEN SCHWEITZER:** **Grand Director of Ceremonies—1976**  
 Ken Schweitzer was initiated into Electric Lodge No.495 in 1948 in Hamilton C District. He served as Worshipful Master of Hillcrest Lodge No. 594 in Hamilton B district in 1969, 1977 and 1999. Ken was also a member of King Solomon Lodge No. 329 of Brant District where he was Worshipful Master five times between 1986 and 1996. Ken was appointed Grand Director of Ceremonies in 1976 and recognized for his service to our Grand Lodge being appointed Past Grand Senior Warden [Honorary] in 1990. R.W. Bro. Schweitzer was the recipient of the Grand Master's Meritorious Award in 2001. Ken was greatly involved in giving of his time for countless hours at the Grand Lodge Office for many years. He was often that friendly face that greeted visitors who stopped by the office for various reasons. This mason gave voluntarily of his time as well as assisting many of the arrangements of Grand Lodge at the Royal York. To be known as a giving volunteer is one of the treasured compliments that can be attributed to a person. Ken Schweitzer was such an individual who was always willing to help others when assistance was required.

### PAST RANK

Pursuant to Section 73 of the Book of Constitution, I recommend the rank of Past Master be conferred upon the following brother who was unable to serve 12 months as Worshipful Master:

- **W. Bro. Jeff Sirelpuu**, Peel Lodge No. 468, Caledon East

### HONORARY RANK

Pursuant to Section 73, I propose that the rank and title of Past Grand Senior Warden [Honorary] be conferred upon **V.W. Bro. Bill Foster** in recognition the dedication and Leadership he has demonstrated in Wilson North, Wilson South and Brant Districts. He has been most resourceful and helpful to many lodges throughout those districts over the years. His contributions convey proper ritual and willingness to support the efforts of a number of lodges has been a benefit to the masons of those three districts for several years. V.W. Sir we congratulate you for your outstanding dedication to Freemasonry over the years.

### WILLIAM MERCER WILSON MEDAL

The William Mercer Wilson medal is presented only to a brother who will not become a Worshipful master or Past Master, but who has rendered service beyond the call of duty. The brother who has demonstrates outstanding loyalty

and dedication to Freemasonry and his community and has received the endorsement of his fellow brethren. They have given their time and generosity to not only Masonry but to their community and church as well. These brethren have gained the admiration and respect of their brethren and were recommended to the Grand Lodge Awards Committee for consideration.

It has been my great honour to personally present three William Mercer Wilson Awards during the 2015-16 Masonic year.

1. **Brother James Maxwell**, Westmount Lodge No. 671 Hamilton [Hamilton C District] Wednesday, September 22, 2015.
2. **Brother Norman French**, King Hiram Lodge No. 37 Ingersoll [Wilson North District] Monday October 5, 2015.
3. **Brother George Clark**, True Briton Lodge No. 14 Perth, [St. Lawrence District] Monday November 2, 2015.

### **GRAND MASTER'S MERITORIOUS SERVICE AWARD**

In 1987-88 M.W. Bro. William R. Pellow established the Grand Master's Meritorious Service Award. It is intended to recognize the continuous service of those individuals who have made significant contributions to the craft in a selfless and generous manner. After many years of contributing to Freemasonry there are some brethren who deserve our respect. It is with much reverence that we recognize the following Brethren for many years of dedicated contributions to the Grand Lodge of A.F. & A. M. of Canada in the Province of Ontario.

1. **R.W. Bro. David R. Dainard**, Imperial East Gate Lodge No. 543, Toronto East District, District Deputy Grand Master 1998, Toronto District 4.
2. **R.W. Bro. Norman "Bud" Funnell**, Blackwood Lodge No. 311, York District, District Deputy Grand Master 1998, Toronto District 7.
3. **R.W. Bro. Giles O. Loshaw**, Rising Sun Lodge No. 85, St. Lawrence District, District Deputy Grand Master 2003, St. Lawrence District.

### **APPOINTMENTS**

To assist with the ongoing restructure of our Board of General Purposes, R.W. Bro. Al Dvorak, President, Masonic Foundation has retired from the Board. Thanks are extended for his tireless service during his tenure and of his continued dedication to our Craft in general. I pledge the full support of this Grand Lodge as he continues to serve as President of our Masonic Foundation.

In accordance with Section [13] [c] of the book of Constitution I am pleased to re-appoint **R.W. Bros. Ed Standish and James Sutherland** as Honorary members of the Board of General Purposes for a three year term.

### **RECOGNITION OF 100 YEARS OF SERVICE**

In accordance with Section 394 of the Book of Constitution of Grand Lodge, I am pleased to grant permission to the following lodges to wear gold braided regalia, effective the dates indicated:

- Harcourt Lodge No. 581, Toronto on May 2021

## **MASONIC FAMILY EVENTS**

The Grand Lodge Leaders have not met this current year but a meeting is planned in conjunction with the International Plowing Match this September near Harriston, Ontario.

### **International Plowing Match**

The Family of Freemasonry will again have a presence at the International Plowing match this September with four masonic districts participating in sponsoring a display tent as well as a meet and greet for the Grand Master. The meet and Greet will be held at the Palmerston Arena on Thursday September 22.

### **Royal Arch Masons Grand Chapter**

I was pleased to attend Grand Chapter in St. Catharines on April 12-14. There was an impressive attendance and their enthusiasm for their beloved body was evident during the entire event. I want to congratulate M.E. Comp. Brian Van Sickle for the past two years of leadership. The hospitality extended to me was second to none and their friendly atmosphere speaks well for the future. I wish to offer my congratulations to M.E. Comp. Allan Donavan as he takes over the leadership of our Grand Chapter and offer our support.

### **Prince Hall Grand Lodge Communication**

I had the great privilege of attending the Prince Hall annual communication in Mississauga on August 8, 2015. The fellowship and warm welcome was constantly demonstrated and afforded to myself, M.W. Bro. Garry Dowling and R.W. Bro. Errol Stewart. My heartfelt thanks to Grand Master, John Huggins for the manner in which he conducted the affairs of this august body of Masonry. I wish them all the best in the future and be assured we look forward to celebrating the 10<sup>th</sup> anniversary of coming together as two distinct masonic bodies within Ontario.

### **Supreme Council**

I had the opportunity to attend Supreme Council in Windsor on September 16-19. It was a very exciting experience to see and meet many brethren from all across Canada. This was quite a special celebration for a number of reasons. First

in my mind, was being coroneted Honourary Inspector General. The second was the success of raising \$1.6 million dollars as part of their foundation anniversary celebrations. The third great moment was when R.W. Brother Terry McLean from Ontario was installed as Sovereign Grand Commander. I also congratulate Ill. Bro. Richard Brown from Saskatchewan who served diligently as Sovereign Grand Commander for the last three years.

### **Imperial Shrine Sessions**

July 3-7, Barb and I attended Imperial shrine sessions in Tampa Florida. This was a great experience to be in attendance along with many masons who are involved in Shrine activities. There was much celebration about shrine activities which now includes some expansion beyond North America. An aside from this, I had also attended the Grand Opening of our new Shrine Hospital in Montreal on August 19-22, 2015. This was a most memorable experience that all Freemasonry can be very proud of; this wonderful institution will benefit many afflicted youth many years in the future. Shriners should be proud of this state of the art new Canadian hospital. I thank Illustrious Bros. Bob Marshall and Brian Dayman for their support of arrangements to attend the Montreal Hospital opening and the Imperial Sessions in Tampa.

## **CONFERENCES**

### **World Conference**

During this past year I have had the opportunity to attend some very significant masonic conferences, the first being the world conference of Grand Lodges in San Francisco. Masons attended from all corners of the globe. We had a strong representation from our Grand Lodge, including the Grand Secretary, M.W. Bro. Garry Dowling, who was a member of the planning committee, R.W. Bro. David Cameron, who presented a paper at the conference, as well as myself. It is quite interesting to hear the many differences that exist from country to country but when everything is considered we are not much different.

### **North American Conference of Grand Masters**

In the month of February the Grand Secretary, the Deputy Grand Master and I attended the conference in Madison Wisconsin. There were 60 of 64 Grand Lodges in attendance to share solutions and anecdotes that might improve Freemasonry in North America. It is important to note the challenges we have are not very different from those of other Jurisdictions. The conference was well organized and the hospitality displayed to the visitors made everyone comfortable and at home, although it took about 23 hours to return home because of weather in Chicago.

### **All Canada Conference**

This conference is held annually in Winnipeg because of it's geographic location. This year the format was a number of reports by all those in attendance. Each Grand Master and Deputy Grand Master was granted 15 minutes to address a predetermined subject to share with the others and then a number of breakout sessions. This conference is a small group of about 40 in attendance so the discussions are quite intimate and everyone speaks their opinion very comfortably. The brethren from other jurisdictions are always interested in what we are doing in Ontario as we are significantly the largest Grand Lodge in

Canada but I can assure you all, that the brethren attending have a vast resource of information and experience they willingly share with the others.

### **COMMUNICATIONS OF OTHER GRAND LODGES**

We can only visit a certain number of Grand Lodge Communications because we have a large number of functions here in Ontario. There are always opportunities to meet and share solutions and challenges with those attending the other Jurisdictions. This year I have been afforded the time to attend the following:

- Grand Lodge of Pennsylvania, Pittsburgh
- Grand Lodge of Connecticut, Hartford
- Grand Lodge of New York, New York
- Grand Lodge of Michigan, Traverse City
- Grand Lodge of Nova Scotia, Truro

Deputy Grand Master Paul Todd attended Ohio and Quebec. The Grand Secretary attended Washington, D.C. and Indiana.

### **GRAND MASTER'S BANQUET**

As many of you are aware the Grand Master's Banquet at our Grand Lodge Communication is considered a highlight for those who attend. During a couple conferences I became friends with a mason from the Grand Lodge F. and A.M. of California, R.W. Bro. Stuart Wright, who is now Senior Grand Warden of that Jurisdiction. As we talked, I found out that he was born and raised in Ontario and spent his early working life in Alberta and British Columbia before relocating to California. He has agreed to visit us at our Grand Lodge and be the key note speaker at our banquet. He will share with us some of the initiatives that the Grand Lodge of California is pursuing in their future plans. I look forward to introducing R.W. Bro. Wright to you and to hear what another Grand Lodge about the same size as ours is considering in looking to their future endeavours.

### **DISCIPLINE**

During the months of April and May 2016 Grand Lodge investigated the alleged absence of lodge correspondence, minute books and records spanning a ten year period, together with, the unconstitutional management of its financial affairs. Subsequently, pursuant to Sections 84 and 85, Constitution of Grand Lodge, I suspended Brother 'A', effective June 6, 2016, pending an investigation, report and recommendations of a reviewing committee.

On June 7, 2016, pursuant to section 410.1, Brother 'A' requested a certificate of severance, which has been forwarded by our Grand Secretary to the Discipline committee for due process.

### **CONDITION OF MASONRY**

As many of you may aware we are embarking on the third year of gathering information about our respective lodges so we will hopefully have some analysis of the state of our Grand Jurisdiction as well as the lodges. I know that many people ask about why we are gathering all this information and why the effort of the L4 forms. Well, in fact, this information is not only for the interest of Grand Lodge but also for knowledge valuable to the respective lodges. I think many will

find this information to be a reality check to inform our lodges of areas where a lodge might improve to sustainability. Many will be interested where Freemasonry in Ontario stands and the manner our lodges compare to one another.

## COMMUNICATIONS

Brethren through recent times we have had many questions concerning the accessibility and mechanics of our website. We are in a transition of a learning curve, which is sometimes because of age or workplace exposure and we have different levels of skill on technical knowledge. In an effort to assist the brethren we have charged our Communications team to visit all aspects of the website and to investigate ways to access the site easier. R.W. Bros. Iain Wates, Mike Locke, and our Grand Senior Warden Robert Ledingham have spent countless hours in an effort to make improvements. We are currently testing some revisions we believe will ease frustrations many have experienced when attempting to use the website. We want the site to be usable for as many as possible so we can move forward together for more readily available information that will better serve our lodges, districts, and overall Masonic knowledge. We look forward with anticipation to easier access by our brethren. It is difficult to find accessibility suitable for the variety of skills we possess but if we widen our audience it will be worth the improvements.

## MASONICHIP

As most of you are aware MasoniChIP became a separate entity a few years back. Although the program continues to be a valuable service and outreach project, the time has arrived when there is need for new equipment and newer technology. It has challenged the brethren who have dedicated so much time and effort as the required funds are not available. I recommend further discussions between MasoniChIP and Grand Lodge to see if there is any manner in which we can move forward together to ensure the continuance of a program that enjoyed great success and provided a worthwhile service in our respective communities.

## INTERNATIONAL INFLUENCE

During this past year there has been a lot of discussion about the actions of the Grand Lodges of Georgia and Tennessee concerning their declarations of discriminating against men based on sexual orientation. There has been a wide variety of opinions offered by many Grand Jurisdictions opposing these declarations. I had the opportunity to speak with two members from those areas, one who said he supported the actions and another who spoke of his total opposition. I am convinced that future actions will possibly reverse this recent activity. Let me be very clear that I, as Grand Master of the Grand Lodge of Canada in the Province of Ontario, will not tolerate any discrimination against a brother or applicant because of sexual orientation. Brethren, we as men and as masons should not judge the lifestyle of others. Nor should we discriminate against race, colour, creed and religion, as is indicated in many of our masonic teachings. Brethren, we should be judging our own character before judging others.

## PROSTATE HOPE

There is a growing interest in supporting our Grand Lodge Charity to raise one million dollars for Prostate Cancer Research. This project was strongly supported by our Past Grand Master Donald Campbell and myself as the current Grand Master. Brethren, we need to be as diligent as possible to make the important funding for these researchers to proceed with the valued work in which they are engaged. As many of you have heard me express that such challenges tax the entire family; therefore, anything we can do to comfort the lives of those families will be a valued contribution not only to masons but to the world at large. Again as you heard me say, if we contribute the equivalent of \$25 per member in Ontario our goal would be complete. In mid-May, we had an outstanding week when we received more than \$35,000 from 4 projects. Now that's a good week. Some of the creative projects in districts have been very interesting to watch evolve through the enthusiasm of their respective memberships. Projects like selling hand crafted wood products at Trafalgar Lodge, a variety show in Peterborough District and selling coffee mugs in Grey District, just to name just a few. Promoting a better life to those less fortunate than ourselves is one of best ways to demonstrate our Masonic philosophies.

## STRATEGIC PLAN

As most of us are aware our previous Strategic Plan reached its conclusion in 2016. I appointed a committee to review the status of the former plan and create a new ongoing living Strategic direction. I am happy to report that this report has been presented to me and I have endorsed its contents. I am quite excited about the new Strategic Plan which we intend to have on the website in the very near future. I must inform all masons of the efficient manner that this committee worked together to formulate the new Strategic Plan. Many thanks to R.W. Bro. Tom Hogeboom and the committee for their efforts of pulling all this information together too present a view of our future. This will be a live document that will be updated each year so we will always be looking five years forward.

## OFFICE ADMINISTRATOR

As you are aware, it was recommended by the Audit and Finance Committee and was contained the Grand Master's Address last year that we should proceed with employing an Office Administrator. At the outset, I again struck an ad-hoc committee to investigate and recommend criteria for this position. I am pleased to report the committee responded with information that will allow us to proceed with the hiring of such an individual. We have agreed upon some of the duties this person would be expected to fulfill. Prior to proceeding, we will be considering all the qualifications necessary that the individual should hold, such as educational standards, technical skills, necessity of being a mason and do we proceed with hiring ourselves or do we ask for outside assistance. Perhaps we have someone within the craft with that type of expertise. I also wish to thank M.W. Bro. Donald H. Mumby for leading this group so Grand Lodge can progress with the next steps to make this staff adjustment.

## GRAND LODGE RESTRUCTURING

Brethren we have discussed for many years the size and magnitude of Grand Lodge Offices, Committees and how effective Grand Lodge is at the top end. How many committees we have, are they effective? You will recall that at Grand Lodge last year there was a decision to reduce the number of board members from thirty-five to twenty-five by the Grand Lodge Communication 2017. Thus starting this year we will vote for five board members rather than the tradition seven as in past years. With that in mind we employed another ad-hoc committee to commence with recommendations to restructure the board and related committees. The Deputy and I, as well as ad-hoc members have agreed upon where we are going beginning this coming masonic year. It involves chairmen reporting to different stations, committee membership being reduced and setting the stage for the possibility of studying the number of committees we really require when we recognize duplication of effort. There is of course the requirement of standing committees that will be maintained for now. One of the changes that this address will stipulate is whether it a necessity of the Masonic Holdings Committee corporation to continue in its present form. When we successfully employ the proposed Office Administrator, I believe that individual can report through the new committee system commencing in July 2017. In my mind it is easy for someone who works in the building daily to maintain the standards we require to maintain that property. I will be announcing at Grand Lodge how the new structure will be formed. We have had dialogue over many years about possible changes, so now we are going to proceed carefully. I am convinced that the recommendations I will present are workable. This is big step and I ask for everyone's co-operation as we progress. I thank R.W. Bro. John Hay and his Committee for their effort.

## 300<sup>TH</sup> ANNIVERSARY

As we all know 2017 is the 300<sup>th</sup> birthday of Freemasonry as we know it today. With that in mind, R.W. Bro. Ron Findlater has chaired a committee to research possibilities of how the Grand lodge of Canada in the Province of Ontario can recognize this milestone celebration. Firstly, we will be visible in the Northwest of our jurisdiction in both the Western and Algoma Districts by having receptions in both, one in late 2016 and one in late spring of 2017. My proposal is to stipulate a weekend in the spring of 2017 to hold an open house in every lodge building in Ontario on the same day. This would involve all craft lodges as well as the concordant bodies that are active in the respective Lodge buildings. This is a tall order perhaps, but I think it would be of value to have an Ontario Masonic Day to celebrate in every lodge building. We suggest lodges find a member who knows both local and general Masonic history of masonry. We could provide some standardized information to insure consistency. Our Grand Historian, Michael Jenkyns, has a series of articles that are suitable not only to masons but can be used for newspapers in the first six months of 2017. I also want get some brethren involved to investigate the production of a two page newspaper insert to distribute to every weekly and regional tabloid in Ontario. They will be more favourable to use information of public interest rather than the large daily newspapers. Such can be applicable to social media as well. My other thought would be to have a banquet to celebrate the 300<sup>th</sup> on the Monday evening

of Grand Lodge Communication in 2017; similar to the fiftieth anniversary of the Masonic Foundation a few years back. The key will be to have high profile special guest as a highlight of that event.

## INTERESTING NEWS

I am pleased to tell you that there some exciting situations that have come to light in the recent past. First, we have a lodge whose members have enthusiastically endorsed their desire to sponsor a new lodge in Parry Sound. We at Grand Lodge look forward to this initiative and wish them success. We are presently reviewing an application to form an Observance lodge in Stratford. There will be further announcements about these two possibilities very soon.

## APPRECIATIONS

### Past Grand Masters

When one becomes Grand Master there are always situations that arise you have not experienced in the others aspects of your Masonry journey and there is a need to ask someone with knowledge and wisdom to advise you of their experience in previous times. I can tell you the resources available from the Past Grand Masters are valued not only to the Grand Master but also to our Grand Lodge. I have called two meetings with the Most Worshipful Brethren and consulted with them on a few issues. Their cooperation and willingness to assist is most appreciated. There is a familiar statement that there is no replacement for experience and I now know that to be very true. The friendship and advice offered by these brethren demonstrates the dedication these brethren still behold in their capacity as Past Grand Masters is valuable and helpful as we go forward as a Grand Lodge.

Most of these distinguished brethren are regularly visible throughout lodges in their respective areas of the Grand Jurisdiction offering wise counsel when asked. Their presence at various lodge functions exemplifies their love and dedication to our great fraternity and we own them our utmost respect.

### Custodian of Work

Brethren I offer my sincere thanks to M.W. Bro. Garry Dowling for the untiring effort he puts forth to ensure the accuracy of our Ritual and the Mechanics of the Work. The custodian takes time to review a wide variety of questions and concerns of the brethren throughout Ontario. I might also add that he is very prompt to reply with his comments. We have many situations in this Grand Lodge referred to as LOCAL TRADITIONS that are contrary to the Book of Constitution. These items take a lot of time and effort to resolve and often are not well received.

I must also thank the Custodian and the Lodge of Instruction team who continually spend considerable time on the road in October or November each year. These brethren serve diligently to preserve the standard practices of our Grand Lodge. We all owe M.W. Bro. Dowling a vote of thanks for his diligence in preserving those fundamental practices and principles of our fraternity.

### Deputy Grand Master

One of the unknowns when you become Grand Master is you don't know who will be Deputy Grand Master. R.W. Bro. Paul Todd and I have been friends for years and we have been able to blend our thoughts to serve Grand Lodge in

the best possible manner. He has gained vast experience in many areas of Freemasonry from his time on the Board of General Purposes that has been valuable to our progress as a Grand Lodge.

R.W. Bro. Todd has chaired the Board and the Management Meetings with skill and efficiency and displayed the dogged determination necessary to keep the various issues in front of Grand Lodge. We owe him a huge vote of thanks for his advice and wise counsel as we move forward. He has travelled extensively throughout our Grand Jurisdiction and is quite familiar with the challenges that lodges are charged with from time to time.

I am looking forward to the further contributions he will provide in the future as we work our way through the various Constitutional changes that occurred at the 2015 Grand Communication. I also very much value the friendship that continues between us as we proceed into another Masonic term.

### **Members of the Board**

The Board is a key element to the delivery of services that are valuable to lodges and members. Their contributions are appreciated and I am proud of the time and effort these brethren dedicate to the betterment of Freemasonry.

As in any organization, members retire to pursue other venues of life and this year we have two such individuals who have served dutifully in recent years.

R.W. Bro. Bill Bowick has served on the board as Chairman of Leadership Development and continued to provide valued information to lodges by making them aware of the important elements of Leadership. We wish Bill well in his future pursuits of his life.

R.W. Bro. David Sheen one of the longest serving members of the Board is retiring this July after 13 years on the board. His contributions as a board member as well the Management Committee will be remembered for a long time. David has taken a position as Fire Chief in Ajax that will demand considerable time and effort. We wish him well in his exciting new venture.

On behalf of The Grand Lodge of Canada in The Province of Ontario we thank these two distinguished masons for the outstanding effort and contributions they have made to Freemasonry.

### **District Deputy Grand Masters**

Each and every year, for the most part, each district elects a qualified mason to represent them as DDGM for the coming year. This is a very unique situation as he is elected by the masons of the district but he is the Grand Master's Representative in that district. The one who the Grand Master utilizes as the information liaison between Grand Lodge and the lodges and members of their respective district. These brethren walk a very thin line as they represent the Grand Master but also report to the lodges the wishes and edicts of Grand Lodge. There has been some controversy over the years about having completed the Past Masters course to qualify for this position. I must say that this process has, for the most part, been received without many problems. I realize change is not easy and sometimes there is a push back, but we are now in the third year and most situations are in effect. Change is difficult to accept at times, but it will not go away so let's move forward together for the good of Masonry.

My heartfelt thanks is attributed to those brethren who have served this important office during this past year. Be proud of your accomplishments and I thank you for your effort. Your friendship will always be valued and remembered.

## Elected Grand Lodge Officers

The elected Grand Lodge Officers are to be thanked sincerely for the role they played during this year. R.W. Bros. Robert Ledingham, Grand Senior Warden, Sikko Wiersma, Grand Junior Warden, and Keith Stiles, Grand Registrar have served with distinction at a variety of Masonic functions. They have travelled extensively and have been quite visible throughout our Grand Lodge. I personally thank them for their contributions and wish them all the best in the future.

## Grand Chaplain

R.W. Bro. James Schell you have been diligent in your duties and we thank you for serving as our Grand Chaplain. I have known you for several years and throughout the many careers you have ventured in life, not only your working life but your service club endeavours, your political life, and now as a Reverend. I thank you for your friendship and contribution.

## Grand Director of Ceremonies

As most of you know, R.W. Bro. Alex Wilson was diagnosed with cancer less than two months after he was appointed Grand Director of Ceremonies. This took him off the road immediately. We stayed in touch regularly as he very much had hoped that he would return to serve after recovery. That, of course, did not happen and we lost him in February. A very sad time for those who knew him. He did get to install his son-in-law in the Chair of King Solomon in St. Alban's Lodge No. 200 in June. Alex and I had been friends for over thirty years and the thought of giving part of his eulogy was never in my mind. God bless this kind and gentle man in his eternal journey.

V.W. Bro. Robert Wilson Assistant Grand Director of Ceremonies spoke to me and said I think I can handle this situation for you. He stepped up and travelled with me everywhere I was invited and was diligent in his duties. Although he valued the great experience, we all recognize that this brother went well beyond the call of duty. His contribution in acting the Grand Director will be remembered and appreciated for many years to come. As our families have been friends for nearly thirty years, our bond has grown stronger than it was before. Bro. Wilson will continue to serve us with distinction.

## Grand Secretary

What does one say about a mason who takes the responsibility of acting in a capacity that seldom receives accolades for the service provided as Grand Secretary. With his experience and expertise, M.W. Bro. Terry Shand steers Freemasonry in Ontario on a daily basis. His knowledge of almost every conceivable situation can never be measured in value. Constitutional questions are answered effectively to the satisfaction of this Grand Master, recognizing of course the proper response is not always what the lodge or member might want to hear. The knowledge gained by his experience is a valued commodity that the Grand Master can rely on. I value his wisdom and counsel in dealing with a variety of situations. Although we sometimes have different opinions, resolution is always cordial and amicable. Thank you for all you do for our Grand Lodge.

I would be remiss if I didn't relate the support of the Grand Lodge Office staff who answer the call every time I make a request. The friendly manner in which they go about their duties and their very kind and gentle attitude is displayed to our members at the front counter. They fill the needs of our visitors

for books, materials and often advice about various aspects of Masonry. Ladies you are our first line of exposure when masons arrive at the front door. The impression on brethren leaves a positive thought in the mind of those visitors.

### My Family

Although my family has long left the nest, they offer constant support and love in my ventures. With daughters Robyn (in Ottawa) and Barb (in Australia), their support is always present and three granddaughters, with their accent, remind their POPPA continually of their love. The strength and support of one's spouse can only be described by the manner in which she quietly goes about efforts to support the things I am involved with. In my situation this is a continuation of many years of service work, political involvement, hospital board and now Freemasonry. This lady who just keeps on giving deserves the respect and admiration of all of us. Barb thank you again for those many years of support and understanding.

### CONCLUSION

My final thoughts in this address are that we, as a Grand Lodge, continue to enthusiastically wave the flag of Freemasonry, that we consider membership in this great fraternity a privilege and an honour. Let us also remind ourselves that we have a duty. There are many challenges in life and one of ours is to maintain the dignity and respect of Freemasonry that ensure the continuance of our fraternity as we know it.

### **Independent Auditor's Report**

To the Most Worshipful Grand Master, Officers and Members of  
Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario  
Inc.

Most Worshipful Sir and Brethren:

We have audited the accompanying financial statements of Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc., which comprise the statement of financial position as at April 30, 2016, and statement of operations and change in fund balance, statement of operations and changes in fund balances for the General and Segregated Funds, statement of expenses – General Fund, and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. as at April 30, 2016 and the results of its operations, changes in fund balances and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

## 1. Description of the Organization

The Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. (the "Organization") is a not-for-profit organization which serves as the central administrative body for Masonic Lodges in the Province of Ontario.

The Organization is exempt from income tax under section 149 of the Income Tax Act.

## 2. Significant accounting policies

### *Fund accounting*

The Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. follows the restricted fund method of accounting for contributions.

The General Fund reports the Organization's administrative activities.

Revenues and expenses related to the 175th Anniversary Fund, Special Retirement Fund, Commutation Fund and Memorial Fund are combined and reported in the Segregated Fund.

### *Cash and cash equivalents*

Cash and cash equivalents include cash on hand, balances held with banks, and highly liquid temporary money market investments with original maturities of three months or less from the date of the acquisition.

### *Capital assets*

Capital assets are recorded at cost less accumulated amortization. Only expenditures in excess of \$5,000 are capitalized. Amortization is provided using the straight-line method over the useful life of the assets as follows:

|                                     |         |
|-------------------------------------|---------|
| Computer equipment and workstations | 3 years |
|-------------------------------------|---------|

### *Revenue recognition*

Restricted contributions related to general operations are deferred or recognized as revenue of the General fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund.

Unrestricted contributions are recognized as revenue of the General Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

### *Financial instruments*

The Organization's financial instruments are comprised of cash and cash equivalents, funds held for committees, accrued dues, receivables, investments, notes receivable and accounts payable and accruals.

Cash and cash equivalents, funds held for committees and investments are initially recognized at fair value when the Organization becomes a party to the contractual provisions of the financial instrument. Subsequently, they are carried at fair value with changes in fair value recorded in the statement of operations. All other financial instruments are measured at amortized cost.

## 2. Significant accounting policies (continued)

### *Financial instruments (continued)*

Transaction costs related to financial instruments measured subsequent to initial recognition at fair value are expensed as incurred. Transaction costs related to other financial instruments are added to the carrying value of the asset or netted against the carrying of the liability and are then recognized over the expected life of the instrument using the effective interest method. Any premium or discount related to an instrument measured at amortized cost is amortized over the expected life of the item using the straight-line method and recognized in operations as interest income or expense.

With respect to financial assets measured at cost or amortized cost, the Organization recognizes in operations an impairment loss, if any, when there are indicators of impairment and it determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows. When the extent of impairment of a previously written-down asset decreases and the decrease can be related to an event occurring after the impairment was recognized, the previously recognized impairment loss is reversed to operations in the period the reversal occurs.

### *Use of estimates*

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates. Significant areas requiring management estimates include amortization of capital assets, determination of useful lives of assets and calculation of accrued liabilities.

## 7. Defined contribution pension plan

The Organization participates in a defined contribution pension plan with eligible employees. The Organization matches contributions up to a maximum of 5% of individual employee gross earnings. The assets of the plan are held separately from those of the Organization in independently administered funds. During the year, the Organization incurred pension expenses totaling \$10,270 (2015 - \$9,695).

### *Post-retirement benefits*

The Organization offers post-retirement benefits to retired former employees which consist of health insurance benefits. Amounts have been appropriately expensed in the current year through administration expenses in the General fund. The post-retirement benefits are offered until the date of death of these former employees; therefore an obligation has not been disclosed as the amount is not measurable.

## 8. Related party transactions

During the year, Grand Lodge paid rent to Masonic Holdings in the amount of \$94,003 (2015 - \$94,003) and received management fees in the amount of \$8,000 (2015 - \$8,000). These transactions are in the normal course of operations and are measured at the exchange amount which is the amount of consideration established and agreed to by the related parties. Masonic Holdings is a not-for-profit organization whose board of directors are members of the Board of General Purposes of Grand Lodge.

Rent paid to Masonic Holdings consists of the following:

|                                                                   | 2016          | 2015          |

## 11. Financial instruments

### *Financial risk*

The value of a financial instrument can be affected by changes in interest rates, foreign exchange rates, equity and commodity prices and credit spreads.

### *Market risk*

Market risk is the potential for loss from changes in the value of financial instruments.

The Organization is exposed to market risk in the investment portfolio as well as through non-trading activities. Market risk in investment activities is managed by the senior management of the Organization and every investment transaction is guided by policy and regulatory limitations.

### *Interest rate risk*

The interest rate risk is the risk that arises from fluctuations in interest rates and the degree of volatility of these rates. The Organization does not use derivative instruments to reduce its exposure to interest rate risk.

## 11. Financial instruments (continued)

### *Liquidity risk*

Liquidity risk is the risk that the Organization cannot meet a demand for cash or fund obligations as they come due. Liquidity risk also includes the risk of not being able to liquidate assets in a timely manner at a reasonable price. Management manages liquidity risk and monitors the cash and funding needs on a daily basis.

### *Fair value*

The fair value of cash and cash equivalents, accrued dues, receivables, notes receivable and accounts payable and accrued liabilities approximate their carrying values due to their short-term maturity.

The fair value of investments are marked to their market value.

## 12. Funds held for committees

At April 30, 2016, the Organization held funds totaling \$11,980 (2015 - \$13,004) for the Reflections Newsletter Committee. On behalf of the College of Freemasonry, the Organization held funds of \$43,471 (2015 - \$40,131).

## REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

*This Report was presented by R.W. Bro. J. C. Sutherland, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. J. C. Sutherland, it was adopted.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again it is my pleasure to report on the finances of your Grand Lodge. The past Masonic year 2015-2016 has had its ups & downs financially with the volatility in the stock market. Despite the turmoil in the stock market the finances of your Grand Lodge are in good shape. Once again the Grand Lodge office has kept a close eye on expenditures, and your committees only spent 34% of the funds allocated to them. Also once again, unfortunately, the funds allocated for an office administrator have not been spent. All this and with a larger than expected capital gain on the sale of securities contributed to your Grand Lodge ending the year with a surplus instead of the expected small deficit.

The Audit & Finance Committee along with the Grand Treasurer recommend postponing the increase in the Grand Lodge Assessment that was scheduled for the 2016-2017 Masonic year. A formal review of the assessment is contemplated during the 2016-2017 Masonic Year.

The following tasks were completed by your Audit & Finance Committee during the past Masonic Year.

- 1) Financial Statements of all Grand Lodge Funds were reviewed on a monthly basis.
- 2) The annual reports of the Grand Secretary and the Grand Treasurer were reviewed and the committee recommends the adoption of these reports.
- 3) The Investment Policy Statement was reviewed and updated.
- 4) Financial Statements for the College of Freemasonry and the Newsletter Reflections were monitored quarterly. As of March 10, 2016, the bank account for Reflections was closed and the money disbursed. As of April 30, 2016, Grand Lodge held in trust for the College of Freemasonry \$43,471 and for the Newsletter Reflections \$11,980.
- 5) Grand Lodge insurance policies, the Grand Lodge Insurance Program and the Grand Lodge Pension Plan were reviewed. It is noted that under the Grand Lodge Insurance Plan the cost for \$2,000,000 Liability coverage for a District has been reduced from \$500 to \$325 annually.
- 6) Grand Lodge staff salaries were reviewed and adjusted as needed.
- 7) The rolling 5 year budget for Grand Lodge was updated.
- 8) A budget was established for Grand Lodge for the 2016-2017 Masonic Year.
- 9) Grand Lodge expenditures were reviewed and found to be in order.
- 10) As part of the Grand Lodge Tactical Plan for 2015-2016 the Audit & Finance Committee was tasked with determining the feasibility of starting a Grand Lodge Fund for Lodges to invest in so that they could take advantage of the professional financial expertise that Grand Lodge receives from their advisors.

### Committee Recommendations:

- 1) That Grand Lodge establish an Investment Fund for Lodges, which will be for Lodges on the Register of the Grand Lodge of Canada in the Province of Ontario and their related Not for Profit/tax exempt Hall or Temple Management Boards or Corporations. Your committee feels that this would be of great benefit to the Masons in our Grand Jurisdiction.

- 2) That allowances for the Annual Communication of \$50 per night be increased to \$75 per night and the overnight committee expenses be changed from \$50 per night to \$75 per night on distances over 250 km.
- 3) That Grand Lodge look into how budgeting for our committees is arrived at in order to ensure that their budgets more closely approximate their actual expenditures.
- 4) The long standing committee recommendation to restructure the Grand Lodge Office finally appears to be moving forward. A thank you to Immediate Past Grand Master M.W. Bro. Donald Campbell for stressing in his address the need for change at the Grand Lodge Office and the Past Grand Masters in the review of the address supporting the need to finally act on the recommendation of this committee. I wish to thank our Grand Master M.W. Bro. John C. Green for appointing an Ad Hoc Committee to look into this matter. A special thanks to M.W. Bro. Donald Mumby for chairing the Ad Hoc Committee on an Office Administrator and M.W. Bro. Terence Shand, Grand Secretary in working with the Ad Hoc Committee on how we should proceed. We have finally moved forward on this long standing Audit & Finance recommendation. I feel confident that during the coming Masonic Year we will see solid progress in implementing the recommendation so that our Grand Lodge Office is ready for the future.

#### **Investment Portfolio:**

A review of our investments and the income generated was conducted 3 times during the past Masonic Year with 1832 Asset Management L.P. and your committee. As of April 30, 2016 the General Fund of Grand Lodge stood at \$3,030,972 as compared to \$2,836,369 on April 30, 2015. The other Funds under the purview of this committee totaled an additional \$3,117,578 which is detailed in the notes of the audited financial statements. The overall Investment Portfolio of Grand Lodge as of April 30, 2016 stood at \$6,148,550 compared to \$6,061,064 on April 30, 2015. All investments have been expressed at market value. We recommend along with the Grand Treasurer that 1832 Asset Management L.P. continue to be engaged as the Grand Lodge portfolio manager.

#### **Financial Statements:**

The audited financial statements of Grand Lodge for the year ended April 30, 2016 were reviewed and discussed in detail with our auditors, Deloitte L.L.P. at a June 1, 2016 meeting of the Audit & Finance Committee. The audited financial statements can be found elsewhere in the Annual Proceedings. For the year ended April 20, 2016, the General Fund of Grand Lodge experienced before the application of unrealized capital gains or losses on investments an excess of revenue over expenses of \$202,326 for the fiscal 2015-2016 year. This compares with an excess of revenue over expenses of \$98,422 for the fiscal 2014-2015 year. The consolidated financial statement for all funds shows an excess of revenue over expenses of \$325,124 before the application of unrealized capital gains or losses on investments.

The committee recommends that the audited financial statements for the year ended April 30, 2016 be adopted as submitted. We also recommend the continued engagement of Deloitte L.L.P. as our auditors. We thank our auditor David Tonin CA and his team for conducting the audit to meet the tight time lines required by Grand Lodge.

#### **Budget:**

The requirements of all Grand Lodge Committees were used in preparation of the annual budget for Grand Lodge for the year ending April 30, 2017. The requirements of the Grand Lodge Committees for the coming Masonic Year total \$88,490.

The budget for the General Fund for the coming year is set out in the appendix of this report and reflects anticipated revenue of \$986,000 and expenses of \$953,490 before the application of unrealized capital gains and losses on investments. The anticipated budget surplus is \$32,510.

Your committee submits for your consideration and approval the estimate of revenue and expenses as they relate to the General Fund for the period ending April 30, 2017. The committee believes that the budget set out in this report is realistic and provides for items that can be reasonably foreseen to meet the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the coming year.

**Charitable Donations:**

Your committee reviewed the donations made by the Grand Master on behalf of our Grand Lodge. The donations totaled \$1,342.76 to the M.S.A.N.A. for the South Carolina floods.

My thanks go out to R.W. Bro. Samuel Kalinowski and V.W. Bro. Drew Bucknell for assisting the Audit & Finance sub-committee to work on the tactical plan project assigned to our committee. Your insights and contributions were very much appreciated.

To the members of my committee, R.W. Bros. Norman McCarthy, Thomas Hogeboom, Patrick McGrenere, Brian Koivu, Paul Skazin and Randy Hawken, V.W. Bro. Allan Stoddart your contributions and support made my job as your Chairman an easy and enjoyable duty. During the past year the Grand Secretary and the staff of Grand Lodge provided invaluable assistance to the committee and we thank you for all your efforts. To the Ex-Officio members M.W. Bro. John C. Green, R.W. Bros. Paul Todd, David Armstrong and Edward Standish, your many contributions to the committee were very helpful to the committee.

JAMES C. SUTHERLAND, Chairman

## REPORT OF THE GRAND TREASURER

*This Report was presented by R.W. Bro. T. W. Hogeboom, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. T. W. Hogeboom, it was adopted.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again this year, at the 161<sup>st</sup> session of our Annual Communication, I have the honour and pleasure to submit the Grand Treasurer's Report for the Masonic year 2015 – 2016. And again this year I can assure you that as the 'Financial Conscience of our Grand Lodge,' the finances of our Grand Lodge are in a sound and satisfactory state and that the bottom line indicates further growth in our financial assets – perhaps with not as much growth as in years past for reasons we have all felt personally as well, but the good news is, our financial base continues to move in the right direction. It also gives me a great deal of pleasure to be able to repeat my comment from last year that those responsible for the administration of the affairs of your Grand Lodge are worthy of much credit for the excellent financial statements and unmodified audit that is printed in these Proceedings.

The foundation of our sound financial position is due in no small part to the professional management of the Grand Lodge investment portfolio under the direction of our Portfolio Manager, Marcia Wisniewski, of Scotia Private Client Group 1832 Asset Management L.P. Again, we have been most pleased with the wisdom and care exhibited in the management of these funds and recommend the approval of continuing this relationship on the existing terms.

As for the Grand Lodge investment strategy, There have been no asset allocation range changes in our Investment Policy Statement since October 2013 when we made a change to allow for a heavier weight of equities. As of the year ending April 30, 2016, our investment asset package was at 53% in equities, 43% in bonds and 4% in cash. We continue to employ fixed income securities rated at a minimum of BBB; equities from an approved listing while avoiding derivative instruments and hedge funds. Even in the current trending marketplace you can rest assured that your Grand Lodge will continue to invest prudently and conservatively enough to never risk the advantages made in this area by our predecessors.

At our last investment portfolio review for the year ending April 30, 2014, Scotia noted an increase in our portfolio percentage yield at year end of 1.87%. Although this number is unimpressive based on the last few years, it is above our standard index return of 0.30% by which we measure the performance of our Portfolio Management team and it has preserved our purchasing power over inflation that ran at 1.1% over the last fiscal year. After a very challenging year, our investment income of \$207,792 has increased our consolidated portfolio asset base to a closing market value of \$6,166,506. While as I mentioned, this has been one of our lowest return on investment years, I need not remind the membership of the cyclical nature of money markets but I will remind them of the 266% return on our investments since enlisting a fund management firm twenty-five years ago.

As for the 2016 – 2017 portfolio year, Scotia is projecting a modest rate of return of 3.73% or a total return projection of \$230,011 less the management fees of 65 basis points.

I am most pleased to report that we are going to be able to hold our promise made at the Annual Communication of 2011 that we would endeavour to not have another increase in the Grand Lodge Assessment for the next five years. As with each of these last five years, this has been an item of review as R.W. Bro. Paul Skazin runs the financials during the budgeting process. The surpluses generated in the first few years of this five year plan have more than covered the increased expenditures over the latter part of this term to the

point where we will not be increasing the assessment as predicted this year. I might even go out on a limb and say we are looking good for next year too! However, we will continue to do an annual review to assure we don't fall behind and continue to set an example for the Lodges to follow. So when you receive your ballot from one of the Grand Lodge staff or when you get a chance to meet one of the Grand Lodge Committee Chairman in a hospitality room over the next couple of days, be sure and thank them for being fiscally responsible administrators with your dues.

We wish to express our sincere appreciation to the Grand Secretary, M.W. Bro. Terence Shand, and the Grand Lodge staff again this year for having a 'clean/unmodified' audit by Deloitte LLP. It is very comforting to your Grand Treasurer to hear David Tonin report from our audit firm that the significant accounting practices, selected and applied by management are, in all material respects, acceptable under Canadian accounting standards for Not-For-Profit Organizations and are appropriate to the particular circumstances of Grand Lodge.

The Audit and Finance Committee of our Grand Lodge, under the chairmanship of R.W. Bro. James Sutherland, continues to review monthly, report to the Management Committee and the Board of General Purposes of our Grand Lodge when called upon and reports annually to the membership as a whole on all sources of income and items of expenditure. This job of managing every financial aspect of what is a very successful business with an annual budget in excess of \$890,000 is a daunting task and we must recognize all those volunteers involved, the Grand Lodge Committee Chairman and the Grand Lodge staff who monitor and manage within these boundaries. We commend each of those involved for their stewardship and commitment to the financial stability of our Grand Lodge. I continue to pledge my support and thanks to each and every Grand Lodge Committee, Chairman and the Grand Secretary who spend so much time detailing accurate and accountable annual budgets and then living within them as approved by the Management Committee and the Grand Master. Thank-you my Brethren!

Sincerely and fraternally submitted.

THOMAS W. HOGEBOOM, Grand Treasurer

## REPORT OF THE MANAGEMENT COMMITTEE

*This Report was presented by R.W. Bro. P. E. Todd, Chairman, and on motion of R.W. Bro. D. M. Sheen seconded by R.W. Bro. P. E. Todd it was received.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my pleasure to present this report to Grand Lodge as the Chairman of the Management Committee on behalf of its several members.

As stated in our Constitution the Management Committee acts in an advisory capacity to the Grand Master and Grand Lodge in all matters deemed to be in the best interests of and for the better administration of the Craft.

The committee composition is as follows; the Grand Master, the Deputy Grand Master (who is the Chairman) the Grand Treasurer, the Grand Secretary and 3 elected Members of the Board, R.W. Bro. John Hay, David Sheen, David Cameron and 2 appointed by the Grand Master, R.W. Bro. Barry Burchill and Edward Standish.

The Committee met five times this year in the Board Room at the Grand Lodge Office and all meetings were governed by a committee approved agenda. Each meeting opened with remarks by the Grand Master and the Deputy Grand Master and the acceptance of the minutes of the previous meeting.

The Grand Secretary, Grand Treasurer and the Chairman of Audit Finance then gave an update to the Management committee on activities in their area of expertise which was then followed by the several Committee members reporting on issues which arose from the minutes of the previous meeting.

The five (elected & appointed) members served as Liaisons to certain designated Committees

At each meeting they are called upon to give update reports on their committees work under the following structure.

#### Craft Stewardship:

R.W. Bro. Barry Burchill---Strategic Planning, Condition of Masonry-Analyst, Fraternal Correspondence, DDGM Orientation, Seminars & Workshops

#### Membership:

R.W. Bro. David J. Cameron---Leadership Development, Lodge Resources: Protocol & Etiquette, Brother to Brother, Friend to Friend, Officer Progression, Cornerstone Project, Education: College of Freemasonry, Reflection Newsletter, Brock University Partnership, Book Sales

#### Communication

R.W. Bro. John L. Hay---Internal Communication, Publishing Review, Website Management, E-Mail Distribution, Ontario Mason

#### Operations & Finance

R.W. Bro. H. Edward Standish---Audit & Finance, Finance Advisory, Constitution & Jurisprudence, Discipline, Benevolence, Building Infrastructure, Fraternal Relations

#### Community Outreach

R.W. Bro. David Sheen---Blood Donors, Public Awareness, Youth Initiatives

The members of the committee were encourage to ask questions regarding the information contained in the Liaisons reports.

If direction was required for a certain committee, it was the Liaison duty to give such direction and be prepared to update the Management committee at the next meeting.

The following issues were dealt with over the course of the year, with many of other issues being resolved by a Liaison Committee member.

A few issues were put in the form of a motion by the Management Committee to advise the Grand Master and the Grand Lodge.

#### Management Committee Recommendations

- The College of Freemasonry concern about copying answer, it was recommended that a warning be given to all students and that this practice is not acceptable.
- The Past Master Course concern regarding marks not given, it was recommended that Constitution be followed, no marks, because either course is completed or re-submitted.
- Ontario Mason Magazine suggested a Education Essay for EA's FC's and MM's, the committee recommended acceptance of the idea. Winners were announced in spring issue of Ontario Mason Magazine.
- The Reflections Newsletter suggested that it become an identifiable subsection of the Ontario Mason Magazine and it also acknowledge efforts to contact subscribers for refunds. Recommendation was made to proceed with the suggestion.
- Recommendation that the "Five Step" program be put on the website
- Condition of Masonry suggestion that the 47 self-identified Lodges who were in financial trouble be contacted by the Finance Advisory Committee to offer their assistance.

Recommendation accepted.

- Brock University Partnership was encourage to move forward on a multi-day Conference in addition to yearly Sankey Lecture June 2-4 2017.
- Recommendation that the Condition of Masonry L4 form have an adjustment to the number and types of questions.
- Recommended acceptance Audit & Finance changes to the Committee's Expense Policy.
- Recommendation information was required by all committee chairman on "How to Budget" so proposed budgets could become closer to what is normally spent.
- Acknowledge that the M.W. Bro. Raymond S.J. Daniels book collection had been donated to the Grand Lodge Library.
- Recommended that Building Infrastructure continue to complete step one, listing of Lodge contact information and that in 2016 all Lodges in Districts from Algoma to Ontario alphabetically be re-inspected and that the three year cycle in be completed in 2017.
- Motion passed that the Grand Lodge Book of Constitution be placed in the members section of the Web site.
- Recommend that when Seminars & Workshops puts on an event that they take the lead in the promotion and not leave it only to the District or Lodge, it should be at least two months in advance and identify the "target audience".
- Recommend Masonic Education proceed with Masonic Education Conference on April 2, 2016.
- Recommend that the Web Technology Team begin work on a "new" website for launch in summer of 2016.
- Recommend that requests for funding of local Masonic District Projects be kept within the requesting District and not be sent out to the rest of the Grand Jurisdiction.
- Acknowledge the concern that Committee Newsletters are not receiving maximum distribution in all Districts, recommend that District Deputy Grand Masters insure that all correspondence from committee or otherwise be immediately distributed.
- Recommend funding for a one day Seminar in Sault St. Marie by three committees of Grand Lodge.
- Acknowledge the buildup of "Silos" in committee work; recommend an effort be made to share information between committees, possibly more meetings of the committee and the Board would be a solution.
- Recommend we give maximum promotion of the fact that only FIVE members will be elected this year and the same in the falling year.
- Recommend that a book of M.W. Bro. Daniels writings which Hamilton C District has collected be published for sale at Grand Lodge.

### Delegation Presentations

#### *Masonichip Foundation*

Rob Fleming President of the Masonichip Foundation of Ontario made a very informative presentation to the Management Committee requesting assistance in funding the changeover from CD's to Digital collection of information on smart phones and tablets.

After much discussion the request was declined at this time but it possibly would be reconsider in the future.

#### *Grand Lodge Insurance Program*

Dayle Semple representing the Grand Lodge Insurance Program made a presentation regarding an identifiable concern about public liability of Lodges. Several examples were given and much questioning ensued.

By motion, a letter to be sent out by the Grand Secretary via the District Deputy Grand Master to all Lodges regarding the concern raised by Mr. Semple.

As a result of the presentation a recommendation also came forth that all Lodges are requested to send in to Grand Lodge their Certificate of Liability Insurance to ensure that each Lodge is insured and that the L1 form be adjusted to assist in gathering information.

## Tactical Plans 2015-16

### 2015-01

A Grand Lodge Privacy Policy suitable for all areas of member and public engagement including but not limited to: website, application forms, lodge summons, community outreach programs.

### 2015-02

Develop a five year marketing plan to drive interest in Craft Masonry throughout the jurisdiction.

The must include but is not limited to: target audience, message, method(s) of communication, timeline, budget.

### 2015-03

A unified resource for candidates incorporating material and best practices from Ontario and other jurisdictions to assist in Masonic Education through the three degrees.

### 2015-04

Comprehensive review and update of the Leadership Module contained in the College of Freemasonry.

### 2015-05

A comprehensive plan addressing the possibility of preparing educational video(s) for use on line and in constituent lodges.

The plan should include but is not limited to: educational topics, preliminary scripts, proposed video duration, method/options to create and produce the video(s) budget and timeline.

### 2015-06

Research into the feasibility of a Grand Lodge Central investment programme. If feasibility research proves positive, a comprehensive proposal regarding the purpose, structure, process and rules to govern a Grand Lodge Central Investment Programme.

### 2015-07

A “library” of Finance Advisory Best Practices aimed at educating and assisting lodges in all areas of financial stewardship. A list of topics to be determined by the committee such as: collecting dues, annual budgets, financial statements, assessing areas of financial concern.

### 2015-08

A proposal on whether or not incremental recognition should be considered for the Cornerstone programme.

If incremental recognition should be considered a proposal on how it would be structured and managed.

The Management Committee has reviewed the final reports of the eight tactical plans. All assignments were on time at the different stages: their proposals, their status reports and their final reports.

Several of the tactical plans will be continued new year to allow for completion of the different steps outlined in this years final reports and they will be added to new tactical plans for 2016-17.

The members of the Management Committee have served with commitment and dedication to the Grand Master and Grand Lodge in all matters deemed to be in the best interests of and for the better administration of the Craft.

All of which is respectfully submitted on behalf of the following committee members: M.W. Bro. John C. Green, Grand Master, M.W. Bro. Terence Shand, Grand Secretary, R.W. Bro. Thomas W. Hogeboom, Grand Treasurer, R.W. Bros: J. Sutherland, B. Burchill, D. Cameron, J. Hay, D. Sheen, E. Standish.

Respectfully submitted.

PAUL E.TODD, Chairman

### **REPORT OF THE COMMITTEE ON CONSTITUTION AND JURISPRUDENCE**

*This Report was presented by R.W. Bro. F. Halpern, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Halpern, it was received.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your committee has received **SIX (6)** proposed amendments to the Constitution of Grand Lodge

**The 1st proposal deals with Sections 209 & 366.**

Section 209 reads as follows:

209. If any member shall be under suspension from his lodge or shall have failed to comply with its by-laws, or with the general regulations of the Craft, he shall not be eligible for membership in any other lodge.

The proposer wishes to add or is charged with a Masonic offence after the word suspension to read as follows:

209. If any member shall be under suspension “*or is charged with a Masonic offence*” from his lodge or shall have failed to comply with its by-laws, or with the general regulations of the Craft, he shall not be eligible for membership in any other lodge.

Section 366 reads as follows:

366. A Brother who has been suspended or who has demitted (dues owing) must have been restored by his lodge before he can apply for affiliation.

The proposer wishes to add a second sentence to read as follows:

366. A Brother who has been suspended or who has demitted (dues owing) must have been restored by his lodge before he can apply for affiliation. “*Any Brother who has a Masonic offence charge outstanding cannot apply for affiliation to any other lodge*”

**Your Committee finds the proposals: Irregular**

**The 2nd proposal deals with PART VIII**

REGULATIONS GOVERNING GRANTS OF BENEVOLENCE (Adopted - July 13, 1992)

The current section reads as follows:

1. All applications for benevolence must be made through a lodge.
2. The lodge recommending an application for benevolence must pass a resolution to that

effect in open lodge and record it in the minutes of the meeting.

3. The District Chairman of Benevolence will assist the District to process all requests for Grand Lodge benevolence.

4. The Secretary of the lodge shall report the receipt of a grant of benevolence to the lodge in open meeting and record it in the minutes of the meeting.

5. Grants of benevolence are held in trust for Grand Lodge by the lodge. Whenever a grant or any portion thereof is no longer required by the beneficiary, the lodge shall return the unused grant or portion thereof to the Grand Secretary.

6. In any application for benevolence wherever the need for assistance may be of an interim nature and circumstances indicate that there may be some disposal of property or other assets, the Committee may grant benevolence in the form of an interest free loan. In such cases, the Committee will require documentation, which may include collateral security, to provide evidence of the intention that the proceeds of the benevolence support are to be ultimately repaid to Grand Lodge.

7. The Chairman of the Committee on Benevolence shall prepare and present to the Board of General Purposes meeting held immediately prior to the annual meeting of Grand Lodge, for the purpose of being printed for the information of Grand Lodge, a report in such form as directed by the Board of General Purposes, respecting all applications for benevolence and the disposition thereof.

8. The income from the Memorial Fund, invested and on deposit, shall be available to the Committee on Benevolence for grants of benevolence. Such income shall be augmented by such amounts as Grand Lodge may from time to time approve for transfer from the general funds of Grand Lodge.

9. The income from the Memorial Fund and such additional funds authorized for transfer by Grand Lodge shall be credited to the revenue account of the Benevolence Fund.

10. All applications for grants of benevolence must be made upon the printed form which will be furnished on request to the Grand Secretary.

11. The application form must be completed in full and signed by the Worshipful Master and Secretary with the seal of the lodge affixed thereto.

12. The comments of the Lodge Chairman of Benevolence and the District Chairman of Benevolence are essential in assisting the Committee. Additional supportive information and documentation is always appreciated.

13. The annual application for benevolence must be delivered to the Grand Secretary before the first day of April prior to the annual meeting of Grand Lodge.

14. The Committee on Benevolence shall meet as soon as possible after the first day of April to determine the disposition of all applications for benevolence.

15. Grants of benevolence shall be made by cheque payable to the lodge or in such manner and at such times as the Committee may determine. In special cases this may vary at the joint discretion of the Chairman of the Committee on Benevolence and the Chairman of Audit and Finance.

16. The Secretary of the lodge shall report on the prescribed form when received from the Supervisor of Benevolence, the disposition of the grant and the current status or welfare of the recipient.

17. In cases of pressing need arising between the meetings of the Committee on Benevolence, interim grants for the purposes of temporary assistance may be authorized by the Chairman of the Committee on Benevolence with the approval of the Chairman of Audit and Finance, and the President of the Board of General Purposes.

18. The District Chairman of Benevolence shall review all applications for Grand Lodge benevolence and ensure that the same are delivered to the Grand Secretary before the first day of April.

19. Grants of Grand Lodge benevolence will be monitored by the District Chairman of Benevolence in co-operation with the lodge(s) through visitation. It shall be the duty of the District Chairman to review, with the respective lodge, the circumstances of the grant

recipient and determine if an application on the prescribed form should be resubmitted.  
 (2004) (Refer to Sections 428, 429, 430)

**The proposer wishes to make changes to paragraphs 11,13,14,17, 18 & 19**

The amendments to the aforementioned paragraphs will read as follows

11. The application form must be completed in full and signed by the Worshipful Master and Secretary with the seal of the lodge affixed thereto. ***The application must then be reviewed, approved and signed by the District Chairman of Benevolence***

13. ***Applications for benevolence must be delivered to the Grand Secretary immediately after they are processed by the Lodge and District Chairman of Benevolence, as outlined in the preceding sections.***

14. The Committee on Benevolence shall meet as soon as possible ***after an application has been processed by Grand Lodge and forwarded to the Committee on Benevolence for disposition.***

Delete Section 17 and 18. Section 19 becomes Section 17.

Your Committee finds this proposal: Regular

**The 3rd proposal deals with Sections 38 and 50.**

Current 38 (b) is as follows A candidate nominated for the office as member of the Board of General Purposes must be in possession of a "Past Masters Course Certificate of Completion" as offered by the Grand Lodge College of Freemasonry on or before June 15, of the year seeking office.

**The proposer wishes to amend it to read:**

(b) A candidate nominated for the office as member of the Board of General Purposes must be in possession of a "Past Masters Course Certificate of Completion" as offered by the Grand Lodge College of Freemasonry on or ***before the same date his nomination is sent to Grand Lodge, as outlined by this Book of Constitution Section 38 (a)***

Your committee finds this proposal: Regular

**The proposer would now add the following to Section 38 (b) to read as follows**

(b) A candidate nominated for the office as member of the Board of General Purposes must be in possession of a "Past Masters Course Certificate of Completion" as offered by the Grand Lodge College of Freemasonry on or before the same date his nomination is sent to Grand Lodge, as outlined by this Book of Constitution Section 38 (a). ***The "Past Master's Course Certificate of Completion" will be awarded to the brother who has completed each module prescribed by the course of study, "Past Master's Course" with a minimum letter grad of "C" being the equivalent of "60% or better".***

Your committee finds this proposal: Irregular

**The next proposal deals with Section 50 (b) which currently reads as follows:**

Section 50 (b) A candidate for office as District Deputy Grand Master or Grand Registrar must be in possession of a "Past Masters Course Certificate of Completion" as offered by our Grand Lodge, College of Freemasonry on or before June 15, of the year seeking office.

The proposer wishes the Section to read as follows: ***The "Past Master's Course Certificate of Completion" will be awarded to the brother who has completed each module prescribed by the course of study, "Past Master's Course" with a minimum letter grad of "C" being the equivalent of "60% or better".***

Your committee finds this proposal: Irregular

**The 4th proposal deals with Sections 185 to 189 as follows:**

Section 185. No lodge shall admit any member to life membership with exemption from lodge dues.

Section 186. *No Change.*

Section 187. (a) Any brother who has rendered outstanding service to the Craft in general, or to any particular lodge may by a three-fourths vote by ballot of the members present, be elected an honorary member thereof, without exemption from lodge dues, provided prior notice of motion to confer such honorary membership has been given and published in the lodge summons.

Section 187. (b) No lodge shall admit any of its members to honorary membership with exemption from lodge dues.

Section 188. (a) Any monies held by the lodge on account of existing life memberships, shall be kept separate and apart from the general funds of the lodge in the Life Membership Trust Fund.

Section 188. (b) Monies may be withdrawn from the Life Membership Trust Fund in accordance with formulae as set out in the Regulations approved by the Board of General Purposes from time to time.

(Refer to Part VIII – Regulations)

Section 189. *No Change.*

Regulations Governing Life Membership Trust Funds (Book of Constitution)      *No Change.*

**With the authorization of the Grand Master this proposal is being returned to the proposer for amendment.**

**The 5th proposal deals with Sections 53, 58, 61, & 62 as follows:** Section 53 (b) to read: (b) Properly defined spaces into which may be written the names of the brethren to be voted for as Grand Master, Deputy Grand Master, *Grand Secretary and Grand Treasurer ranked as first, second and third choice (more if required) and spaces (as required)* into which may be marked "X" and spaces into which may be marked "X" opposite the brothers to be voted upon;

Section 58 to read:

With the exception of voting for the Grand Master, Deputy Grand Master, *Grand Secretary and Grand Treasurer* each brother voting shall mark an "X" upon one of the ballot papers in the space provided therefor opposite the name or names of the duly nominated brother or brethren for whom he desires to vote, such names having been printed on the ballot papers. He shall vote for five nominated members of the Board of General Purposes, otherwise his ballot for the Board of General Purposes shall be void. He shall deposit his ballot paper in the proper ballot box.

Section 61 to read:

A candidate for the office of Grand Master, Deputy Grand Master, Grand Treasurer or Grand Secretary must, in order to be elected, receive a majority of all votes cast. Our voting system for these offices will be "ranked ballot" and will allow brethren to provide second and third choices (or more as required) for each office, should their preferred choice(s) be eliminated

Section 62 (b) to read:

*The vote shall be counted forthwith using the ranked ballot system for the offices defined in section 61. If no majority is attained on the first ballot the candidate that received the lowest number of votes is removed from the second ballot and his supporters 2<sup>nd</sup> choice is applied to the "second ballot count". If no majority is attained*

*from the second ballot count, then the candidate who received the lowest number of votes is removed and his supporters' next choice is applied to the next ballot count. This process continues until one candidate satisfies the requirements of section 61.*

Section 62 (c) shall be deleted and replaced with the following:

If only two candidates are nominated for the office of Grand Secretary and/or Grand Treasurer the provisions of Section 53 (b) will be modified to allow the two names to be listed in the usual manner allowing an "X" to be used to signify the voters intention.

Your committee finds these proposals: Irregular

#### The 6<sup>th</sup> proposal deals with Section 229 (b) as follows:

Section 229 (b) A Master attains the rank of Past Master Only after he has served as Master for a minimum of 12 months (subject to Section 229(a)), and a successor has been elected and installed in his stead, or;

Insert a new Section 229 (c)

(c) Should a Master die at any time during his term of office, the Lodge may petition the Grand Master for dispensation to grant past rank to the deceased Brother. The Grand Master after review of said petition may at his discretion either grant or deny the dispensation. The Decision of the Grand Master will be considered as final and will be submitted in writing to the Lodge Secretary.

Your committee finds this proposal: Irregular

All of which is submitted by on behalf of the committee.

### Warrants

Since the 2015 report; Canada Lodge U.D. Kandahar, Afghanistan has ceased operations and its dispensation terminated. St. Thomas Lodge No. 44 and Talbot Lodge No. 546, have amalgamated to become St. Thomas Talbot Lodge No. 44. Irvine Lodge No. 203 and Mercer Lodge No. 347 have amalgamated to become Two Rivers Lodge No. 203, and Delaware Valley Lodge No. 358 has surrendered its charter. Also, the Grand Lodge office has completed the process to consolidate Erie and Windsor districts into Essex County district.

### Secretary Seminars

During the past Masonic year Lodge Secretary/Office Technology (R.W. Bro. R. Kliaman, chairman) seminars were conducted on: October 17, 2015 for Bruce, Grey and Georgian South districts; November 7, 2015 for York and Toronto Don Valley districts; November 14, 2015 for Toronto Humber Valley and Toronto West districts; and June 18, 2016 for Frontenac, Prince Edward, St. Lawrence and Eastern districts. Lodge secretaries attended a half-day symposium dealing with recent constitutional changes and a review of the responsibilities of Lodge Secretary relevant to our Book of Constitution. The sessions provide an excellent forum for friendly interaction of ideas; information to address concerns, and to overview the operations of our Grand Lodge office and its staff. Future seminars are available upon request by the 2016 - 2017 District Deputy Grand Masters.

### Conferences

In February 2016, I attended ‘The Conference of Grand Secretaries in North America’, held at Madison, Wisconsin. Several presentations and group discussions included; “*A 21<sup>st</sup> Century take on early Masonry*”, “*Membership Systems, Features and Comparisons*”, “*Data Storage and Protection*”, “*Intellectual Property Protection*”, “*Custom Lodge Applications*”, “*Digital Publications and Content Management*”, together with, a panel discussion on Jurisdictional Recognition.

In April 2016, I accompanied our Grand Master and Deputy Grand Master to the “All Canada Conference” held at Winnipeg. Jurisdictional questionnaire reports; on specific issues, concerning their present office were presented by each Grand Master and Deputy Grand Master. Reports were received on: the Western Canada Conference, World Conference, Conference of Grand Masters in North America, Conference of Grand Secretaries in N.A. and the Commission on Information for Recognition. The conference concluded with four group breakouts followed by four presentations of issues relevant to the

Grand Masters, the Deputy Grand Masters, the Grand Secretaries and the attending Observers.

### **Semi Annual Returns**

As of this writing, two Semi-Annual Returns, due January 8, 2016, have not been received at the Grand Lodge office). Subsequently, the July 8<sup>th</sup> return forms have not been mailed, negating the three principal officers an opportunity to vote at this Communication. A reminder . . . Section 300, Book of Constitution states, "Each lodge shall mail or otherwise deliver to the Grand Secretary, its returns and payments to Grand Lodge, semi-annually, on or before the 8<sup>th</sup> day of January and the 8<sup>th</sup> day of July each year." Please consider this responsibility an important one, particularly when considered in relation to Section 152 (p) Constitution of Grand Lodge, adopted July 2009. It is essential that the replacement of the Lodge Secretary receive adequate information and training prior to assuming his arduous duties and not just left with several boxes of secretary data at his feet.

### **Closing Remarks**

The Grand Lodge staff consisting of: Mrs. Gail Nickerson, Mrs. Stacey Birks, Mrs. Kathy White and Ms. Jennifer Manzer, continue to be dedicated team players who take great pride in the service they provide while contributing to the *esprit de corps* enjoyed in daily office activities.

We thank the great majority of lodge secretaries for the stellar service provided to their respective lodge. We commend those of you who conscientiously submit the required data and information in a timely manner. To all those having dealings at the office, our thanks for your cooperation, as we endeavor to provide the essential services necessary.

Respectfully and fraternally submitted.

TERENCE SHAND, Grand Secretary

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was adopted by Grand Lodge.

### **REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS**

Forty-two reports of the District Deputy Grand Masters were presented to the Deputy Grand Master and, on motion of Grand Secretary, seconded by R.W. Bro. D. Garry Dowling they were referred to the Board of General Purposes.

### **REPORT OF THE DISCIPLINE COMMITTEE**

*This Report was presented by R.W. Bro. D. E. Jacklin, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. D. E. Jacklin, it was received.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This year there were no verdicts from Masonic Trials or appeals from verdicts of Masonic Trials to be reviewed by this committee.

Two Certificates of Severance were granted at the request of two Brother obviating disciplinary proceedings and sparing both themselves and their lodges embarrassment and expense.

One Brother who it was alleged was now an atheist and was allowed to take a demit.

One Brother was convicted of 1<sup>st</sup> Degree Murder and after a report from the reviewing committee; it is recommended that he be expelled.

Your committee fully endorses and supports the actions of the Grand Master and Grand Secretary in dealing with the discipline issues which came to their attention this year.

The committee also wishes to thank the various reviewing panels for their diligence and impartiality in dealing with the issues they were appointed to deal with.

Respectfully submitted on behalf of the committee.

DAVID E. JACKLIN, Chairman

### **REPORT OF THE GRAND CHAPLAIN**

*This Report was presented by R.W. Bro. James Schell, Grand Chaplain*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am most thankful to our Grand Master, M.W. Bro. John C. Green for giving me the honour of serving as the Grand Chaplain for this masonic year. I have had the privilege of meeting many new brethren and renewing old acquaintances throughout our jurisdiction and it has expanded and added to my experience of our Craft.

Working with our Assistant Chaplains, District Chaplains and with the officers of Grand Lodge has been especially gratifying and I would be remiss if I didn't thank them for all their efficient and hard work on behalf of all of us.

I had the opportunity to attend many lodge meetings and special functions during the year and these served and helped to reinforce my faith in the future of our fraternity. The wonderful memories that I gathered from these evenings I will cherish always.

It has truly been an honour to be part of all of this and have the opportunity to work for the good of our Craft. May the Lord continue to bless our order as we strive to make good men better through our Masonic teachings.

Respectfully and fraternally submitted.

JAMES SCHELL, Grand Chaplain

## REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

*On motion of the Deputy Grand Master, this Report was presented by M.W. Bro. C. Edwin Drew, seconded by M.W. Bro. G. L. Atkinson, and adopted.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege, on behalf of the Past Grand Masters, to present the report on the Grand Master's address.

We endorse the welcome extended to our members and invited quests and share in the hope that they will enjoy their time spent with us.

We are saddened by the passing of so many of our distinguished brethren who have laid down their working tools.

We support the proposal for Past Rank and Honorary Rank pursuant to Sec. 73. Our congratulations are extended to the William Mercer Wilson Medal and the Grand Master's Meritorious Service recipients, and the Honorary members of the Board who were appointed.

The list of Anniversaries, Ceremonials, Dedications and Visitations is testimony to the commitment and dedication of our Grand Master.

His attendance at the Royal Arch Masons Convocation, the Supreme Council A. & A.S.R., the Imperial Shrine Sessions, the Prince Hall Communication helped strengthen the ties which bind us.

The Grand Master attended many functions outside our jurisdiction, the World Conference in San Francisco, The North American Conference in Wisconsin and many other Grand Lodges, we are pleased at the ongoing efforts he has made3 to bring back the knowledge he has gained to the benefit of our jurisdiction.

We note with pleasure that consideration is being given to providing funding for the Masonic Chip program, which has proven its value and provided excellent P.R. for the Craft.

We hope that the effort being put into the Grand Lodge website will benefit the brethren.

We are pleased to note that Masonry is returning to Parry Sound.

It seems that, once again. Discipline is occupying too much of the Grand Masters time.

The emphasis placed by the Grand Master is supporting Prostate Hope is to be commended, and will yield significant results.

The new Strategic plan will shortly be on the website, and we look forward to seeing the results.

The appointment of an Office Administrator to be employed for the Grand Lodge is, once more, recommended, and we commend the Grand Master for accepting the recommendations of the ad hoc committee.

The Grand Master expresses gracious application to: the Deputy Grand Master, the Past Grand Masters, the Custodian of the Work, the Grand Secretary, the District Deputies, the members of the Board, the elected Grand Officers and the staff in the Grand Lodge Office.

The Grand Master recognizes the support of his family, in particular his lady, Barb. Those of us who were his predecessors know full well how important that support is.

The concluding paragraph of the address has been the theme of the Grand Master's first year in office, a worthwhile message to the brethren which needs to be read and inwardly digested.

Respectfully and fraternally submitted.

C. EDWIN DREW, Chairman

## ANNOUNCEMENTS REGARDING REPORTS

*The following remaining Committees were adopted for printing as written.*

### REPORT OF THE LIBRARY, MUSEUM and ARCHIVES COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

- Completed updating of the speech “The Masonic Life and Times of R.W. Bro. Sir John A. MacDonald”, originally delivered at Heritage Lodge in Old Fort Henry (Kingston) on October 17, 2015, for presentation on April 2, 2016 at the Masonic Education Committee’s workshop in Hamilton
- Supported Bruce Masonic District in the updating of their traveling Masonic exhibit “Freemasonry: History Hidden In Plain Sight” originally opened in 2011, by adding text panel on Canadian Freemasons in the First World War, and to deliver a speech on “Freemasonry and the Victoria Cross” at the re-dedication ceremony of the exhibit on April 9, 2016 in Southampton

Respectively submitted on behalf of the Committee.

CHARLES H. REID, Chairman

## **REPORT OF THE COMMITTEE ON SEMINARS AND WORKSHOPS**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the members of the Seminars and Workshops Committee, I am pleased to submit our report for the period of July 2015 to July 2016.

### **MANDATE**

“Providing, informative, instructional and interactive seminars and workshops on timely topics of importance to the Masons of Ontario.”

### **OBJECTIVE**

We are committed to providing our Fraternity, with a series of excellent seminars and workshops throughout the upcoming Masonic year.

### **2015 REVIEW**

Eight sessions were presented during the 2015 Annual Communication, they included:

- 1) The Masonic Chip Foundation – R.W. Bro Rob Fleming
- 2) Leadership Development – R.W. Bro. Bill Bowick
- 3) Preparing to be a District Secretary – R.W. Bro. Tom Siemiernik
- 4) The Cornerstone Project – R.W. Bro. Jamie Ireland
- 5) Condition of Masonry – R.W. Bro. Richard Kaufman

- 6) Finance Advisory – R.W. Bro. Dave Armstrong
- 7) College of Freemasonry – R.W. Bro. Rick Cadotte
- 8) Computer Resources – R.W. Bro Robert Kliaman

All sessions of Seminars and Workshops at Grand Lodge were well attended. I believe the Brethren appreciate the time and effort that is put into coordinating the sessions and feel they are very beneficial in many ways. A large percentage of the feedback cards were very positive with their comments.

## **2015 MEET THE NOMINEES**

Once again the Seminars and Workshops committee coordinated the “Meet & Greet” on the Tuesday evening at Grand Lodge held in the Salon Room “A” from 7:00 pm -8:30 pm. This event provided a chance for the Brethren to meet and chat with the Brethren that have submitted their names for an Office of Grand Lodge.

In general the “Meet & Greet” feedback comments were positive. There were a number of comments; however, that suggested using a larger room when there is a large number of Nominees.

We would like to thank all the Nominees for participating in this event and to the Brethren for the excellent organizing as well.

## **GRAND LODGE SEMINARS & WORKSHOPS 2015 – 2016**

The Grand Lodge Seminars & Workshops Committee has created a schedule for a series of Seminars & Workshops to be held throughout the Province as directed by the Grand Master. This was a new direction for the Committee. As a result, each committee member was designated a geographic area and to organize the event. The committee members worked extensively to make the schedule available in a timely manner to allow further communications. We continued to communicate with the Brethren involved with Masonic Education, in respect to their schedules of sessions to prevent any duplication. (locations & topics)

Date: May 25, 2016  
Place: Porcupine Lodge 506, Timmins  
Time: 7:30 pm

At the time of this report (April 2016) the attendance at each session has varied with an average of 40. The presenters did an excellent job presenting their topics. There was a lot of interaction with the Brethren in attendance with the Q&A portion. Everyone who attended these sessions found them very beneficial. I believe that taking the Grand Lodge Programs out to the various districts has proven to be a great success. Many Brethren expressed their wishes that they would like to see this continue in the future.

It has created an opportunity for those Brethren unable to attend Grand Lodge for personal reasons (family, work, financial, physical health, etc) to attend this type of event. The sessions attract local Brethren as well as some from surrounding districts.

## **2016 ANNUAL COMMUNICATION**

The Grand Lodge Seminars and Workshops Committee will present its program at the Annual Communication on Tuesday July 19, 2016. The following sessions are scheduled for this year:

**1) Cornerstone Project – R.W. Bro. Jamie Ireland**

This session will give an overview for the requirements of the Lodge to receive the designation.

**2) Engaging a New Mason – W. Bro. Adam Nesrallah**

This session has been brought back due to the impact it has had on Lodges as a result of a previous session of this topic. It gives a new member's view in regards to how they feel about Masonry in general.

**3) Preparing to be a District Secretary – R.W. Bro Tom Siemienik**

The DDGM Orientation Team will present a workshop on preparing a Brother for this position. This is always a great presentation with a relaxed atmosphere, sharing good advice and answering numerous questions with discussion.

**4) Project Hope – R.W. Bro. Alan Dvorak**

This session focuses on Prostrate Cancer Research also known as the Grand Master's Charity of Choice. This excellent presentation outlines this project for the Brethren to have a clearer understanding, of the disease and how the monies raised will be applied to the ongoing research.

**5) Financial Investment – R.W. Bro. Jim Sutherland**

Marcia Wisniewski of Scotia Wealth Management will discuss investment funds and other related topics and how it can work for your Lodge.

**6) Computer Resources – R.W. Bro. Robert Kliaman**

These sessions are held continually during Tuesday afternoon. A great amount of very useful information is given on computers and programs, useful for Brethren.

**7) Memorial Services – R.W. Bro. Les Armstrong**

This Workshop will go through the proper method of performing a Memorial Service. A funeral director, who is not a Mason, will be present. He will be giving his perspective on preparing for the service at the designated location, (funeral home, church etc) working with the funeral home staff and communications to achieve a meaningful service for the family.

**8) Building A Website - R.W. Bro. Robert Ledingham**

A series of steps to build a successful website from start to finish will be covered. Changes on the present Grand Lodge website will also be discussed. This is a two hour session to all for Q & A's and interaction between the Brethren present. Learn how modern technology can enhance the method of displaying your Lodge and its events.

**9) History Seminar – 300th Anniversary of Freemasonry - R.W. Bro. Michael Jenkyns**

A history of Grand Lodge will be presented. The effects the 1<sup>st</sup> Grand Lodge of England had on Canada. This session will be an introduction to the 300<sup>th</sup> Anniversary of Freemasonry and how it migrated to Canada. It is of great interest as well, that the 300<sup>th</sup> Anniversary of Freemasonry is also Canada's 150<sup>th</sup> Birthday.

**2016 MEET THE NOMINEES**

The Meet & Greet will once again be held on Tuesday July 19 2016 at the Annual Communication. All Brethren are welcome to attend this event in Salon "A" from 7pm - 8:30pm. It is a great opportunity to meet the Nominees that have offered their name for a Grand Lodge Office in the upcoming Masonic year.

**THANK YOU**

The Grand Lodge Seminars and Workshops Committee would like to express their sincere **Thank You** to our Grand Master M.W. Bro. John C. Green and our Deputy Grand Master R.W. Bro. Paul E. Todd for their ongoing support towards the schedule events of the Grand Lodge Seminars and Workshops Committee. It allows all Brethren, attending Grand Lodge, to gain knowledge and experience the work that the Grand Lodge Committees are doing.

On behalf of the Grand Lodge Seminars and Workshops Committee, we would like to express our sincere **Thank You** to all Chairmen, Team Leaders and Committee Members for making all sessions of the Grand Lodge Seminars and Workshops Committee successful. The sessions held throughout the Masonic year and those scheduled at the Annual Communication would not be possible without your continuous support. Your time and efforts are greatly appreciated.

**CONCLUSION**

It was our hope, that as a Committee, we would strive to carry out the Goals & Objectives, as we move forward to working with the Brethren in this Masonic year. We as a Committee, have the opinion that we were successful and achieved our goals and objectives to the best of our abilities, while adjusting to a new, positive direction for the committee.

Respectfully submitted.

**REPORT ON THE MASONIC FOUNDATION OF ONTARIO**

*This Report was presented by R.W. Bro. Allan C. (Al) Dvorak, President.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Report does not appear in the Preliminary Reports and Fraternal Reviews of Grand Lodge.

It is my privilege to present my second report as President, on behalf of the Board of Directors to the Fifty-third Annual Meeting of the Masonic Foundation of Ontario, being held at the Fairmont Royal York Hotel, in the City of Toronto, Ontario, on Tuesday, July 19, 2016.

I extend a special welcome to all Masons, as the Masonic Foundation of Ontario salutes the Grand Lodge of Canada in the Province of Ontario continued support of the Foundation.

Introduction: Cancer continues to be one of the greatest threats to every Mason in Ontario, either directly or indirectly. Having a “brother”, friend, acquaintance, family member or himself, personally, affected by this cruel and indiscriminate disease. To counter this deadly scourge on humanity and work towards discovering a cure and greater treatments, the Grand Master at that time, Most Worshipful Brother Donald A. Campbell, made the decision to support and provide meaningful funding to three highly respected prostate cancer research projects in Ontario.

Most Worshipful Brother John C. Green, Grand Master, has continued this effort during his two year term. In coordination with the Board of Directors of the Masonic Foundation of Ontario, and after many submissions, suggestions, consultations and committee reviews, the name “Prostate Hope” was adopted as this prostate cancer research project, which celebrates the Foundation’s fiftieth anniversary.

This coming Masonic year will be the final effort to raise in excess of the \$1 Million needed to be able to successfully fund the three identified prostate cancer research projects of Prostate Hope.

This funding will continue for TEN YEARS.

During the past year, I personally was able to visit over twenty five Districts, with the District Deputy Grand Masters of those Districts. It was just impossible for me to visit more districts this year.

However, I am informing you now, that this coming Masonic year, I intend on visiting EVERY one of our 43 Districts, as the President of the Masonic Foundation of Ontario, between September and June.

We’re pulling out all the stops to hit the \$1 Million target of Prostate Hope.

We now have a “Speakers Bureau”, comprised of Prostate Cancer survivors, who are ready and willing to address brethren, whenever requested.

I intend to have a Committee Chairman, in place by September of this year. To specifically communicate with ALL District Masonic Foundation representatives and also handle the Foundation’s Yellow and Grey envelopes.

It is so important to realize that all the monies raised and donated to these highly regarded researchers work to find a cure and better treatments for prostate cancer. Every discovery made for prostate cancer, is shared and coordinated with other cancer researchers to help find a cure for ALL types of cancers.

Prostate cancer is one of the most common cancers in men. Genetics, age, diet, race, family history –even sedentary lifestyle—may all play a part in contributing to prostate cancer risks. The risk of developing prostate cancer increases after the age of 50 years. Majority of prostate cancer are diagnosed in men over 65 years.

Dr. David Cameron continues to be the Chairman of the Foundation prostate cancer research, as well as a Director.

I am so proud to announce Lindsay Reiach as the Chairman of “Prostate Hope” and in particular its fund raising goal of reaching \$1 Million over the next Masonic year. Lindsay brings many years of administrative expertise and is a Past District Deputy Grand Master of Hamilton.

(Lindsay Reiach – Please stand and be recognized).

No matter what charity a District supports, we are asking for your help in achieving the goal of reaching the equivalent of \$25 EACH, from every Mason in our jurisdiction, and we will reach our goal.

We need your help, your District’s help. Work with us !!!

We need the incoming District Deputy Grand Masters help.

We encourage that every District, its lodges, representatives, chairmen, offer their support to the Foundation, to the Grand Master, to Lindsay Reiach, and especially to “Prostate Hope”.

Appreciation: The Masonic Foundation of Ontario is really blessed by having as its executives and directors, some of the most dedicated individuals who bring to the Board their extensive knowledge, experience and skills, looking after not only the Foundation's, but you, the Brethren's, best charitable interests. Last year, as well as the previous year, at the Communication of Grand Lodge, Paul Skazin was appointed Chairman of the Grand Lodge Benevolent Committee, and by virtue of his office remained an ex-officio director of the Foundation.

Your Foundation has enjoyed the unqualified support of our Grand Lodge and our Grand Master M.W. Bro. John C. Green and our Deputy Grand Master R.W. Bro. Paul E. Todd, who regularly reminded the brethren of their charitable obligations. They also reinforce the position of the Foundation as the "Charity of Choice" for all Ontario Masons.

The Foundation recognizes and commends the multitude of individuals who implement and promote its programs and information by their dedication. Who contribute regularly to the Yellow and Grey Envelope appeals and who passionately communicate the Foundation story. The vast inter-related family of District Deputy Grand Masters, along with their District and Lodge Representatives, but above all, you the Brethren.

Brethren and Families of Masons who have utilized the "Planned Giving" program of the Foundation.

I am a firm believer that besides the 30% members of each lodge, who are able and willingly actively attend the lodge meetings, there are another 30% of the most dedicated and loyal Brethren who are not able to attend lodge, due to infirmary, poor health, inability to drive, climb stairs and many other reasons beyond their control.

KEEP THESE BRETHREN in your thoughts, contact, as they are very dedicated Masons. The challenge for the Foundation is to reach each and every one of these dedicated Masons. The best way is through their lodges. Through you!

Ensure they all get the updated Foundation Annual Report, pamphlets, literature, and Foundation envelopes.

I want to recognize the regular and invaluable contributions that your Foundation receives from its Secretary, Melvyn J. Duke and his assistant, Kathy Crombie.

Please take the time to read the progress of research and charitable works funded by the Masonic Foundation of Ontario, in the 2016 Annual Report – YOUR FOUNDATION –AT WORK.

"Masons giving...For the Cause of Good".

I thank you for your confidence in me, to be able to continue to serve as the President of YOUR Foundation, and I look forward to visiting each of you, in your District, this coming Masonic year.

All of which is respectfully submitted on behalf of the Board of Directors, Officers, and Committee Chairmen of The Masonic Foundation of Ontario.

ALLAN C. (AI) DVORAK, President

## **REPORT OF THE BUILDING INFRASTRUCTURE COMMITTEE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Committee has the responsibility to ensure that all Lodges in the jurisdiction have completed their Fire Safety Inspection, did the required repairs where ordered by the Fire Service and have completed a Fire Safety Plan for the building. In the case where the building is under the control of a Temple Board or owned by a third party the Lodge is still responsible to see that the Inspection etc. is completed.

The objective of the Committee is to communicate to the Lodges through the District Deputies and solicit their support in achieving full compliance throughout the jurisdiction within the original guidelines.

Following the 2015 Session of Grand Lodge, an e-mail request from the Chairman of Building Infrastructure was sent to all District Deputy Grand Masters of our several Districts for the following information; the current municipal address of all the lodge buildings, the name and phone number of the lodge building contact person and the date of the last inspection of every Lodge building in their District. That information is now on file.

On January 15, 2016, an email was sent to the District Deputy Grand Masters of the first 21 Districts (Algoma to Ontario, inclusive) requesting the follow up inspection as per the original Lodge Building Compliance Policy with a reporting date set for March 15, 2016 and the inspection to follow as soon as possible thereafter. The scheduling of inspection dates and the subsequent inspections is currently underway. The remaining Districts will receive a similar request in January of 2017.

One of the goals of the Committee is to provide advice and assistance to any Lodge contemplating the construction of a new building or the renovation and remodeling of an existing building for lodge purposes.

The Committee will also be available to assist a lodge in the matter of the use and maintenance of existing lodge buildings by proposing changes that would assure the comfort, convenience and safety of our members and ensure compliance with Grand Lodge requirements.

In addition, the Committee will report to the Board of General Purposes and Management Committee on a regular basis, the condition of lodge buildings and make recommendations where necessary as to any proposed changes.

Respectfully submitted.

PERRY M. J. McCONNELL, Chairman

### **REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

A request for mutual recognition has been received as follows:

May 20, 2015 – The Grande Loge Nationale Togolaise, West Africa was founded June 6, 1992 and consists of 48 lodges with some 1500 members. Indications are they practice regular freemasonry. It is recommended the request be held in abeyance and monitor future progress.

May 28, 2015 – The Grand Lodge of Georgia (Asia) was consecrated by the Grand Lodge of Russia on March 14, 2015 and consists of three lodges. It presently has ‘sovereign jurisdiction’ issues which need to be addressed. It is recommended it not be recognized at this time.

April 7, 2016 – The Gran Logia de Bolivia was founded November 20, 1929, consists of 84 lodges with some 4700 members and practices regular freemasonry. It is recommended recognition be granted.

Respectfully submitted.

TERENCE SHAND, Chairman

## **REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Our committee has once again been very busy as we continue to respond to inquiries from various Lodges and Temple Boards whether through direction from the Grand Secretary, District Deputy Grand Masters or from Brethren looking for financial advice. We have and will continue to provide financial guidance as stipulated in our mandate.

Late last year, our Committee developed a financial questionnaire called the L4 form which was designed to retrieve financial information for the Condition of Masonry to help assist those Lodges and Temple Boards who need financial advice. This new form was developed to help standardize the financial information and to better understand the lodge's immediate financial issues.

Early reports from this new L4 form has our committee directing personalized financial advice to a number of lodges who have six or more members who are at least twelve months in arrears on their dues. We have put written suggestions that if followed will help the Lodge secretary and treasurer deal with this problem. We also used our FAC Fall Newsletter to explain the dues collection process plus how the L4 form works and why it was developed. The Committee feels that the various Newsletters already posted on the Grand Lodge website are great resource tools for the Lodge Officers. Thus to draw attention to the common financial issues facing lodges, we are in the process of setting up a user friendly index for our website to direct the Lodge Officer to specific financial suggestions to help him with their financial situation or to our committee for personal advice.

We are also dealing with twenty-one Lodges from the initial 2014-2015 L1 returns to the Condition of Masonry. These Lodges answered negatively to the question "In your opinion is your Lodge financially sound". So, a lot of time is being spent on financial stewardship.

Seminars and Workshops have shared with this Committee the survey results of our Grand Lodge Workshop at the last Communication in July 2015. It was most gratifying to see that 97% of the attendees indicated that our Seminar met their expectations and found the content excellent, timely and needed. The use of professional third party presenters enhanced the acceptance of the material at hand and the timely points that needed to be discussed. We have been directing many Temple Board inquiries directly to this seminar presentation found on the Grand Lodge website under the Finance Advisory Committee. We know of two Temple Boards who have hired our presenting professionals to assist them in updating their reporting and to bring their financial affairs in order. We have a Temple Board who has successfully followed all our suggestions. They have been able to pay off all their outstanding debts, reserved sufficient funds for the future and are once again functioning like a business.

We encourage Temple Boards to seek professional advice to ensure their reporting is done accurately.

We have been asked to be part of the Grand Lodge 2015-16 Tactical Plan to "Develop Financial Best Practices".

We have chosen three Best Practices for completion this year: **a Treasurer's checklist, an easy Financial Statement format, and a simple Budget process.**

The Finance Advisory Committee had also presented to the Management Committee a proposal for constitutional change regarding "Life Membership". Our submission has been held over for further review.

In closing I would like to personally thank each of the members of the 2015-2016 Finance Advisory Committee for their continued dedication to the craft and our committee, their professional expertise and insight into the financial challenges of our Grand Lodge.

Respectfully and fraternally submitted.

WILLIAM DAVID ARMSTRONG, Chairman

## REPORT OF THE COMMITTEE ON PUBLIC AWARENESS

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The following is a summary of the various activities of the Public Awareness Committee as it works on its objectives as well as those of the Strategic Plan Project 2015-02 as assigned.

Members of the committee continue to contact the Worshipful Masters and/or Secretaries of those lodges that have been granted dispensation for various events for the purpose of encouraging media coverage of those events and to request copies of any print media coverage to be forwarded to the committee. This has met with minimal success in that only a very few lodges have seen fit to forward that coverage. Typically, those who have sent anything are those who have been asked to do so during direct conversations with one of the committee. Apparently, many still do not see the need to invoke the assistance of local media when it comes to promoting their activities.

The committee for the 2016 IPM has been meeting regularly and is making great strides towards ensuring everything is in place for the event. The PA Committee will ensure sufficient and appropriate brochures are available for distribution/pick-up at the Masonic Tent on site.

The Camp Borden – Vimy Centennial Project has been completed. Attempts to secure financial support for this project through Grand Lodge and/or the Masonic Foundation proved unsuccessful. However, it was assigned a project number through MFO and donations from individuals and from lodges throughout the jurisdiction have been forthcoming, although to what extent is not yet known. The Ontario Mason Magazine included an article about the event in one of its earlier issues and other individuals have been promoting it during their travels within the jurisdiction. The official dedication and ceremony will have taken place by the time this Annual Communication occurs in July.

The PowerPoint Video on Media Relations video was submitted for review and based on the disappointing negative feedback received; the video is being temporarily shelved while its contents are reviewed. It is apparent that much more work is required in order to clarify the need for, and the content of, such a video as an aid to achieving the goals of promoting Masons and Masonry in a positive light throughout the province and in the development of a comprehensive five-year marketing plan for Grand Lodge.

A list of 100 famous Canadian Masons was generated from which approximately 50 were selected for brief biographical statements. The first group of these; have been submitted to the Ontario Mason Magazine for insertion in upcoming issues as the editorial board sees fit. Placement of these bios on the website will follow after the reworking/amending of the website is completed and placement on other social media will follow after further discussion among the committee members.

A list of a dozen or more key words associated with Masonry that could be used to trigger specific comments in “elevator talks” has been generated. Sample statements utilizing those words are in the process of being developed.

As chairman of the Public Awareness Committee, I would like to extend my personal thanks and appreciation to the members of the committee as well as those brethren who have volunteered to assist on the committee although not officially assigned to it. Your efforts and your input prove ever valuable.

Respectfully submitted.

RONALD L. FINDLATER, Chairman

### **REPORT OF COMMITTEE3 ON MASONIC EDUCATION**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

#### **CHAIRMAN'S REPORT**

##### **1. Ontario Masonic Education Conference:**

The OMEC was held at the Scottish Rite Building in Hamilton on Saturday, April 2, 2016. This was the best conference thus far, being sold out with 230 attendees that listened to seven excellent speakers:

- Dr. Ken Jones, Dean Emeritus, Rogers School of Business, Ryerson University on “Team Building”
- Prof. Nancy Lucas, Adjunct Professor, Steinhardt School of Culture, Education & Human Development, New York University whose topic was “Emotional Intelligence”

The Masonic speakers were:

- R.W. Bro. David Cameron, FCF – “Our Masonic Ritual as a Lesson in the History of Metaphysical Thought”
- V.W. Bro. Daniel Glenney, Grand Archivist – “The Masonic Life and Times of R.W. Bro. Sir John A. Macdonald”
- R.W. Bro. Michael Jenkyns, Grand Historian – “Triumph of Sword and Trowel”
- Bro. David Yates – “The Great Storm of 1913”
- R.W. Bro. Al Dvorak, President, Masonic Foundation of Ontario – “Prostate Hope – The Grand Master’s Project”

There were 16 Grand Lodge Officers in attendance including two Past Grand Masters, M.W. Bro. Don Mumby and M.W. Bro. Garry Dowling. In spite of a few technical and refreshment issues, the surveys showed a 95%+ positive rating of the Conference and the Scottish Rite management made concessions to our costs which we appreciate very much.

The Conference profit will result in a \$100 donation to The Masonic Foundation of Ontario - Prostate Hope Project #2550 in the name of each of the five Masonic speakers and the videographer, Bro. Milan Cobanov. As a thank you to Dr. Jones and Prof. Lucas, we gave them each a picture book on Hamilton, its people and history. The profit from the Conference of \$3,728.21 will be sent separately to The Masonic Foundation of Ontario - Grand Master’s project #2550, Prostate Hope.

Most participants expressed a desire to have more Masonic Education Conferences at the Scottish Rite building.

##### **2. IPM's Letter from the Grand Master:**

R.W. Bros. Walter Rawlins and Dario Mancuso are working hard to get this letter (which thanks the new IPM for their service and exhorts them to take the FCF or PM's

course) to every new IPM. They are continually dealing with DDGM's and Lodge Secretaries who do not seem to get the concept; for example, that the DDGM's ask the Secretary of every Lodge to send to Walter and Dario the name and email/address of every newly invested IPM immediately after the Lodge's Installation. What they often get is a list of names of every IPM in the District at the present time. Perhaps this is something that could be explained to the DDGM's at their orientation sessions after the Annual Communication.

### **3. PM's Tutorial Initiative:**

I have started working with the College of Freemasonry to use Mentors and College graduates to work in their own areas, across the Province, to form study /tutorial groups to help those requiring completion of the PM's course to be constitutionally eligible to run for election to a Grand Lodge office. This will help to remove the reluctance, due to anxiety and/or fear of failure that many Brethren, even senior Masons, are expressing. The questions are discussed, and the participants are guided to the proper resource references and then they must compose their own individual responses. Hopefully, this will increase the number of candidates running for election in all Districts. Some Masons have already formed study groups on a local basis, but this initiative would strive to streamline and homogenize a consistent approach to this situation.

### **4. Strategic Imperative: Craft Stewardship Project 2015-05**

#### **Project Plan: Educational Videos**

##### **"Creation of educational videos to supplement the work of the College of Freemasonry"**

There seems to be a disconnect between the long name above and the Strategic Goal #3, which states, "Create high quality educational programmes and training courses for all brethren of the jurisdiction."

We feel that creating educational programmes and training courses for "ALL" Brethren in the Jurisdiction is not necessarily the same task as creating educational videos to supplement the work of the COF!

The opinions of the Principal and Secretary of the COF are that the Q and A format of the College modules, using the standard reference texts of The Book of the Work, The B of C, Meeting the Challenge, Penetrating the Veil, Masonic Manual, etc. works very well and will not be enhanced by using videography "to supplement its work or to improve the tried and true process, which provides one-on-one mentoring to candidates as required. When a student has to provide an answer to the module questions, how is a video going to help him to do simple research such as looking up references to support his answer??

The Masonic Education Committee (MEC), however, felt that there would be great educational benefit to be gained from videos on the following topics:

#### **A. The Masonic Memorial Service:**

This is one of the most important and public functions we do as Masons and it is often done poorly in front of the public which does nothing to enhance our public image.

#### **B. Proper Protocol at the Banquet Hour:**

This video would re-enact a proper banquet hour from start to finish, with commentary on the timing of toasts and responses as well as the order of line-up and procession of the Head Table. The video would also include the proper introduction of the Head Table in the correct order.

#### **C. New Member Orientation:**

Lodges rarely provide the newest members in The Craft with basic information on what took place during his initiation and/or what the elements of the ceremony mean. This would dovetail and complement R.W. Bro. David Cameron's Strategic Plan Project 2015-03 and could be posted on the GL website, available with a password. It would cover:

- i. A brief history and evolution of Craft Masonry
- ii. The structure and organization of Grand Lodge and the Jurisdiction
- iii. A description of the Lodge and the District organizations
- iv. Highlights of some of the more interesting GL committees

- v. Masonic and community involvement, including The Masonic Foundation
- vi. The importance of Masonic visiting, locally and internationally
- vii. The basic symbolism used within the lodge
- viii. The duties of the various officers in the lodge
- ix. The progression of chairs in the lodge, etc.

#### D. Leadership:

A motivational video would greatly support the Leadership Development Committee using some of the material that will come from the revised COF Leadership Modules.

Possibly use of excerpts from Dr. Ken Jones' (and other) presentations would combine the MEC and LDC in a synergistic, uplifting discourse on leadership development and how to progress with it.

At a meeting of the Masonic Education Committee on September 13, 2015, there was a lot of discussion as to the security of posted videos (even on the GL website) and the participants, therefore, agreed that nothing concerning actual ritual work should be video graphed at all.

R.W. Bro. Geoff Allan and I have met with Bro. Shawn Maher, a professional, Juno award winning cinematographer to produce two videos for us to start with:

- The Masonic Memorial Service
- The Banquet Hour Protocol

The storyboards for these two videos are ready to go and the Protocol and Etiquette Committee will be called upon to ensure that everything is done properly. The venue will, most likely, be the Scottish Rite building in Hamilton and both videos can conceivably be video graphed in one day. We will seek Masonic "actors" as required. The videos will be produced in High Definition with the use of drones. The films will have a video graphed welcome/introduction by the Grand Master. Editing, voice-over and music will take place before release for approval. Hopefully, after being approved by the Management Committee and the Board of General Purposes, the filming will be done in the fall of 2016.

Production of videos on "New Member Orientation" and "Leadership" should be considered in the future.

#### 5. Essay Contest

In partnership with the Ontario Mason Magazine, the College of Freemasonry launched an Essay Contest on the topic "Why I am a Mason". With this venture, we were hoping to garner articles for publication in the OMM and the Reflections Newsletter. The prizes for the contest winners are two Arts & Sciences courses for first and second place and a PM's course for third place (if the third place winner is indeed a PM) along with a Masonic Manual signed by the GM and the DGM. 22 essays were received from 12 Districts and seven judges picked the three finalists who are:

First Place: Bro. Edward Hartman, Ashlar Lodge No. 610, London West District

Second Place: Bro. Christopher Coome, Richardson Lodge No. 136, York District

Third Place: Bro. Brian Chaytor Jr., Claude M. Kent Lodge No. 681, Hamilton A District

Congratulations to all of the participants!!

#### BOOK SALES

I hereby submit my report as "Book Sales Team Leader" for the Masonic Year 2015 – 2016. I would like to express my gratitude and appreciation for being able to serve as Team Leader for a third term.

I must emphasize that it was prudent to establish two categories of Masonic publications;

- a) Publications by Grand Lodge of A.F. & A.M. of Canada and
- b) Non-Grand Lodge publications and issues.

It was imperative to pursue the above classification based on the fact Grand Lodge has direct communication with its publishers and content of its publications, whereas non-Grand Lodge publications are produced or published by other jurisdictions and publishing

organizations of which our Grand Lodge has no jurisdiction over, and purchase of these publications are pursued through an agent or an established distributor.

During the Masonic term two letters were sent to the District Deputy Grand Masters in the Jurisdiction requesting them to disseminate to the Masters and Secretaries of the Lodges the attachments which indicated what publications is available at Grand Lodge, the result was overwhelming. Another contributing factor to increase in sales is the requirements of student materials for anyone pursuing the Freemason Course. As a result it became necessary to expedite the reprinting of the publication "Whence Come We". In addition to correspondence to the Lodges Grand Lodge staff has worked diligently to maintain a current listing of books on the Web site.

Another significant factor towards the increase of book sales this term was the presence of books at the 2016 Ontario Masonic Education Conference held in Hamilton at which over 200 delegates attended. At the event there were 31 titles of both Grand Lodge and Non-Grand Lodge publications available for sale at the end of the day 28 titles were sold.

The Staff at Grand Lodge has indicated an increase and a demand for books, particularly Grand Lodge publications. As result efforts are made to have the majority of existing publications be created in an electronic format thereby decreasing the time of reproduction and making of such readily available.

As a standing mandate of the 'Book Sales Team Leader' to establish a table for the sales of books at annual Grand Communication I am pleased to report that the process of same is well in progress for the 2016 Annual Communication. An order of 37 titles has been placed with Books Galore with delivery to Grand Lodge in June. In addition to these books which are non-ritualistic will be Grand Lodge published manuals and issues.

In concluding, I must report that the cost of Non-Grand Lodge issues and or publications is increasing due to the global financial market which may place the price of a publication extremely high, hence, reducing the number of copies to order. Two factors affecting such cost are US exchange rate and shipping charges. It is also interested to note that there are very few Canadian writers or publishers on the subject of Freemasonry thereby placing us to seeking material from the US and overseas. With the above in mind it is becoming a more difficult to maintain a full complement of Non-Grand Lodge publications. However, we are working diligently with the staff at Grand Lodge to sustain an adequate supply of material and fulfill any request to the best of our ability and knowledge.

### REFLECTIONS NEWSLETTER

The past year has been one of change and transition for the Reflections Newsletter. Responding to the economic realities of increased publishing and mailing costs combined with the steady attrition of subscribers, Reflections has evolved from a hard-copy publication to a digital newsletter in the Ontario Mason Magazine.

Reflections has always been positioned as a newsletter "for the Masons of Ontario by the Masons of Ontario" and with the latest changes, that voice will reach a substantially larger audience through the Ontario Mason Magazine at no cost. The overall response to this transition by the former subscribers was met with enthusiasm and encouragement. The majority of the paying subscribers (96%) agreed to donate the balance of their subscriptions to the Masonic Foundation in favour of "Prostate Hope" Project #2550. This amount totalled \$616.50, for which I extend my sincere thanks.

The Reflections Newsletter is now exposed to a much larger audience and its continued success will greatly depend on the support from our brethren. Reflections will continue to serve as a '*clearing house for ideas*'. I strongly encourage our brethren to indulge us with their thoughts and notions so that we may all share in the rich knowledge and insight that has been enjoyed since the publication's inception in 1981.

Respectfully submitted.

## COLLEGE OF FREEMASONRY

This past year has once again been very busy for the College of Freemasonry. I start this report with milestones of the College students.

The first is a list of those graduates who through their hard work and perseverance have completed their advancement in Masonic Education by completing the Masonic Arts & Science course and have earned the appellation “FCF”. Congratulations to each of you!

We also wish to announce the recent retirement of R.W. Bros Paul Woods and Glen Krueger from mentoring. They have put in many good years in helping the future leaders of our Craft. Thank you both for your time and dedication to the brethren of our jurisdiction.

This past year, we have updated the course content and assignments are being assessed as ‘completed’ or ‘resubmit’ rather than with grades to reflect those changes in our Constitution during the previous Annual Communication of Grand Lodge. The College endeavours to be in compliance with the Constitution as changes occur and grow with the demands of our Grand Lodge. Lastly, we are working with the Leadership Committee to update the Leadership module.

This is also the first year that we welcome those brethren seeking a position on the Board of General Purposes to the list of students who must complete the Past Master's course. They have proven their skills and have demonstrated that they are willing to lead by example.

The College has also added to its curriculum a module on "Esoteric Studies" last year, which may be taken as a module of interest and is not a part of the established courses of study. I wish to inform the brethren of our jurisdiction that his module is currently available to be enjoyed by all Master Masons.

I wish to thank the administrative team of the College of Freemasonry for the running of the day-to-day operations: R.W. Bro. Rick Cadotte, FCF, Principal, Bro. Mark Kapitan, FCF, Secretary/Mentor Coordinator, R.W. Bro. George Warner, FCF, Treasurer, and W. Bro. Adam Thompson, FCF, Research & Development. I also wish to thank R.W. Bro. Rick Cadotte for preparing this report for the preliminary proceedings.

## **REPORT OF THE BLOOD DONORS' COMMITTEE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The **Goals & Objectives** of this committee this year were:

1. To promote and encourage Masons, their families and friends to give the gift of life when able to do so.
2. To assist and improve awareness of the need and use of blood and its by-products to the brethren, their families and friends within their community.
3. To raise the awareness of and encourage their brethren, family and friends to consider participation in the Unrelated Bone Marrow Donor Registry.
4. To establish and support a viable relationship with the Canadian Blood Services.

### **Progress towards objectives**

I'm pleased to report that the Masons of Ontario have made a major contribution to the cause of blood supply in the Province in the past year. Through the efforts of the District Chairman and the many lodge volunteers they have collected just under 11,000 units of blood from Masons, their families, friends and neighbours. Well done brethren. These are significant contributions to the well-being of the people of Ontario (and in the case of Western District, of Manitoba!)

I have reorganized this mandate. A large committee is not necessary as all of the actual work is done by District Chairmen. The main task is to keep records of the contributions of members, Lodges and Districts and ensure appropriate recognition. This can be done by one person using his energy and time communicating by phone, e-mail and a regular newsletter.

A monthly newsletter, "Donations Monthly", has been widely distributed and published on the Grand Lodge web site. It serves as a vehicle for information on the history and uses of blood donation as well as recent advances. It also enables dissemination of news of best practices and achievements by Ontario Masons.

I have encouraged **all** contributions to be recorded and reported; not only donations through Partners for Life. This program has not been widely understood. Steps have been taken to correct this through the newsletter and regular communications with District Chairmen. However, as can be seen in the table below, there is a large difference between

the numbers reported by the districts and those that Canadian Blood Services report in the PFL program. By only reporting the latter numbers the efforts of the brethren to ensure blood collection do not receive credit. In fact, if all we consider are the raw numbers, 64% of all donations and the huge efforts made by Masons and Lodges in organizing and staffing clinics would not be credited.

Because we have relied on an unreliable method of recording donations and abandoned the original one (that of providing a register) it is impossible to accurately record our yearly totals. The table as presented shows the number reported by the district and that by Canadian Blood Services through Partners for Life. Given that, I believe it is as accurate as possible. However, in the words of Albert Einstein, " *As far as the laws of Mathematics refer to reality, they are not certain, and as far as they are certain, they do not refer to reality*".

In fact, whole districts are ignored by the old approach. Western District for example has a very active blood donor program; so has Temiskaming District. Neither had received any recognition for their efforts. Neither had Eastern District; nor Ottawa 2 where PFL reported 20 donations and there were actually 1324 (of which 777 units were collected by one Lodge, Pembroke Lodge No.128, at the 5 clinics they put on).

Despite these difficulties, the numbers as reported, and the awards given this year, reflect a continued high degree of involvement of Ontario Masons in the realm of blood donation.

These statistics only tell part of the story. Many lodges and individuals spend a lot of time and effort in this task and many go unrecognized. There are two (Masonic AND Blood) brothers in Hamilton B District who have donated between them over 650 units but specifically requested that they not receive any recognition preferring, in the words of the general charge to the brethren of our installation ceremony, to "*retire into the multitude because they did the good act, not for themselves, but for the cause of good*". I know that there are many like them, too many and impossible to count, who make a major difference to the cause and of whom we should all be proud.

We as masons know that what you do for others and being a good citizen truly impacts the society we live in; it is not how you control the lives of others but how you bring relief to them when it is needed. A mason knows there is no high destiny without earnest perseverance and no greatness without self-denial. W. Bro. Ed Harry has demonstrated both of these elements. He has given the gift of life 216 times and though he is no longer able to donate he continues to volunteer with the rest of Victoria Lodge at the Napanee clinic and serves as his Lodge Blood Donors Chairman. He has taken the time pass on his values to his Children, as a family they have combined to donate a total of 431 times. If you think of the number of lives that were touched and benefitted from what he and his family has done it is easy to say that "he doth bestride the narrow world like a Colossus". It is also why W. Bro. Ed Harry is someone that I am "Proud to call a Brother".

Chris Hare of Western District who, in their 80s, carried on the devoted work of R.W. Bro. Ed Devins.

V.W. Bro. Roy Yandt of Pembroke Lodge No. 128, Ottawa District 2 St. James' Lodge No. 73, South Huron District The brethren of Coronati Lodge No. 520 who have their own web site for blood donations and their own PFL number!

Thank you to all of the District Chairmen. Your task is not an easy one as often you struggle to obtain the information you need. Nevertheless, your efforts are recognized and the work that you and your brethren do in arranging and staffing clinics is a source of great pride to us all.

Thanks are also due to the many volunteers, who are not masons, but who assist our efforts by their work in the clinics

I apologize to the members of the Blood Donor committee. You were not called upon to help in that capacity this year although many of you also served as District Chairs. It was not through neglect of your previous contributions but it was an effort to demonstrate that a large committee structure is unnecessary to our task. This will be evaluated in the months to come.

**Recommendations**

- That efforts need to be made to strengthen the work of the District Chairmen. Incoming District Deputy Grand Masters are urged to continue to appoint men who are interested in the task, experienced if possible and willing to work hard to ensure maximum blood collection in their District. It should not be done as only a stepping stone to higher office.
- That efforts are made to publicize the Partners for Life program so that all Masons are familiar with how to register and use it.
- That the work of Masonic Blood Donation be assigned to one person who will coordinate and lead the efforts of the District Blood Donor Chairmen. No committee need be appointed and the Coordinator need not necessarily be a member of the Board of General Purposes.

Respectively submitted.

JOHN FORSTER, Chairman

### **REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the report from the Committee on the Condition of Masonry to this One Hundred and Sixty-first Annual Communication of Grand Lodge. It has been my distinct pleasure and honour to lead this Committee of dedicated, knowledgeable and experienced masons. The constitutional mandate of the Committee is to, "examine the reports of the District Deputy Grand Masters and to study the condition of Masonry in

General and make recommendations arising there from for the benefit of the Craft”<sup>1</sup>. Herein are the recommendations derived from our examination of the reports of the forty-three District Deputy Grand Masters and our study of freemasonry in general.

This report details three specific recommendations to address significant issues that the Committee has identified. The Committee’s recommendations are detailed in this report, the following is a summary of the recommendations:

- 1) Given that there has been an increase in the number of lodges that self-declare they are not financially sound and that there has only been nominal progress in the number reducing the number of members twelve months or more in arrears, the Committee continues to recommend that the Financial Advisory Committee contact all lodges that have responded that they are not financially sound. And, that the lodges issue invoices to their members to collect dues. Lastly, that the Constitution be amended to automatically suspend members twelve months in arrears and that a report of outstanding dues be presented at the Ceremony of Installation.
- 2) Planning for the future is essential to our continuing existence, therefore this Committee recommends that Grand Lodge make more readily available in-person workshops on the topics of Long Range Planning and the Preparation of a Lodge Budget.  
We further recommend that the appropriate Committees of Grand Lodge be given the following mandate; to ensure that 75% of lodges have a 5 year Long Range Plan that includes a 5 year budget for the lodge, by the annual communication to be held in 2020.
- 3) The third recommendation addresses opportunities to improve our Communications. We recommend to the Communications Committee that they explore alternative channels to deliver Grand Lodge newsletters, correspondence and information directly to the masons of our jurisdiction. And, that the Communications Committee continues to consolidate and streamline communications. Specifically, they explore the implementation of a single “communication” that would include all newsletters, communiqés and announcements.  
We further recommend that Grand Lodge office continue to increase the use of electronic communications (email) with the Lodges of this jurisdiction.

## **THE CONDITION OF MASONRY<sup>2</sup>**

As Chairman of the Committee on the Condition of Masonry I am pleased to report that I have received all reports in accordance with Section 104 (b) of the Book of Constitution from the forty-three District Deputy Grand Masters.

The “L Forms” continue to be submitted on-line using survey technology. Reports to the Committee on the Condition of Masonry are to be submitted within 14 days following the Official Visit<sup>3</sup>, 93% of the reports are received within the prescribed timeline. The Committee wishes to express their thanks to the District Deputy Grand Masters, District Secretaries, Worshipful Masters, Lodge Secretaries and Treasurers for their efforts in completing and submitting the “L Forms” to the Committee in a timely fashion. We also wish to acknowledge the following Districts for achieving 100% on-time submission of all reports; Algoma East, Bruce, Chatham, Erie, Georgian South, Hamilton A, Hamilton C, Niagara B, Sudbury-Manitoulin, Toronto East, Wellington, Wilson South, Windsor and York. In many cases the Districts not achieving 100% were because of only one or two tardy submissions, congratulations to all!

The members of the Committee, to whom I wish to offer thanks personally and on

<sup>3</sup> Sec. 104 (b) Book of Constitution

behalf of Grand Lodge for their service, and their willingness to share their time and talent so freely, review all reports. The intent of the review is to assess the Condition of Masonry within the lodge and to form a consolidated view of the condition of masonry of our Grand Lodge. I beg to report that 46% of our lodges meet or exceed the expectations of the Committee in our quest to *ensure the timeless vitality of Freemasonry in Ontario*. This represents a 19% fewer lodges achieving a satisfactory rating this over last. With the introduction of the L4 Form the Committee has been provided a greater level of financial detail. Previously lodges submitted their financial statements, which contained various levels of detail and in a variety of formats. The standardized and specific financial information contained in the L4 provides for a consistent and complete review of the financial status of the lodge. As the Committee is now provided standardized and relevant data together with refining the criteria to evaluate the health of the lodges has contributed to fewer lodges being rated satisfactory.

Once again the Committee has published the aggregated anonymous data collected via the “L Forms”. This report is available to every member on the Grand Lodge website (Members Area) in electronic (PDF) format for download.

In closing, it is my pleasure to serve this Grand Lodge and on behalf of the Committee to make the recommendations herein for the benefit of the Craft to ensure the timeless vitality of Freemasonry in Ontario.

Respectfully submitted on behalf of the committee.

RICHARD KAUFMAN, Chairman

## DETAILS of RECOMMENDATIONS

- 1) There are certain foundational pillars that must exist to underpin success in all of life. One of these pillars is financial stability. This is true of every organization, government and family. We as Freemasons must also build a strong and stable financial foundation in our Lodges and Grand Lodge to *Ensure the Timeless Vitality of Freemasonry in Ontario*.

The Committee having reviewed the complete reports of the District Deputy Grand Master's (includes the L1 – completed by the Lodge Secretary, L2 – completed by the District Secretary, L3 – completed by the District Deputy Grand Master and L4 – completed by the Lodge Treasurer) found that 12% (59) of our Lodges when asked, “Is your Lodge financially sound?” responded, “No”, they do not consider the Lodge financially sound. This represents a 3.2% (12) increase in self-assessed financial instability amongst our Lodges. This is at best a troubling trend, which we must make every effort to curb without delay!

Further, the Committee continues to be greatly concerned by the number of Lodges that have members with dues more than twelve months in arrears. This year 28.8% of our Lodges report that all dues are collected! While 351 Lodges in this jurisdiction are owed \$ 348,427 in outstanding dues! (Average \$992.67 per lodge) Although these statistics represent a modest improvement over the previous year of 1.9% more of lodges that have all dues collected and a reduction of \$ 43,376.00 (11%) in the amount owed to the lodges, reducing the average owed to each lodge by \$ 72.83. However, given the magnitude of both the number of lodges with outstanding dues and the amount owed these gains mark only nominal progress towards overall financial health throughout our Grand Lodge.

The issue of outstanding dues is not a new one. The following excerpt from the Proceedings of Grand Lodge in 1964 continues to be our reality in 2016. “*The amount of arrears of dues in some Lodges should be a cause of concern, and, while this was brought to the attention of the various Secretaries during the year, a greater effort must be made by the officers of some of the Lodges in*

*bringing this under control.”<sup>4</sup>* It would seem that we have not taken this issue as seriously as we should have over the years.

The issue of outstanding dues was again addressed in 1998 in a report from an ad hoc committee on the Condition of Masonry in the Hamilton Districts, which was submitted to M.W. Bro. William Anderson, Grand Master. This report made the following comments; “*While acquiring data, committee members noted several lodges who were carrying many members in arrears beyond three years. This could distort membership data and is an extra burden to those lodges. Invoicing for dues and rigorous action toward delinquent members should be part of the sound businesslike practice of every lodge.*”<sup>5</sup>

Given that the practice of invoicing members for their annual dues is recommended<sup>6</sup> by the Financial Advisory Committee in the May 2015 issue of *The Financial Advisory* newsletter the question of invoicing members was included in the L4 this year. The results show that 61.7% (304) of our Lodges invoice their members their annual dues.

The review of the various comments received by the Committee attribute the current concerns for our financial stability to two factors. The first the decline in membership, the second the expenses incurred in both the maintenance and capital repairs and improvements associated with operating their buildings. These issues are real; membership is declining at about a rate of 3% per year, not unlike all fraternal, community and faith organizations. No one will dispute the significant dollars required to own, operate and maintain a building.

The suggestion that declining membership is the cause of the financial issues a lodge may face is somewhat disconnected. Although there is a direct relationship between the number of members of a lodge and the finances of the lodge, this relationship is only to the extent to which the expenses of the lodge must be shared among the membership. For example, if the total lodge expenses are \$ 100 and there are 10 members, each member is allocated \$ 10.00 of the expenses. If, the lodge membership is reduced to 8, each member’s allocation becomes \$ 12.50. The issue is not declining membership rather it is a lack of attention to the lodge budget and long-range plan. The answer to the concerns associated with the operation of our buildings is the same, a lack of attention to the lodge budget and long-range plan. The comment was made that “we are a fraternity, not a business”, there is however a business component to our fraternity. There are several elements that contribute to the “well ruling and governing” of a lodge, one of those elements are finances.

Therefore, this Committee makes the following recommendations to improve the financial stability of the Lodges: the Financial Advisory Committee continues to contact all Lodges that have responded that they do not consider the Lodge financially sound when completing the Condition of Masonry Reports, in order to offer assistance and support their efforts in their attempt to return to financial soundness.

We further recommend that all Lodges adopt the practice of issuing an invoice, separate from any other correspondence including the lodge summons to their members. Such invoices should be issued a minimum of one month prior to the

beginning of the masonic year in which the dues are payable, and should include any arrears owned by the Brother.

We further recommend that Section 199 of the Book of Constitution be amended to automatically suspend any Brother who has not paid his dues in accordance with Section 199 of the Book of Constitution. This amendment would include due notice to be provided to the Brother in advance of such suspension and notification of having been suspended.

We further recommend that Section 299 of the Constitution be amended to include a report of outstanding dues. Such report would include the name(s), amount(s) and year(s) for which dues are outstanding at the time of the Installation and Investiture of the officers of the Lodge. This report would be presented with the financial report of the Lodge to the Installing Master, who would deliver it to the Master-Elect after being duly installed. (After the closing of Lodge)

- 2) It has been said, "If you fail to plan, you plan to fail." The topics of a Lodge Budget or a Long Range Plan may be viewed as unnecessary, overly administrative or may be "unmasonic" by some. As only 52.5% of the Lodges report having a Long Range Planning Committee and only 23.8% report having a written plan, it would appear that we are failing to plan. However, 63.1% of our Lodges report preparing a budget for the Lodge, but 30.5% of the Lodges do not use or follow the budget they prepare!

The preparation of Long Range Plans and Budgets is time consuming and requires some modest skills and abilities. Grand Lodge offers resources to the Lodges on both these topics, available on the Grand Lodge website or by contacting the Financial Advisory Committee or the Strategic Planning Committee. Planning is not a guarantee of success; it does however improve the likelihood of success.

Therefore, this Committee recommends that Grand Lodge make more readily available in-person workshops on the topics of Long Range Planning and the Preparation of a Lodge Budget.

We further recommend that the appropriate Committees of Grand Lodge be given the following mandate; to ensure that 75% of lodges have a 5 year Long Range Plan that includes a 5 year budget for the lodge, and that this plan is reviewed and updated on an annual basis. This goal to be achieved by the annual communication to be held in 2020.

- 3) Over the years "Communications" has been a top priority for our Grand Lodge. Effective communications is another of those foundational pillars that must exist to underpin success in our organization. Great leaders are most often great communicators. Strong organizations are the result of effective communication with its members. Email continues to be the primary and most used method of communication by our lodges (84.1%). However, our Grand Lodge office continues to rely heavily on the use of surface mail as a channel of communication with the lodges.

The Committees of our Grand Lodge exclusively use email to distribute their various newsletters and materials. The primary method of distributing these materials to their intended audience, individual masons, is what might best be described as an email tree. The email tree relies heavily on the District Deputies/District Secretaries **and** Lodge Secretaries to deliver materials to their

individual members. Notably, two publications of Grand Lodge develop and maintain independent (email) mailing lists of individual masons, not relying exclusively on the email tree strategy. (Protocol & Etiquette & Ontario Mason Magazine).

This year's L1 included questions asking the lodges to rate the effectiveness our email tree approach to the distribution of communications. Seventy-Four percent (74%) of lodges rated this method of communication as effective. Although a positive response it does leave room for improvement in the communications to our individual members. This positive response may be attributed to a lack of viable alternatives to the current approach. Furthermore, most often the "L Forms" are responded to by a small group within the Lodge, often consisting of only the Secretary, Treasurer and Worshipful Master. This group being the recipients and "gatekeepers" of the final communications to lodge members may well be satisfied with the email tree approach to distribution of Grand Lodge communications.

Continuing on the theme of communications, the "L" Forms enquired regarding the expanded use of electronic (email) communications to correspond with and conduct business with the Grand Lodge office. (L1 – Question, Section F, #19) The response to this question was overwhelmingly in favour (96%) of expanding electronic (use of email) communication with the Grand Lodge office. (Such as the submission of the Return of Officers and Semi-Annual Return via attachment to an email).

Therefore, this Committee recommends that the Communications Committee explore alternative channels of communications to deliver Grand Lodge newsletters, correspondence and information directly to the masons of our jurisdiction. The Committee acknowledges the efforts of the Communications Committee as they have introduced both an "Events" and "Resources" Digest. The Committee applauds the effort of consolidating information into a single email and supports the continuation of the continued consolidation of our communications. We also support exploring other channels of communication beyond email. These may include, web postings, the use of social media and on a limited basis traditional print and post in the pursuit of improving our communication.

We further recommend that the Communications Committee continue to consolidate and streamline communications. Specifically, that they explore the implementation of a single "communication" that includes all newsletters, communiqués and announcements. The current ad hoc release and distribution of Grand Lodge communications can create information overload, with numerous emails there is the potential for recipients to simply begin to ignore this particular sender. A single monthly email from Grand Lodge containing all the various communications would be beneficial to our membership.

We further recommend that Grand Lodge office continue to increase the use of electronic communications (email) with the Lodges of this jurisdiction. Given the overwhelming positive response it may be viewed that electronic forms of delivery should be the default form of communications. This Committee acknowledges that electronic forms of communications cannot become our exclusive method of communication, but may become the method of choice.

The implementation of further electronic communications (email) may involve modification to our procedures as they relate to applying the lodge seal and

signatures to various documents that are submitted to the Grand Lodge office. Given the positive response to this question, it could be assumed that the membership would be supportive of the necessary modifications to support the increased use of electronic communications (email).

## REPORT OF THE COMMITTEE ON STRATEGIC PLANNING

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The work of the Strategic Planning Committee (SPC) has been focused on the Annual Tactical Plan, Key Performance Indicators, and Committee Mandates.

### MONITORING AND REPORTING ON THE 2015 - 2016 ANNUAL TACTICAL PLAN

Again this year, the SPC monitored the progress of the eight Tactical Plan Projects approved at the 2015 Annual Communication. At each of the reporting deadlines, the SPC reviewed all submissions and provided our assessment and recommendations to the Deputy Grand Master. Project close out reports submitted by the Committee Chairmen were assessed based on each project's stated deliverables and measurements.

Six of the eight projects were completed by the April 30 reporting date, including:

- 2015-01; Grand Lodge Privacy Policy
- 2015-04; Re-write of College Leadership Module
- 2015-05; Proposal for Educational Videos
- 2015-06; Central Investment Programme
- 2015-07; Finance Advisory Best Practices
- 2015-08; Cornerstone Incremental Recognition

Two are multi-year projects and will continue into 2016 - 2017, including:

- 2015-02; Five Year Marketing Plan
- 2015-03; Unified Resource for Candidates

Based on the outcome of work done in the past year, the SPC is recommending new projects for 2016 - 2017 to ensure the necessary next steps are taken for projects 2015-01 and 2015-05.

### CREATION OF THE 2016 - 2017 ANNUAL TACTICAL PLAN

Input for the next Annual Tactical Plan was solicited from Members of the Board of General Purposes as well as taken from past survey results, Condition of Masonry reports, Fraternal Correspondence reviews, and the 2015 - 2016 Tactical Plan. A list of potential new projects is being developed and will be evaluated and prioritized resulting in the 2016 - 2017 list of projects.

### KEY PERFORMANCE INDICATORS

Key Performance Indicators and Projections are intended to report on the overall health of the Craft in Ontario and focus on membership under two key headings which are within the influence of our members; Total Membership and Candidate Advancement.

The table below shows the last ten years of actual membership data (2005 to 2014). Data for the years 2015 to 2019 are projections.

| Year | Initiated | Passed | Raised | Joined | Restored | Resigned | Deaths | Suspensions | Adjustments | Membership@<br>End of Year |
|------|-----------|--------|--------|--------|----------|----------|--------|-------------|-------------|----------------------------|
| 2005 | 1,313     | 926    | 847    | 951    | 142      | 1,307    | 1,710  | 702         | -2          | 54,837                     |

| 2019 | 1,156     | 820    | 809    | 312    | 138      | 1,041    | 1,050  | 965         | 98          | 34,601                     |

#### Committee notes:

- The jump in initiations in 2010 and 2011 may be as a result of the Dan Brown novel "The Lost Symbol". When using a five year history base to calculate projections these years created an unrealistic view of future decline in initiations. As a result, we have used a ten year history base for this table which is a change from previous years.
- Projections are showing a positive trend in Candidate Advancement through their degrees. After experiencing a low point in our history in 2010 and 2011, projections are showing a rebound in this area. We are still showing weakness however, in progression from EAM to FC at only 71 percent.
- The SPC wishes to highlight the impact of Demits (Resigned) and Suspensions. These are statistics which are, to some degree, within the influence of all lodges. If we could reduce the combined total of these factors by half, the overall decline in total membership would effectively be eliminated. As an example, if the Demits and Suspensions were cut in half for the years 2015 to 2019, the 2019 End of Year Membership projection would be 39,493.

#### COMMITTEE MANDATES

At the request of the Deputy Grand Master, the SPC conducted a review of all Grand Lodge Committee Mandates. Each Chairman was asked to evaluate how well the current mandate aligns with the work being done by the committee. Feedback was received and discussed and a final report with recommendations was submitted to the Deputy Grand Master in January of this year.

Respectfully and fraternally submitted on behalf of the Committee: R.W. Bros. Robert E. Collins, Geoffrey S. Allan, W. Bro. D. Brent Julian.

STEVEN E. WARREN, Chairman

## **REPORT OF THE COMMITTEE ON BENEVOLENCE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Grand Lodge Benevolence Committee I am pleased to issue this report for the year ended April 30, 2016.

I wish to report that the Committee approved 8 applications for benevolence totaling \$32,100 over the past year. Although all the applications assisted with some type of financial situation, five in particular involved health issues that contributed to these matters. We were heartened to learn that the respective lodges also contributed to their members needs and in one instance a lodge and district raised funds in excess of \$10,000 to support the family involved.

As a result of an extensive review of the Constitution by the committee as a whole, over a period of time, amendment to "Part VIII – Regulations" of the Constitution were submitted for consideration during Grand Lodge in July. It is hoped that these amendments will better reflect the operations of the Benevolence Committee and encourage the timely processing of applications. In the event that forgoing amendments are approved, the next step would be the revision of the Benevolence Manual and the Application Form.

At the request of Waterloo Lodge a presentation on Benevolence was given by committee member V.W. Bro. Joe Whiteley on April 6, 2016. This was a first for the Committee and Lodges and Districts are encouraged to request similar presentations in the future.

The Constitution limits the amount that can be distributed in any one year to the net income from Investments (Interest and Dividends). Donations from the membership are encouraged as are legacy gifts.

Detailed financial information regarding the Memorial Fund (aka "Benevolence") can be found in the Auditors Report and Financial Statements of "Grand Lodge" for the year ended April 30, 2016.

The participation and contribution of Lodges and their membership, both in time assisting members in need and providing funding to same, is gratefully appreciated and acknowledged.

The District Benevolence Chairmen provide a vital service by: approving applications before they are submitted to Grand Lodge; advising Lodges on Benevolence and encouraging donations to the Benevolence Fund.

The Committee would like to express their appreciation to Mrs. Stacey Birks, of our Grand Lodge Staff, for her work and diligent assistance and to the Supervisor of Benevolence, M.W. Bro. Terrance Shand, for his wisdom and guidance.

Respectfully submitted on behalf of the Committee.

PAUL SKAZIN, Chairman

## **REPORT OF THE LODGE RESOURCES COMMITTEE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Lodge Resources Committee consists of five sub-committees; namely Protocol and Etiquette; Brother to Brother; Friend to Friend and Mentors; Cornerstone; and Officer Progression.

The Committee's mandate is specifically aimed at the grass roots of masonry and encompasses everything from our methods of attracting new members, mentoring our new Masons, preparing officers to become Worshipful Masters, developing ways to revitalize lodges, membership retention strategies, as well as encouraging lodges to become more engaged within their Districts and also within their communities.

The five sub-committees had carry-over tasks and goals from the previous year. The Brother to Brother and Cornerstone committees each received a Tactical Initiative assignment from the Deputy Grand Master through the Long Range Planning committee.

In general, numerous inquiries came to the Lodge Resources Committee to which the Team Leaders were prompt to respond.

The Team Leaders' summaries of their respective committee's activities are as follows:

### **PROTOCOL and ETIQUETTE**

From its inception and under the distinction of its founder and guardian, R.W. Bro. Gordon Crutcher, the P&E Committee has been steadfast to its mandate; namely to communicate those standards of Protocol and Etiquette which are applicable in our Grand Jurisdiction.

In support of the Membership Column, members of The Protocol & Etiquette Committee have been quite active in promoting and communicating our resource material, and in providing practical instruction on various aspects of protocol, ritual and ceremony to the Brethren of the Jurisdiction, when and as requested by the brethren.

Our first presentation in August was a special Protocol & Etiquette orientation workshop conducted for the new Grand Wardens, the Grand Director of Ceremonies, the Grand Assistant Director of Ceremonies and the Grand Registrar.

By the end of our Masonic year, the Protocol & Etiquette Committee will have participated in over 30 presentations throughout the Jurisdiction, having a broad outreach to many of our Districts, and to the various Lodges and their Brethren, within those Districts.

Our presentations have covered a wide range of material and resources, from Masonic Memorial Services, Dress Codes, Signs, Saluting, Banquet Hall Protocol, Introduction of Grand Lodge Officers, to the Committee of Enquiry, Board of Trial, Balloting and Roberts Rules of Order.

Further areas of focus for The Protocol & Etiquette Committee this year have included:

- The release of new Issues of **P&E Essentials** including;
  - Issue 36 – *Freedom of the Lodge, Open Ritual Books*
  - Issue 37 – *Proper and Improper Solicitation of new members*
- Increased awareness and the improvement of response mechanisms for ongoing communication and regular P&E enquiries from the Brethren of the Jurisdiction.
- The development of additional methods and approaches to broaden our outreach to the brethren of our Jurisdiction. Our appreciation to Bro. Mark Kapitan, Secretary and Mentor Coordinator of the College of Freemasonry for his valued assistance in this area.
- The development of combined presentations and workshops with Team Leaders of the Officer Progression, Friend to Friend/Mentors and Cornerstone Project Committees.

The Committee expresses its gratitude to the District Deputy Grand Masters for their invitations, and for their promotion and support of our presentations and workshops, and for the dissemination of our Resource material to the Brethren of their Districts.

The Protocol and Etiquette Committee reports go directly to the Custodian of the Work. On behalf of all the members of the Committee, I extend a very special thanks to M.W. Bro. D. Garry Dowling, Past Grand Master and Custodian of the Work for his tireless support, guidance and assistance.

The positive feedback to our presentations and workshops, and the regular inquiries and communication from the Brethren of the Jurisdiction is testament to the work and dedication of the Committee members, and to the vitality of the Protocol and Etiquette Committee as a whole. It has been my privilege to serve as Team Leader of this distinguished Committee. A special note of appreciation and gratitude to: R.W. Bros. Gordon Crutcher (*Chairman*), Art Di Cecco (*Team Leader*), David Purvis (*Secretary*), Howard Adams, Saliem Khoury, Michael Litvak, George McCowan, James Pearson, Kennard Pratt, David Stevens, together with V.W. Bros. Bryan Middleton and George Pohle.

ART DI CECCO, Team Leader

## BROTHER TO BROTHER

The Brother to Brother committee had three objectives this year. They were:

- **Promoting the 5 Steps to Application**
- **Draft a document to teach memorization**
- **Develop a unified resource for candidates**

### **Objective 1: Promoting the 5 Steps to Application**

This program was very well received wherever it was presented, in addition to the seven lodges outside of the GTA that requested the document and implemented the program.

Members of Kedron Lodge, in West Middlesex, Pennsylvania, heard of the 5 Steps when they visited Wexford Lodge last year on a fraternal visit. Their DDGM was so impressed with it that he requested a copy of the program on his return to West Middlesex.

Along with my team I made presentations to the St Thomas and Prince Edward Districts. We also made presentations to lodges in Toronto East and Toronto Humber Valley Districts.

Another Grand Lodge committee requested the document and advised that they will promote the 5 Steps at some of their presentations.

I have assigned members of my committee to distribute and promote the 5 Steps document to the DDGMs and Masters in their respective districts to give the program a wider audience. In addition we also need to have the program promoted throughout our Jurisdiction without having to travel to the reaches of the far north etc.

### **Objective 2: Draft a document to teach memorization**

The team was unable to complete this objective as a number of our key members were used on the committee to complete the Strategic Imperative “Development of a unified resource for candidates”. However, the Brother to Brother committee designed a newsletter called “*BROTHER TO BROTHER Nuggets*” to be published four times a year and distributed through the Resource Digest. Each issue of the “*BROTHER TO BROTHER Nuggets*” is intended to focus on one element of the Brother to Brother program which was designed to retain, revitalize and renew membership in your lodge.

The January issue of the “*BROTHER TO BROTHER Nuggets*” focused on Memorization. An article adapted from a lecture by R.W. Bro. John Forester gave very informative information on *How to Memorize Ritual*. The first issue of the *Nuggets* featured the Rusty Mason. The two remaining *Nuggets* for this masonic year will be Lodge Greeters and Lodge Management.

The committee also discussed starting a pilot project on Memorization within a district and after perfecting it rolling it out to lodges in the jurisdiction.

### **Objective 3: Develop a unified resource for candidates**

I participated as a member of this committee and this objective was chaired by R.W. Bro. David Cameron and will be reported by him.

## **Other Projects:**

The committee recommended changes to the Brother to Brother Mission and Vision statements to the Strategic Planning Committee.

The committee is currently considering a web based program for the 5 Steps to Application to promote the program throughout our jurisdiction. We are also undertaking a review and update of the Brother to Brother section in the Lodge of Resources Manual. This manual was published on or about March 2009 and has not been updated since.

The committee had three (3) conference calls using Clarity Conferencing and I had a number of individual calls to members on various Brother to Brother subjects.

I thank all members of the Brother to Brother committee who worked so assiduously to complete the projects we undertook this year.

LEYLAND A. MUSS, Team Leader

## FRIEND TO FRIEND and MENTORS

The initial objectives of the F2F/Mentors Committee this year were 3 fold.

First, was to combine two independent Committees (F2F and Mentors) into one harmonious entity. Second, was to increase the number of Regional Representatives we had, from 5 to 9 in total. Third, was to review our Program Materials, which included adding and distributing the “Five points of Application”. These objectives were all fulfilled. I say *initial* however, because at the beginning of the Masonic Year, those were our *simple* intentions.

There were however, other circumstances which affected our intentions. They were the passing of the changes to our Constitution, which reduced the number of Elected, Appointed and Honorary positions on the Board from 7 to 5.

This simple fact meant that in following years, programs and committees such as ours may not be able to exist in their current form, may not have Team Leaders such as they do now, or may in fact be either eliminated, or combined with some other entities. These simple facts raised a whole bunch of scenarios to contemplate, and brought an entirely new concept to mind in order to address these simple facts.

The thought was “why should we invest in working on, or improving a wheel, that may not exist or be needed in the near future?” The thought was that it might be more prudent to direct our energies toward *defining a new vehicle* for the communication of our programs and information. This way we could ensure the current programs and materials are preserved for generations to come. The answer to this issue was to develop what I coined as “*The Builders Plan*”

The intention of “*The Builders Plan*” was to incorporate the previous programs of what we knew as “Lodge Resources” into one harmonious process of how a Lodge could function.

By grouping the F2F, B2B, Mentors, Officer Progression and Cornerstone programs into one entity, whereby each program would follow each other in a consecutive and cohesive process of: introducing someone to the Craft, properly obtaining and processing their application in accordance with “the 5 steps to application”, mentoring them continually throughout their journey of becoming a brother, all the way to becoming Master, and well beyond, we could ensure the development of better Masons, Better Lodges, and Better Districts.

This cohesive process or plan would ensure everyone in the Lodge has a function and role to perform. The Master of the Lodge would rule and direct the implementation of The Builders Plan to ensure his Lodge builds stronger Candidates, stronger Members, and stronger Officers; all the while he ensures he has developed a Stronger Lodge, thereby ensuring the welfare of a Stronger District.

The members of your F2F/Mentors Committee this year have spent numerous hours (as evident by the Conferencing hours recorded) investing in the development of this plan for the profit and pleasure of this Grand Lodge.

While there is much to be done, the premise, concept and working model will be presented to the Management Committee of this Grand Lodge as a proposal for their consideration.

Along with working on our initial objectives, and the Builders Plan Proposal, our other efforts revolved around personally responding to over 25 Dispensations which were granted for various F2F/Mentors Events, being provided by the numerous Lodges across the Jurisdiction.

We firmly believe that our message is getting across to the various Lodges and that through the use of the programs and materials which we develop and promote, our Craft has a solid foundation to build upon for future generations.

## CORNERSTONE

It is with great pleasure that I am able to submit this Report on the activities of the Cornerstone Committee. The Cornerstone Committee has been working diligently to ensure that the Cornerstone Program has been effectively promoted and presented to the brethren of the various Districts within Grand Lodge.

There are several lodges currently enrolled in the Cornerstone Program.

For the qualifying period of 2014 to 2016, there are 62 lodges participating from 31 Districts. It is hoped that these lodges will all attain their Cornerstone Designation at the Annual Communication of Grand Lodge in 2016.

For the qualifying period of 2015 to 2017, there are currently 50 lodges participating from 23 Districts. These lodges will attain the Cornerstone Designation in 2017. The combined number of Districts represented from the two qualifying periods are 36 of our 43 Districts. This speaks very favourably about the merits of the Cornerstone Program. As more promotions and presentations are completed, more Districts will learn that participating in the Cornerstone Program will help to build their membership and therefore build on their overall strength. The number of lodges involved in the 2015 to 2017 qualifying period may still increase due to some lodges loosing track of the enrollment deadline and not wanting their Cornerstone Designation to lapse. They will ask for an extension so they can still send in their Letter of Intent to participate.

The Cornerstone Committee has been working on the Tactical Plan Project 2015-08 which is investigating the advantages and/or disadvantages of implementing Incremental Recognition of Achievement in the Cornerstone Program.

As the Cornerstone Committee Team Leader, I took part in a meeting which included the Lodge Resource Committee Chairman and all the other Team Leaders from the Lodge Resource Committee. The Committee discussed the goals and objectives and hoped to build on the already existing strengths that made the Lodge Resources Committee an important part of Grand Lodge. Also, I have been able to personally conduct Cornerstone Project Presentations in many lodges and Districts.

From the small village of Coboconk in Victoria District to Toronto Humber Valley, to St. Thomas District and some lodges in between, every presentation presents more options for the lodges to consider. There are some Districts where between the DDGM and the District Cornerstone Chairman, almost the entire District is participating in the Cornerstone Project. The Ottawa, St. Lawrence and Hamilton B Districts are great examples of this taking place. The Seminars and Workshops Committee had allowed a presentation to be done at the Annual Communication of Grand Lodge in 2015 and hopefully will do so again in the future.

Every presentation has brought forth positive comments and causes more Letters of Intent to be sent in. Future Cornerstone Presentations are already planned for Temiskaming and Waterloo Districts, as well as in Sault Ste Marie. I believe that being able to promote the Cornerstone Project in any area of the Jurisdiction where the brethren ask for it, creates more awareness of the Grand Lodge Programs and better participation from the lodges. Being a member of the DDGM Orientation Committee also affords me an opportunity to promote Cornerstone right to the DDGM and District Secretary aspirants. This plants a seed in the minds of the future leaders which will hopefully grow and flourish. I would like to see this avenue of promoting Grand Lodge Programs expanded, so the future DDGMs will already know and understand the importance of these initiatives.

For future consideration, the Cornerstone Manual may need to be slightly revised. The time to send in the Letter of Intent to keep a Lodge Designation continuous may need to be explained in a little more depth. Some lodges are confused and unsure of when to resubmit the Letter of Intent. This explains why these lodges ask for a deadline extension after December 30<sup>th</sup> to send in their Letter of Intent. Once this is illustrated in a Cornerstone presentation, the brethren realize the confusion and better understand the qualifying period. Also looking ahead, I will continue offering to make Cornerstone Presentations. I strongly believe that this is the best way to promote the Cornerstone Project to the brethren and be able to explain the advantages that the lodge will invoke and enjoy.

In conclusion, the Cornerstone Program is alive and well and making our Grand Lodge stronger and ensuring the timeless vitality of Freemasonry in Ontario.

JAMIE IRELAND, Team Leader

## OFFICER PROGRESSION

The Officer Progression Committee, after assessing the previous six years of reports, decided to condense the information into a booklet. We encourage the lodges and Districts to use the information in our booklet, in order to produce their own booklet, as each District and lodge have some minor differences in the way the officer's duties are expected to be carried out.

The booklet contains the following sections:

1. Introduction to Robert's Rules of Order
2. Suggested duties of officers from the "Book of the Work" & "Book of Installation"
3. Junior & Senior Deacon's Floor Work Module
4. Guidelines for the Examination of the Master Elect
5. Five Steps to Application
6. Guidelines for the Committee of Inquiry

We sent a copy of the booklet to the D.G.M. for his approval and asked him for assistance in finding a brother in the Ottawa area to be our representative on the Officer Progression Committee. R.W. Bro. Al Wright has volunteered to be on our committee and to assist us in the Ottawa area. We look forward to his leadership in the Ottawa area.

We held two Seminars & Workshops in conjunction with the Seminar & Workshops Committee under R.W. Bro. Leslie Armstrong. These Seminars & Workshops were held in the following locations.

1. March 8, 2016, at Wellington/Victory Lodge, Chatham; for the Districts of Erie, Chatham, Sarnia, St. Thomas & Windsor. This was presented by R.W. Bro. William A. Atkinson & W. Bro. Roy Gellner. Over 90 brethren were in attendance.
2. April 27, 2016, at Ingleside Lodge, Ingleside; for the Districts of Eastern, Frontenac, Ottawa 1 & 2. This was presented by R.W. Bro. Al Wright.

Four seminars were also presented under the direction of R.W. Bro. Terrance Van Horne.

1. Ayr Lodge 172 – Waterloo District
2. Glenrose Lodge 628 – Waterloo District
3. Mystic Tie Lodge 279 – Waterloo District
4. West Hill Lodge 670 – Toronto District

The following Lodges have requested future presentations.

1. Toronto Humber Valley District by request of the DDGM as a District evening.
2. The Masters and Wardens Association at the end of April.
3. Two Lodges in Toronto West for the end of May.
4. In Waterloo District in December by a Master Elect who looks to be installed.
5. In Bruce District later in the fall by a DDGM elected by rotation.

W. Bro. Roy Gellner will be presenting a seminar on April 29 to two Lodges in the Windsor District.

We are encouraging the members of the Officers Progression Committee to reach out to their District and the close surrounding Districts to do talks at either the lodge or District meetings.

Present efforts have been responded to by word of mouth and personal introduction of committee members at lodge Installations and Official Visits.

We hope that the Districts and lodges will reach out to us and invite us to their meetings.

My sincere appreciation to the members of the Officer Progression Committee: Bro. Sheldon Kofsky (secretary), W. Bro. Roy Gellner, V.W. Bro. Gerry Ouellette, R.W. Bro. Terrance Van Horne, R.W. Bro. Al Wright, and R.W. Bro. Howard Adams.

WILLIAM A. ATKINSON, Team Leader

All of the above reports are respectfully submitted on behalf of the Team Leaders and Team Members who collectively devote considerable time and effort to carrying out the wide-encompassing responsibilities of the Lodge Resources Committee.

### **REPORT OF THE D.D.G.M. ORIENTATION COMMITTEE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am privileged to present this report on behalf of the DDGM Orientation Committee (R.W. Bros. Paul Johnson (secretary), Norm Allingham (co-chair), Jamie Ireland, Jim Smith, V.W. Bro Bob Ledingham).

Our Committee held a total of 8 workshops at Harriston, Oshawa, Paris, Sturgeon Falls, Brockville, Ridgetown, Guelph and Vaughan. The workshops of Sturgeon Falls and Brockville were changed from the fall meetings to April at the request of these Districts.

As in the past, we have presented to each host Lodge a payment of \$75.00 as a token of our appreciation for the use of their facility. Thank you to the host lodges we are honored to be in your company.

Attendance was 120 aspiring DDGMs and District Secretaries. In addition, several current DDGMs participated adding their personal experiences and offering encouragement to the aspirants. Necessary modifications were made to our presentation to further compliment the Past Masters Correspondence Course. Therefore, additional time was required to fully present this workshop and also to make sure all questions were answered.

Congratulations to all DDGMs and District Secretaries and thank you for your input. As you are our future leaders, we certainly hope that the information contained in this workshop was of value. We are often reminded of the author William James' quote, "The art of being wise is, knowing what to overlook."

We continue to review our material and strive to make necessary adjustments so that our information is as accurate as possible and adheres to the most current Book of the Constitution (2015), Book of the Work and other resource materials that we utilize. There is no question that there is a wealth of valuable information in this course and the Past Masters course. Information changes, important questions asked, and improvements in our delivery evolve so that we may have a better product to present to our aspirants.

Once again our book sales have diminished as many have made prior purchases to complete the correspondence course; however as a courtesy we have an adequate supply on hand.

The Chairman of The Condition of Masonry has provided presenters to explain their program and how to properly fill out their forms. Thank you, R.W. Bro. Kaufman and your committee for assisting at our seminars.

In my humble opinion, this committee works very efficiently, effectively and respectfully together. We truly enjoy what we are presenting and fully appreciate the importance to the Craft that this workshop presents.

Thank you, R.W. Bro. Paul Johnson for providing the necessary electronic equipment and all the written data that we require.

Special thanks to our Grand Master M.W. Bro. John C. Green, our Deputy Grand Master R.W. Bro. Paul E. Todd and our Grand Lodge office for your encouragement and support.

Respectfully submitted on behalf of the committee.

THOMAS A. SIEMIERNIK, Chairman

## **REPORT OF THE COMMUNICATIONS COMMITTEE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Communications Committee and its Teams are pleased to report on our work during this Masonic year.

The committee has continued with the theme of "**Communications is a Partnership**". This theme continues to fit nicely with our overall objectives however we can only successfully achieve these goals if we have a sustained commitment from our District leadership and that of our GL Committees. Two years ago the Communications Committee implemented what is called the Resources Digest and Events Digest. Prior to these two distribution tools being implemented, DDGMs received e-mail messages with resources, requests and events whenever they happened to be received by the Communications Committee. The feedback from this type of distribution was that DDGMs and others were being overwhelmed by e-mail messages.

Your Communications Committee responded to that feedback with the introduction of the two Digests. This now means that all information either resource based or event driven is distributed on a monthly basis. In many respects the implementation of this new notification system has proven successful, however the fact remains that it continues to miss the mark when it comes to providing our membership with the information they deserve to receive. Simply put, in most instances, the flow of information to the membership hits a bottle neck at the District governance level. It is here that an enhanced communications commitment must be made, so that our membership is well informed about all things related to Freemasonry.

We are pleased to provide the following reports from the individual teams within the Communications Committee:

### **WEB TECHNOLOGY TEAM**

The Web Technology Team continues to work closely with other committees to ensure that material on our web site is both timely and accurate. Of the enquiries sent to the webmaster, 95% are responded to and resolved within 24 hours.

The website continues to be an important access point for individuals desiring of joining the craft. These inquiries average 50 per month and after pre-screening they are forwarded to Lodges and/or Districts for further action. This important work continues to

be looked after diligently by V.W. Bro. Gerald Morgan who also undertakes to respond in a timely fashion to all inquiries.

This year, R.W. Bro. Peter Sialtsis joined our team, taking over the reins from V.W. Bro. Eric Lakien. Peter is our key liaison for distributing Grand Lodge Information and Reports throughout our jurisdiction in a timely manner and he does so in a diligent manner.

Our team has worked closely with R.W. Bro. David Cameron and his various committees, on a tactical plan project to develop a unified resource for Candidates. The technical support for this project was undertaken by W. Bro. Christopher Warden and it is hoped that the results of his labors will be made available as soon as final project approval has been given.

In response to our members concerns, we undertook some housekeeping, on the website, by re-arranging some of the directories and files to make them easier to find. In the fall of 2015 a comprehensive review of the website was conducted in preparation for adapting the website to mobile devices, a feature which is in great demand. Following this review a detailed recommendation was presented to our Deputy Grand Master, outlining system improvements and a re-design of the website. This recommendation was approved and for the last several months, a tremendous amount of time has been spent designing a new Grand Lodge Website. The Communications Committee and Web Technology Team is indebted to R.W. Bro. Robert Ledingham for his tireless leadership and many hours of work on this major undertaking, which necessitated a total re-engineering and re-writing of the website. The new website is in the final stages in preparation for its delivery to the members. If all goes as planned, by the time you read this report, the new and improved website will be in full use.

As Team Leader, I am grateful to all members of our team for their support and dedication to improving our website. I also express my gratitude to R.W. Bro. Iain D. Wates who, as Chairman of the Communications Committee, has given encouragement and total support to the team members and myself.

Respectfully submitted on behalf of all Team Members.

MICHAEL LOCKE, Team Leader

### **ONTARIO MASON MAGAZINE TEAM**

The OMM Team continues to be committed to providing a quality and diverse magazine, with each issue.

As a result of the decision to cease production of the printed subscription publication of the Reflections Newsletter, the OMM is now partnering with the Reflections group by providing some space in each magazine issue, for Reflections. This initiative commenced in the Winter issue where the complete final issue of Reflections was included in the magazine.

The OMM team is committed to sharing the magazine with all Masons in Ontario and ensuring that the content represents the lodges and concordant bodies in all 42 districts. Please remember, if an event, celebration or activity *is important to you; it is important to us.*

Respectfully submitted on behalf of the Team.

DAN DIGNARD, Team Leader

### **INTERNAL COMMUNICATIONS-PUBLISHING REVIEW TEAM**

The Internal Communications Team remains committed to promoting effective dissemination of information through lodge summonses, newsletters and web Sites. Best Practice documents remain unchanged and they have been discussed informally at times with Lodge Secretaries and Web Site Editors. Similarly, members of the committee continue to promote visitation to The Grand Lodge Website when discussing criteria and policy for newsletters and websites.

The Team will again be presenting recognition awards for outstanding Newsletters and Websites. These have been reviewed and the respective award winners (Gold & Silver) will be announced and presented at our Annual Communication.

We are also pleased to report that in our Publishing Review role, the team has reviewed a number of documents prior to their release. In another role we reviewed District websites to ensure their postings were in compliance with the Grand Lodge Website Policy & Standards.

It was, once again, a pleasure to serve on the Internal Communication Team and I thank its members; R.W. Bro. Jim Thornton, W. Bro. Robert Leffley and W. Bro Carl Kristensen for their dedicated work this year.

Respectfully submitted on behalf of the Team.

JAMES SERCOMBE, Team Leader

In closing, the Communications Committee and its Teams wish to express their appreciation to M.W. Bro. John C. Green – Grand Master, R.W. Bro. Paul E. Todd – Deputy Grand Master and R.W. Bro. John L. Hay – Management Liaison, for their support in promoting the development of a diverse and multi-functional platform, from which to communicate to the membership at large.

I personally wish to express my sincere gratitude to all Team Leaders, Members of the committee & those that have spent countless hours working on special projects; for the time and effort they have committed to the vision of enhancing communications within our jurisdiction. Without their great personal desire to serve the Members of this jurisdiction, the progress that continues to be made, simply would not be possible.

All of which is respectfully submitted on behalf of the Committee.

IAIN D. WATES, Chairman

## GRAND LODGE OFFICE TECHNOLOGY REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

### Seminars

It has been a very busy year for the Office Technology Committee has worked diligently as a cohesive unit in completing its pressing business of the day.

### Seminars

We have conducted several seminars throughout Ontario this Masonic year. The attendance and interest has been rewarding, and will bolster our plans for continuation.

Special thanks to R.W. Bros. Gordon Crutcher, Michael Litvak, Sydney Schatzker, V.W. Bro. Stephen Maizels and Bro. Michael MacDonald for making the evening a tremendous success for all who attended.

**Computer Resources Disks Produced and Distributed**

Over 250 CDs and DVDs were produced and distributed throughout the jurisdiction to the brethren via the seminars and to the District Deputy Grand Masters. The disks contained a significant amount of information including all current Grand Lodge forms as well as significant other resource material for the benefit of not only the lodge Secretaries and Treasurers, but the three principle officers of the lodge as well.

**Grand Lodge Forms**

Several Grand Lodge forms, including the Semi-Annual Return, DDGM Forms, Return of Officers, degree and installation set-up forms were update and posted to the Grand Lodge Forms site. These forms have been added to the Computer Resources Distribution CD and postings are made to the Forms Site as updates are applied so that these are available in a timely manner.

Most of the forms and the Semi-Annual Return may be completed on a computer using Adobe Acrobat Reader, available as a free download from [www.adobe.com](http://www.adobe.com) or from your Computer Resources Representative. Approximately 10% of the Lodge Secretaries requested and used an electronic copy of the Semi-Annual Return.

**Site and Hearing Challenged Brethren**

The lodges who have members who are sight impaired may apply for a special CD designed to be used by a voice synthesizer in their computer. There are also several publications available in large print format.

Both of these items are available to any member who suffers sight impairment. Application to Grand Lodge for this CD or large type books must be made by the lodge on behalf of the member, on lodge letterhead and signed by the Master. The following publications are available:

1. Book of the Work – 2013
2. Book of the Work [EA] - 2013
3. Book of the Work [FC] – 2012
4. Booklets No. 1, 2, and 3 - 2010
5. Book of Installation -2012
6. Book of Constitution -2015
7. Guide and Mechanics – 2014
8. Meeting the Challenge – 1998
9. Several other Grand Lodge Publications

These files are password protected and formatted in either Microsoft Word and/or Adobe Acrobat formats as required by the standards set down by the manufacturers of the voice synthesizer equipment.

I would like to thank V.W. Bros. Kris Nickerson, Eric Lakien, W. Bro. Robert Lipic and the District Deputy Grand Masters from the several Masonic Districts for their support and assistance throughout the year.

I would especially like to thank M.W. Bro. Terence Shand, Grand Secretary for his navigation and management skills provided to the committee.

Respectfully submitted on behalf of the committee.

ROBERT KLIAMAN, Chairman

## REPORT OF THE YOUTH INITIATIVES COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The three Masonic Youth Groups, DeMolay Ontario, International Order of the Rainbow for Girls, and Job's Daughters International, offer an opportunity for personal growth by teaching their young people leadership skills and life principles based on the ideals and values of Freemasonry all the while experiencing fraternal bonds that can last a lifetime.

Again this year we are truly grateful and acknowledge the dedicated efforts from members of the Masonic family who support and assist by providing lodge rooms, financial aid, attending meetings and being advisors to the Youth Groups. These Youth Groups simple could not exist without this support.

We continue to maintain an active relationship between our Grand Lodge and the Masonic Youth Groups by attending as many Installations, various monthly meetings and other special events as possible. As well, YIC members continue to be active as advisors with the Youth Groups. We added a new member to the YIC, Bro. David Doherty. David and his wife Maria have been active with the Order of the Eastern Star youth program.

R.W. Bro. Allin Brown produced an updated look for our YIC brochure which was well received. This brochure highlights the Aims and Ideals of the Youth organizations.

In August we attended the International Order of the Rainbow Girls Grand Assembly where the Grand Worthy Advisor Meagan Wellon and her officers were installed. At this meeting the Grand Master, M.W. Bro. John C. Green and I presented the Youth of the Year Award to Miss Evelyn Benoit. In addition Evelyn received a check for \$300.00 plus a personal plaque and her Toronto Assembly # 2 received a check for \$200.00.

There has been a change in leadership for the Rainbow Girls, effective February 15, 2016, the new Supreme Deputy in Canada will be Mrs. Sara Kruyk. Sara had worked with Ms. Luanne Walton for the past six years and is familiar with the workings of the Rainbow Organization.

When we were in Ottawa for those Youth Group's Installations, we were introduced to Sara and she seems quite excited about her new role. Hopefully she will bring some new ideas to help increase membership. There are six Assemblies' in Ontario with a couple of them struggling.

Jobs Daughters has one Bethel in Guelph Ontario and in January, Alexis Mollison was installed as Honoured Queen. The Bethel continues to have membership issues. However we have been informed that the Supreme Guardian Council of the International Order of Jobs Daughters has, after hearing much debate from members and adults, are going to allow membership for young women who are not Masonically affiliated, as long as a search for heritage has been performed. This can only help them recruit new members and bring attention to this wonderful Youth Group. Ms. Melissa Brown, Bethel Guardian, deserves a lot of credit for her tireless efforts to keep the Bethel going on behalf of this Organization.

The DeMolay Ontario Provincial Convention Banquet & Installation of Officers was held in September where the Provincial Master Councilor Nathaniel Omardeen and his officers were installed. The DeMolay also elected Rachel Szekeres as their Provincial Sweetheart.

At this meeting the Deputy Grand Master, R.W. Bro. Paul E. Todd and I presented the Youth of the Year Award to Mr. Nathaniel Omardeen. In addition Nathan received a check for \$300.00 plus a personal plaque and his Ottawa Chapter received a check for \$200.00.

There are seven Chapters in Ontario with a few in need of adult advisors to keep the Chapters going. Dedicated advisors can make a real difference in the success of DeMolay as well as the other Youth Groups.

President of DeMolay Canada Ernie Loiselle is pleased to announce that V.W. Bro. Les Vass is putting together a DeMolay Chapter in Stoney Creek Ontario to be named the Golden Horseshoe Chapter. And in Barrie Ontario W. Bro. Steve Barendregt is investigating a potential Chapter there. Both would like to start up in the fall 2016. This is encouraging news towards future growth.

The splitting of the Youth of the Year Award into a male and female winner has proven to be a big hit with the Youth which led to increase responses.

Instead of a question, the Essay this year is a little different. As the Youth Initiative Committee brochure has a synopsis of the 3 youth groups, DeMolay, Rainbow and Job's Daughter.

**"Their task this year will be as if you were in charge of content in the brochure, we would like you to write a new synopsis for all 3 groups in your own words."**

Bro. David Doherty spearheaded our involvement with the Awareness/Fundraiser sponsored by DeMolay Ontario which benefits all three of the Youth Groups. This year's Awareness/Fundraiser project raised over \$7,000.00 dollars across the jurisdiction for the Youth Groups. While the Youth get the funds, a big part of this initiative is handing out the Youth brochure and starting a conversation to raise much needed awareness of these groups to the Masons and the Community at large. We would like to acknowledge W. Bro. Horst Benoit for his contribution to this Awareness/Fundraiser endeavour.

We do need more Masons to show their support for the Youth Groups by attend their meetings and helping out if we are to be successful in keeping them viable and in our Masonic family.

That said, the Youth Groups are very grateful for the support of Grand Lodge and the commitment of the Youth Initiatives Committee. Again this year we had some Youth who aged out, and join the Masons and Eastern Star.

In appreciation of our unusual and meritorious service on behalf of DeMolay, the Board of Directors of DeMolay Canada honoured members of the Youth Initiatives Committee with the following awards:

#### **Awarded Honourary Legion of Honour:**

- Keith Jones, Chairman Grand Lodge Youth Initiatives Committee
- Richard Loomes, Chairman Ottawa Chapter & YIC Member

#### **Awarded Legion of Honour: (DeMolay Member)**

- C. Allin Brown, Chairman Royal City Chapter & YIC Member

#### **Awarded Cross of Honour**

- David Doherty, YIC Member

Also awarded to

- Phillip Booker, Chairman Mississauga Chapter

#### **Medal of Appreciation**

- John Black, YIC Member

It should be noted that these Honours are not given out on an annual basis. As a point of interest legendary golfer Bro. Arnold Palmer was Awarded the Honourary Legion of Honour in 2015.

As stated before, Masonry is in the hands of the Youth, they are the future leaders. Our involvement now will pay dividends later not only for our Craft but also for our communities.

I personally thank the members of the Youth Initiatives Committee R.W. Bro. Richard Loomes, R.W. Bro. Allin Brown, V.W. Bro. Gerry Ouellette, V.W. Bro. John Black, V.W. Bro. Clinton Sturgeon, Bro. Derek Friesen and Bro. David Doherty for their

tireless dedication to the Youth and we thank the Grand Master for the opportunity to have served Grand Lodge.

Respectfully submitted on behalf of the Youth Initiatives Committee.

KEITH JONES, Chairman

## REPORT OF THE LEADERSHIP TRAINING DEVELOPMENT COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

### 2015-16

#### Committee Mandate

The mandate developed by the members of the Leadership Development Committee is:

- To explore and identify suitable material and processes the benefit, the long term development of leadership within our fraternity.
- To work with other committees of Grand Lodge to facilitate delivery of these.
- To support the leadership indoctrination and orientation of newly elected and appointed Grand Lodge officers.

#### Core Project - Leadership Development:

The Leadership Development Committee launched the 2015-16 Masonic year with a presentation at the Grand Lodge communication in July 2015. This presentation addressed the importance of leadership to our fraternity and the need to develop supporting competencies. It also introduced the audience to the work of some current thinkers in this area. Based on feedback from this session and the work of previous years, the committee was able to narrow its focus to five core areas of leadership skill and to develop educational material for each of them. They are:

1. Emotional Intelligence is seen as an enabling competency, one which allows a leader to apply other skills with greater affect. It is focused mainly on building and maintaining productive interpersonal relationships. The committee was instrumental in having a speaker address this topic at the Masonic Education seminar in Hamilton in early April. We have the speaker's permission to use her presentation material and a video of her address as the core of a package to be made available for all interested Masons in our jurisdiction.
2. Teambuilding is an essential element of leadership. It is what allows a leader to draw on the collective talents of his whole organization. Dr. Ken Jones, who has been a consultant to the Leadership Development Committee for the last two years, addressed this subject at the Hamilton seminar. Again, we have his permission to use this in a module to be made available to all Masons in Ontario.
3. Communications is critical to almost every aspect of leadership. In particular, effective communication builds credibility which in turn builds trust. Trust is one of the most important pillars of leadership. An overview presentation of this important subject has been prepared and its presentation captured on video. This package, slides and video, will serve as a prototype to help develop a best delivery process for the overall program.
4. Conflict Resolution is sufficiently important to deserve special treatment as a leadership skill. It is important in any management organization but is especially so in our fraternity where so much emphasis is placed on harmony in the lodge and where we go to such lengths to make progress without conflict. A paper

addressing this has had first review by the committee and is now being translated into a presentation format for further refinement.

5. Problem Solving and Decision Making incorporates a number of analytical skills important to both effective management and leadership. It also encompasses behaviors important to personal interaction with others. Work already done on this module draws heavily on the work of Covey (The Seven Habits of Highly Effective People) and Blanchard (Situational Leadership). Development of a presentation package is underway.

As the content of this program is largely resolved, work in the 2016-17 year will focus mainly on refinement and delivery. Consideration will be given to the development of an overview package to deliver all five elements in a single session and to the best way of delivering broader coverage of individual elements if there is demand. At least three District or Regional workshops are anticipated in the year.

### **Program Delivery**

#### **Strategic Plan Project 2015-04**

A task taken on by the Leadership Development Committee was re-write of the College of Freemasonry's module on leadership. This piece is focused on leadership within the fraternity as opposed to the broader skill set addressed in the work described above. The material has not been changed in many years and has been seen as somewhat dated. The revised course module was passed to the Education Chair in March and approved as a draft. The work of building a suitable student question set has been taken on by the Education Committee.

### **Support of Grand Lodge Officers**

Addressing the third element of our mandate is an ongoing responsibility of the committee. The Reference Guide for New Members of the Board of General Purposes has been reviewed and updated regularly. Its primary purpose is the orientation of new board members but it has been found useful by others as well and is available to all through the committee. Revisions were not seen as necessary in the 2015-16 Masonic year.

### **Recognition**

In closing, I would like to thank the Grand Master and Deputy Grand Master for allowing me to act as chairman of this committee. It has been an honour to serve in this capacity and a pleasure to work with a very fine committee. The committee consisted of R.W. Bros. Joe Demello, Charles Singh, Marvin Switzer (secretary) and Elliott Zovighian along with W. Bros. John Bezant, Dan Hutt (Vice Chairman) and Greg McKinnon. I should also recognize the continued support of Dr. Ken Jones who has come to our aid whenever the committee seemed in need of additional guidance.

Respectfully submitted,

WILLIAM BOWICK, Chairman

### **REPORT OF THE BROCK UNIVERSITY PARTNERSHIP COMMITTEE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This year the Committee focused on the following parts of its mandate:

- In partnership with Brock University, encourage research into the significant impact fraternalism in general and Freemasonry in particular have made on society here in Canada and throughout the world;
- To assist Brock University with the series of annual lectures by world renowned and local Masonic scholars, with options for periodic multi-day conferences;

The seventh lecture in the Charles A. Sankey Lecture Series took place on Sunday, March 20, 2016. A very successful and thought provoking lecture was given by Dr. Andrew Prescott from the University of Glasgow on *Searching for the Apple Tree: What Happened in 1716?* The work was jointly authored by Drs. Andrew Prescott and Susan M. Sommers. Dr. Sommers was the guest lecturer in 2015. Dr. Michael Driedger, Associate Professor, Department of History, Brock University was the Master of Ceremonies for the Lecture. The lecture was very well attended this year with over 500 tickets being reserved for the event.

Tickets to the event were free but had to be reserved in advance and were available online at [www.sankeylectures.ca](http://www.sankeylectures.ca). In past years we had used the Brock University Box Office to reserve the tickets. With changes at Brock, Dr. Michael Driedger set up an Eventbrite site for the ticket reservations. Information about the lecture had been posted on both the Grand Lodge website and the Sankey Lecture website. Information was disseminated via the email service provided by R.W. Bro. Peter J. Sialtsis as part of the Grand Lodge Communications Committee. In addition we have made use of the Sankey Lecture email list which has over 250 subscribers. With the assistance of Dr. Driedger, W. Bro. Gord Bouchard and W. Bro. Milan Cobanov, Facebook and Twitter were also used to help promote the event.

The Committee is indebted to Dr. Renée Lafferty Associate Professor and Dr. Michael Driedger, Associate Professor, all from the Department of History, and Ms. Jana Boniferro, Development and Communications Officer, in the Faculty of Humanities, Brock University for their time and effort in making the 2016 lecture such a success.

**Sankey Lecture Website ([www.sankeylectures.ca](http://www.sankeylectures.ca)):** There is a twofold purpose to the site: to provide information about current lectures, as well as an archive of previous lectures. The video of the seventh lecture given by Dr. Prescott was made available on the website in May 2016. The video was accompanied by a number of photos taken at the event.

The Committee has also started to plan for the 2017 Sankey Lecture as well as a larger Symposium to be held next year. Both of these events will have a tie-in to recognize the 300th Anniversary next year.

Of note for the 2017 Sankey lecture is that it will be part of the curriculum for the new 3rd year course in Fraternalism and Masonic Studies that Dr. Renée Lafferty will be teaching. Also part of this course will be the use of the Masonic archives at the James A. Gibson Library at Brock.

The Committee has also engaged Brock University, in particular Drs. Renée Lafferty and Michael Driedger, about holding a Symposium at Brock. Bookings of space at Brock for the Symposium have been made for June 2-4, 2017. The theme of *Influence of Freemasonry on the Atlantic World* has been suggested for the Symposium. This is a very broad topic and would work well for the Symposium.

The format most likely would be several keynote speakers and then smaller groupings with 3 or 4 speakers on more defined topics. Possibly with more than one session held at a time. Also a banquet with a keynote speaker is being considered. We have a number of suggestions of potential speakers for the event and are working with Drs. Lafferty and Driedger finalize the planning of both events for 2017.

The Committee Members were deeply saddened by the passing of M.W. Bro. Raymond S. J. Daniels earlier this year, without whose vision and leadership the Brock University Partnership would never have happened. We are very proud to be able to play a small part of making this vision a reality.

The Committee also acknowledges the support and input of R.W. Bro. David J. Cameron to our deliberations.

Respectfully and fraternally submitted on behalf of the Committee, R.W. Bros. Art Di Cecco, Dale A. Graham, Michael Jenkyns, Patrick McGrenere and Charles Reid, Charles Woods and W. Bro. Gordon Bouchard.

Respectfully submitted.

 • Terrance VAN HORNE

Respectfully and fraternally submitted.

GEORGE F. BENTON, Chairman

### **THANKS**

The Grand Master extended his sincere thanks to R.W. Bro. D. Roberts, Chairman and Committee on Credentials, their committee personnel; and V.W. Bro. George F. Benton, Chairman of the Committee of Scrutineers, and their personnel.

The Grand Master declared the above brethren duly elected.

### **REPORT OF THE AWARDS COMMITTEE (William Mercer Wilson Medal)**

*This Report was presented by M.W. Bro. R. E. Groshaw, Chairman, seconded by the Deputy Grand Master, and received.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

The Awards Committee of the Grand Lodge is delighted with the comments of our Grand Master which he tendered to the William Mercer Wilson Medal Recipient in his address to Grand Lodge.

Indeed, this committee is also very proud of the achievements of this special Master Masons who so abundantly demonstrated acts of kindness and brotherly love combined with diligent efforts to provide relief and usefulness in their many endeavors.

In recent years, there has been a fluctuation in the number of lodge petitions to this committee – some years, we have an overabundance of applications, while other years the submission are much more limited. It is our feeling that our lodge applications in a single year, if not fruitful, should be resubmitted in subsequent years with an update on the attributes and activities tendered by the Master Mason who will never be afforded the privilege of being Worshipful Master of his lodge.

Today, the committee is pleased to bring forth the name of Brother John Cameron Yourt for the prestigious award.

Respectfully and fraternally submitted on behalf of the committee.

R. E. GROSHAW, Chairman

M.W. Bro. C. E. Drew was appointed a member of the Awards Committee for a three year term.

## REPORT OF THE GRAND HISTORIAN

*This Report was presented by V.W. Bro. S. Michael Jenkyns, Grand Historian, and on motion of the Deputy Grand Mater, it was received.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I would like to thank you, M.W. Bro. Green, for honoring me with the office and title of Grand Historian and also for inviting me to address this Communication of Grand Lodge. This report is submitted in accordance with the book of Constitution which requires the Grand Historian “to record matters that are connected with the history of Freemasonry in Ontario.”

During the year I was pleased to speak at the Masonic Education Conferences at Barrie and Hamilton as well as the Ottawa Masonic Association. I also chaired a project design meeting for The Heritage Lodge No. 730 which they are now implementing. This is the digital recording of the portraits of our Grand Masters and several other very senior officers from our history. Preserving our past allows us to know something about our predecessors and their many and varied effects in the development of their society and of our country.

A key moment for me during the year and the subject of this report occurred on September 23, 2015, in Napanee, when the Canadian Museum of Fraternal Lodges was formally opened with a ribbon cutting by the Mayor of Greater Napanee, Gordon Schermerhorn. It was attended by representatives of a number of fraternal organizations which have various displays in the museum.

The Museum was the idea of V.W. Bro. John C. Schaeffer, PGS (2007-08), a member and Past Master of both Royal Edward of Cataraqui Lodge No. 92 of Kingston and Rideau Minden Lodge No. 251 of Seeley's Bay. It was founded in March 2013 to collect, conserve and present a history of fraternal lodges and look at their role in the development of Canada. The Museum is located at 83 Bridge Street West (corner of Bridge Street and Belleville Road) in Napanee (<http://www.canadianlodges.org/>). This building housed the former St. Andrew's Presbyterian Church for over seventy years and was acquired in 1940 by Union Lodge No. 9 of Napanee. Masonic occupants increased over the years to include Prince of Wales 146 (since its removal from Newburgh in 1996) and Mount Sinai RA Chapter 44.

Over the millennia the definition of a fraternity has changed. From the original meaning of an organization of men who were bound together by oath and covenant and who enacted and followed their strict rules for the good of their order, it now includes women and also has a teenage component. In addition a key feature of present day fraternal organizations is a focus on support to their membership as well as in extending assistance to outside societies and groups which are in need of additional support. The support provided is as varied as humankind's imagination can perceive.

The Canadian Museum of Fraternal Lodges houses regalia, portraits, histories and written works on a range of fraternal organizations. They include a number which, in the past, remained separate and aloof from others. But reflecting the need for a greater connection with other similar organizations in the present world, they are now collaborating in areas such as the Museum and are providing items for display, books for the library and using the Museum as an opportunity to make themselves better known to non-members.

A sample of these fraternal organizations which have items on display at the Museum include:

- **Freemasonry** (founded 1717), the oldest world-wide fraternal order requiring its members to have a belief in a supreme being. Through its many concordant and appendant bodies (many formed in the late nineteenth century) it provides significant assistance to members and non-members through a wide range of activities to individuals and organizations. From the earliest beginnings of our country, many members of Canada's government, industrial, religious and social institutions have been freemasons. Museum displays and books in its Library presently portray Symbolic and Capitular Masonry, Knights Templar, Ancient and Accepted Scottish Rite (Lodge of Perfection, Chapter of Rose Croix and Consistory), Royal and Select Masters, Allied Masonic Degrees, Ancient Arabic Order of Nobles of the Mystic Shrine (Shriners) and the Order of the Amaranth. The Museum hopes to add further displays covering the Order of the High Priesthood, Red Cross of Constantine, York Rite Sovereign College, Universal Craftsmen Council of Engineers, DeMolay, Eastern Star, Daughters of the Nile and Rainbow Girls.

- **Orange Order**, a Protestant organization founded in Northern Ireland in 1795. It took its name from the Dutch Protestant House of Orange whose sovereign prince William, was chosen to replace King James II of England who was exiled. William became King William III at his coronation in 1695. The Orange Order adopted many masonic rituals and regalia and over time many of its members were also Freemasons. Its activities spread from a focus on members and their families to support for many charitable activities in its various locations. Present Museum displays cover the Loyal Orange Lodge, Royal Black Preceptory and Ladies Orange Benevolent Association and it is seeking future displays for the Loyal True Blue and Junior Orange Lodge.

- **Independent Order of Oddfellows**, a men's organization formed in the late eighteenth century in the UK, followed the practices of Freemasons. The Order immigrated to North America, where the first Canadian Oddfellow Lodge was formed in Montreal in 1843. By 1869 the order had been extended to wives and female relatives (Rebekah Lodges) and for young girls (Theta and Rho Girls Clubs) and young men (Junior Lodges). The Odd Fellows support medical research, scholarships and low interest loans to deserving college and university students, relief of distressed persons and support of local environmental efforts. Two parallel fraternities, formed at the same time and which later amalgamated into the Oddfellows were the Ancient Order of United Workmen and the Protected Home Circle. Museum displays currently cover Primary Lodges, Patriarch Militant and Rebekahs and additional material is being sought for Encampments and Ladies Auxiliary Patriarchs Militant.

- **Knights of Columbus**, formed in the 1880's as a Catholic fraternal benefit society based on the principles of charity, unity and fraternity. It renders financial aid as well as mutual aid and assistance to sick, disabled and needy members and their families. Current displays portray Third Degree Knights Council and Fourth Degree Knights Council and the Museum hopes to receive a display of the Squires Council.

Organizations not presently on display include the Knights of Pythias and Prince Hall Freemasonry which the Museum hopes soon to portray.

In concluding this brief report on the new Canadian Museum of Fraternal Lodges I offer brief biographical sketches of two outstanding Ontarians whose lives were spent in the betterment of their society.

Dr. Peter Martin (1841-1907) of Richardson 136 of Stouffville (WM 1894-95), is remembered by our aboriginal peoples as *Oronhyatekha*, the first physician to the Mohawks. Born on the Grand River First Nation, he studied at the University of Toronto, continued in medicine at Oxford University on the invitation of the then Prince of Wales (later King Edward VII) and returned to Toronto from where he graduated as a medical doctor in the Class of 1864. As with many of our ancestors, he performed militia service as a member of the Queen's Own Rifles and fought at the Battle of Ridgeway (1866, against Fenians) and was active in competitive (pre Bisley) shooting competitions. In addition to his medical practice, first in the Shannonville area (*Tyendinaga*) and later in

the London-Windsor area, he was also an able and effective President of the Grand Council of Canadian Chiefs, making him the highest ranking native statesman. He was an active member in several fraternal organizations. These include: Independent Order of Foresters, (rising to the office of Chief Ranger of Foresters which he held until his death while also writing a History of the Order and starting one of the first museums devoted to native Indians and which is now part of the ROM), the Good Templars (founded in 1851 and focused on preventing and reducing harm caused by alcohol and other drugs), the Orange Order (starting Orange Lodge No. 99 at *Tyendinaga*), Ancient Order of United Workmen, Knights of the Maccabees (formed 1858 in London, Ontario, to provide low cost insurance to members and also sponsoring society cemeteries), as well as Freemasonry. Members of our aboriginal peoples donated a portrait of Dr. Martin to the Museum. "Service to others" would best describe his personal motto.

Hon. William James Dunlop (1881-1961), who served as Grand Master (1937-38 and 1938-39) of our Grand Lodge. Beginning his career as a teacher and principal and taking courses at Queens University and later at University of Toronto, he carried on his educational work as a young army officer during the First World War. After the Armistice he extended his work into the evolution of extension and adult education for the betterment of veterans and their families and extended this across Ontario. His extension work with the military continued throughout World War II. In 1951 he was appointed as the new Ontario Minister of Education by Premier Leslie Frost. This later career has been described in many ways but history records that never before his appointment had the population been so "education conscious." Initiated into Peterborough 155 of Peterborough, he affiliated with University 495 of Toronto, and was active in his Toronto District and at Grand Lodge. He was also an active member of the Royal Arch and the Scottish Rite. He carried his concept of "education for all" through his masonic and his educational careers. The Heritage Lodge's William James Dunlop award for masonic research and education is a reminder of this outstanding individual.

\* \* \* \* \*

What can we learn from this new dimension of fraternalism? We can find common ground for collaborative work in a friendly atmosphere. Persistence and perseverance will prosper in the long term. People of different races, religions, nationalities and language can find common ground beneficial to all. We can accommodate diversity in society. There are many different paths to achieve the same benefits.

So mote it be!

All of which is respectfully and fraternally submitted.

MICHAEL JENKYNNS, Grand Historian

- \* Grand Lodge of Maine 2015;
- \* Grand Lodge of Louisiana 2015;
- \* Western Canada Conference 2015;
- \* Grand Lodge of Washington 2015.

All of which are being reviewed, forwarded and posted as complete.

### **BEST PRACTICES BENCHMARKING**

Bro. Craig Wolverton has completed reports on the Best Practices Benchmarking of Grand Lodge web-sites as follows:

- \* Grand Lodge of Alberta;
- \* Grand Lodge of British Columbia and Yukon;
- \* Grand Lodge of Manitoba;
- \* Grand Lodge of Newfoundland and Labrador;
- \* Grand Lodge of Saskatchewan.

I am grateful to Committee member, R.W. Bro. Colin Heap for completing the Fraternal Reviews. Also to Bro. Craig Wolverton for his efforts and contributions in accessing and preparing Reports on Best-Practices, taken from web-sites that he has researched of interest, and to R.W. Bro. Iain Wates for his assistance distributing the Reviews and Reports.

My sincere appreciation is expressed to the Grand Secretary, M.W. Bro. Terence Shand and the Grand Lodge office staff for their assistance in securing the Proceedings from our sister Grand Lodges.

Respectfully submitted on behalf of the committee.

ROBERT F. MANZ, Chairman

**32<sup>nd</sup> ANNUAL CONFERENCE OF GRAND AND DISTRICT GRAND LODGES  
A.F & A.M.OF CANADA.****WINNIPEG, MANITOBA, APRIL, 2014.**

From the Address of R.W. Bro. Owen Devereau, District Grand Master of the Provincial Grand Lodge of Newfoundland and Labrador, Grand Lodge of Scotland, and a selection of Reports from various Jurisdictions.

"The aims and objectives of this Conference is to promote and cultivate cooperation and fraternal relations among the governing bodies of Freemasonry in Canada. That being so, I choose "WHERE ONCE WE STOOD" as this year's theme. In today's world we are always trying to adapt to the changing society and their beliefs. I feel we should all reflect back through our histories and learn what has stood the test of time and has worked. Yes, the changes in communication and transportation have certainly affected us, not always in a positive manner. I would use the analogy of a business that does not meet new challenges and change with the times. It will fail. But sometimes, the changes it did NOT make in order to survive might, in the long term, have negative effects on new customers. I don't argue the point that we have to change, but we have to be careful how and what we change and its effects on the Fraternity 20 or 30 years down the road.

We will have open and meaningful discussions. I would ask that in giving your reports that you refer back to the most positive event, change or innovation that has occurred in your Jurisdiction in the last 5,10,15 or 20 years. Remember that no one is right or wrong. We just have a difference of opinion. We, as leaders, have to demonstrate our willingness to be accepting and accept the differences we share."

**GRAND LODGE OF NEWFOUNDLAND: M.W. Bro. Gerald Budden, Grand Master.**

"I can report that we certainly had a busy year. We produced, a couple of years ago, a Lodge Handbook that was distributed to every one of our Lodges, which contains a tremendous amount of information for Lodge Officers and members in general. As we consider it a living document, there are additions that are beneficial to the Brethren. We all know that communications are vital to every organization, and we are very proud of the content and quality of our magazine called Fraternal Tidings.

One of the most active committees is the Membership and Education Committee. They have developed a membership program for distribution to all Lodges, and are preparing an information booklet for all new members as they progress through the three Degrees. Every Lodge has an Education Committee, as does Grand Lodge, and we make sure we are developing programs for all the Lodges throughout the Province.

Sometimes we found that Lodges were rushing too quickly in conferring Degrees. We are of the opinion that before an Entered Apprentice is passed to the Fellowcraft Degree, he should basically prove himself by his regular attendance and involvement in the Lodge and its social activities, not just 30 or 60 days after Initiation. There should be some lessons; they should be visiting other Lodges to see Degrees conferred; then, having proven themselves in this regard, they should be advanced to the Second and Third Degree. It should take about a year to get all three Degrees, not just 3 or 4 months.

At our last Annual Communication, a Constitutional change was made to include a new Grand Lodge Office, that of Grand Lodge Librarian. I appointed a very qualified Brother to this Office, and he has been instrumental in creating several satellite libraries throughout the Jurisdiction. This will enhance the educational materials available to all Lodges. Additionally, for the last two years we reported on creating a database that is Microsoft compatible. This is not an easy task, but we are making progress thanks to the knowledge and skills of two of our younger members whose avocation is the creation of

high-tech programs. We are in the test stages and we will have it up and running in the near future.

Of course, we are not without our problems. We have 5 Districts. Keeping a Lodge going in the Districts can be a challenge, particularly if the town depends on one industry. Emigration is all too common if that industry shuts down. In many of the small Lodges, with a membership of about 60, you have about 30% that are the hard-working members of that particular Lodge. These are common problems, and our President asked that we look at some of the positive things that have happened, and I guess one of them is the Jurisdictional situation.

All our Lodges are made up of Lodges formerly under the United Grand Lodge of England and the Grand Lodge of Scotland. They support our Lodges and we support theirs, and we attend the Installations jointly. We have a great relationship. They are Charter Members of our Grand Lodge. I don't know what the future holds for Freemasonry in Newfoundland. Maybe over the course of years, 10 or 20, all of the Lodges will be united – maybe. Some old traditions of course, die kind of hard. Some people just dig in and will not move. That's what happened 16 years ago; some people dug in too deeply on certain things. We can't change the history of it. The willingness to cooperate is certainly there between the two of us. I say this right here now for one reason only, the benefit of Freemasonry. One of the topics we have talked about here is leadership. That is what we need. Leadership in our Masonic organization."

#### **GRAND LODGE OF QUEBEC: M.W. Bro. Jean Reed, Grand Master.**

"Last year we had an increase of 12 members in our Jurisdiction, one of the few in North America, according to the report received from the North American Conference. But we expect highs and lows in the next 10 years. Our problems are the same as yours; our membership is getting older and older and it is hard to retain young men in a group of old men. Let's be truthful about that, and allow me to share some reflections with you. In Quebec we have a special situation in that we have a very old and well established English Masons and Lodges. We have some old and new French Lodges.

On the English side we have the same problems as you. On the French side, not so much. When you see a group of Masons, half Entered Apprentices and half Fellowcraft, they don't have a problem bringing in new members. That is the situation in most French Lodges; things appear to be much better than on the English side. In the last 25 years we saw an increase in the demand for young French men to join Freemasonry. At that time we had the same problems faced by the English Lodges. How to keep them interested in the Craft was the question.

We put down ideas on paper and finally we came back to the first principle of marketing. A product and a customer. We have the best product and we have customers. Now, how can our customer buy our product; what are the needs of our customers for the product. What are his expectations? And the most important part of the whole study – the customer. The customer is always right and we have to please him.

I am going to give you a story. The perfume company Faberge once made a fragrance for Walmart, at their request. It was a good product; nice package; not too expensive. It failed and Walmart sent it all back to the manufacturer. A few years later while developing a new promotion and conducting focus groups and surveys with men and women, this old perfume came back on the table for consideration. They changed the name, put it in a nice crystal bottle; placed it in a nice velvet box and tied a ribbon around it. They increased the price tenfold and promoted it on television. They made a success out of it. It's a lesson we have to retain. We may have the best product, but if it is not packaged properly and does not meet the demands of the customer - forget it, it won't work.

Today, most of our French Lodges have 10 to 24 applicants waiting to be made Masons. They go through screenings. They have to go through meetings. They are invited to different get-togethers with the members of the Craft and after more or less one year, we hand them an Application. Up to that point, if they are not into the Craft, they have left already. Our French Lodges are no more than 45 or 50 members. After that, as a good father, we say to our son – it's time to go and form another Lodge. Make your own family the way you like it. The sponsoring Lodge often goes into its' savings to help to form the new Lodge. This way, I think, we gain momentum. Past Masters of the Lodge will be busier because they will have a big part to do in forming the new Lodge. Those Past Masters will meet new challenges and will be less, you know, like "mother-in-law" in Lodge. You know what I mean. I could have used some other words, but these words are polite.

Why 45 to 50 members? Most of our new members are, like yours, professional and well educated. They know what they want and they want it yesterday. Nothing we can do. This is the new generation. What do you reply to a member who is asking you, "What should I do to become a Worshipful Master?" My Brethren, our Lodge has 150 members. Everyone wants to become a Worshipful Master. It will take you about 20 to 25 years to be one.

Right there, you have just cut off both his legs. His goal is to become a Worshipful Master and you tell him no possibility because the Lodge is too big. This is what we found. Now, you can say that if you work hard, learn your Ritual, make all the chairs, then maybe my friend, in seven years you may be a Worshipful Master. This will put in his mind a goal to attain. This is very important. You will create some incentive to become a better Mason. Add to that educational sessions, philosophy, spirituality and the fundamentals, and you will have a good Mason.

This is our recipe. It doesn't mean it has to be yours, but you have to find your own recipe."

## GRAND LODGE OF CANADA IN THE PROVINCE OF ONTARIO:

M.W. Bro. Don Campbell, Grand Master.

"A recent article in the Wall Street Journal stated that: "Freemasonry – a global fraternal organization that dates from the 18<sup>th</sup> century, was once a major force in American society."

Once was? I think it is about time we let the world know that we have never stopped pursuing this goal of improving our world and ourselves. We are still a major force in society.

During my two year term as Grand Master I set three priorities: Communication, with a focus on a strong branding of Freemasonry; motivation of existing members; and a constant reminder of the need to achieve life balance so that they will be able to be good men, always striving to be better.

The best communication tool in Freemasonry is the membership. We are the ambassadors to the Craft. Our actions, attitude and first impressions will influence a man who is considering joining Freemasonry. We can be a better advertisement for Freemasonry than all the brochures, open houses, mall display booths or other programs currently in use.

In today's social media networking, we need to use all available mediums, including our Web Page. If our membership wants to communicate with Grand Lodge by e mail, the web-site, Twitter, telephone or snail mail, it will be their choice. But remember that all social media is a great tool to get us to a meeting, but it is not (to me) a place to hold a meeting. We need that face-to-face contact. I also wish to mention that the Internet is not the place to discuss personal disputes. I was surprised at the number of private piques and quarrels that exist within our Jurisdiction. We are pledged to support our brother's good

names in their absence as well as in their presence. To quote Benjamin Franklin, "Remember to not only say the right thing in the right place but far more difficult still, to leave unsaid the wrong thing at a tempting moment."

Several years ago, our Constitution was amended to direct our 44 District Deputy Grand Masters to submit their "Official Visit" reports to Grand Lodge within 14 days. Prior to that, their report was due annually on the first day of June. By the time the reports were read and analysed, Grand Masters were making decisions based on information 18 to 24 months old. Now, we are making decisions on factual up-to-date data.

The data has told us that we don't need new members; we need to revitalize our current membership. I would love to put a "No Vacancy" sign on the door of every Lodge building. And if someone did ask to join, ask him why. And get to know him. Perhaps this will help to reduce the numbers not going beyond their First Degree and being an active member.

Although last year we celebrated the arrival of 1,366 new members, we must also be vigilant in our effort to gain a clearer understanding of the membership trends over the last couple of decades. So, you ask, if interest is on the increase and Initiations are growing, why are we in a state of decline with respect to our overall membership numbers? The reasons are threefold. One mitigating factor is the fact that we are a Fraternity with a high percentage of veteran members, and as a result, many of these Brethren are on their final journey. This is out of our control.

The second factor is one we can control; that being of Degree Progression. When we carefully review how our members are progressing through their Degrees, the results suggest that a significant number of these Brethren are not progressing. Since 2001, the trending gap between Initiated and Passed has been widening yearly, to a point where in 2010 and 2011 the gap was the widest in recent history.

The third factor is Demits and Suspensions. In and of themselves, they are the largest contributing factor in our membership decline and many would suggest that the seeds of Demits and Suspensions are sewn during the candidate's Degree journey. These are the Brethren we have welcomed into the Craft, but have now become disinterested. It is an ever growing trend and in 2012 we reached the highest number in history. It is generally accepted that these brethren continue to pay their yearly dues for a time, but eventually they become a Non-Payment-of- Dues issue for the Lodge, resulting in Demits and Suspensions. We have tracked the total dollar value of arrears across the entire Ontario Jurisdiction for three years, and during that time the total was in the range of \$345,000 to \$405,000 per year, with some Lodges carrying \$15,000 or more on their books.

Look at the formation of any Lodge in your Jurisdiction. Be it 10 years or 200 years ago, the Charter Member had two goals; receiving Dispensation from Grand Lodge to open a Lodge and build a home. Abraham Lincoln once said, "I like to see a man proud of the place in which he lives. I like to see a man live so that his place will be proud of him".

I have asked our District Deputy Grand Masters if we have lost focus on maintaining our Lodge buildings. Are we more concerned with giving money away to other outside organizations than repairing our Lodge Buildings? Is your Lodge or District charitable project the highlight of your Masonic or District meeting? If so, have we lost our purpose? The 2012 and 2013 Masonic Foundation of Ontario Reports indicate that a total of \$722,511 was donated to outside charities. Remember, there is a well-known saying that charity begins at home.

The Condition of Masonry data provides the real condition of Masonry in the three focused areas. By taking a closer look at the factual information provided by the Lodges themselves, it is hoped that a greater understanding can be gained about the challenges and opportunities before us. In summary, the data communicates the following information:-

**MEMBERSHIP:** The yearly new member growth versus the historical trends; the impact our departed brethren are having versus the yearly new member growth; the impact

Degree progression and Demits/Suspensions are having versus the yearly new member growth.

**FINANCE AND BUILDINGS:** It communicates financial best practices and how well our Lodges are doing in this regard; highlights the liquid asset availability in the Lodges; has proved some notable Lodge building facts that should provide some food for thought.

**EDUCATION:** Identifies newly developed educational opportunities in response to the needs and expectations expressed by the brethren; quantifies the participation by the members at the various training sessions; identifies the significant changes in the College of Freemasonry course structure; highlighting enrolment growth and participating aspirations; identifies a new education initiative (Warden's Retreat), which was developed based on the requests of the brethren.

So, what do we do with all this information? Quite simply, I have asked the 552 Worshipful Masters in this Province to follow three simple objectives:-

1. Create a welcoming, friendly and supportive environment to create a positive atmosphere for learning.
2. Utilizes the skills of your brethren, and
3. Give them the opportunity to lead.

We have the materials to educate members about the most important aspects of Freemasonry, that is, an education and learning institution. We are great at gathering material, but we have to improve disseminating it. Candidates, young and old, are showing an interest in Freemasonry and are on a quest for something that society is not providing them. They know more about Freemasonry before they petition a Lodge than have any of their predecessors. It is now up to us to provide for them what they are searching for. It is everyone's duty to create a welcoming, friendly and supporting environment to create that positive atmosphere for learning. When you leave a Lodge, leave it energized.

As for life balance, I believe that if you are not a good son, husband, father, or neighbour, chances are you won't be a good Mason. So I have asked our District Deputy Grand Masters not to be out every night. Brethren, be the Mason you want Grand Lodge to represent."

## **GRAND LODGE OF BRITISH COLUMBIA AND YUKON:**

M.W. Bro. Donald Stutt, Grand Master.

"The function of leadership is to produce more leaders, not more followers. That quote is from Ralph Nader. When I was elected Grand Master, I created two new committees to work with the Principal Officers of the Grand Lodge, and on those committees I put younger Freemasons. The first committee was a New Member Pathway-the Next Steps. It is a dovetailing of all the products and papers presented to the Entered Apprentice and Fellowcraft after they have finished each Degree; the blending together of a hodgepodge of programs first developed 5 or 10 years ago into a solid positive program which allows us to connect with the new members. It can't be a fast-food drive through experience like Tim Hortons. We must connect.

The next ad hoc committee I created was an Audit of the Five Pillar Plan, which is the business plan for our Grand Lodge. Are we on the right path? Is our Grand Lodge a viable entity for the future or do we have to change things? What we are truly hoping for is that the Lodges themselves will see the business plan we have and adopt it to their standards for their Lodge. They don't have to keep everything. This is a living plan that can be changed at any time. We are asking, not telling them, to think about it.

Another thing we have done is a Grand Masonic Day. We have had fantastic attendance in Vancouver in previous years; then it sharply dropped down. So all the Lodges and Districts had to try something different. How did we do that? The young fellows - the new members, said let us take on Grand Masonic Day. Let us provide live stream video throughout the Jurisdiction. Every Lodge and District can get together in their own premises; they don't have to drive to Vancouver. They can be in Prince George, Whitehorse or the top of Vancouver Island, and they can see what is going on right then and there. It has been very successful. We charge them a nominal fee and groups of 20 to 50 people have met for fellowship at breakfast and lunchtime on Grand Masonic Day, paying for live stream video on a large screen TV.

Both these committees have a majority of new and younger members. So it comes down to asking these questions of them:-“Do you want to get involved? What do you want to do? How do you want to do it?

We don't say – “You can't do that.” We let them do what they want to do; events such as Grand Masonic Day, and we work with them.

These are some of the positive things we have been talking about. Another is the Committee for the Constitution. We put a moratorium on our Resolutions to the Constitution last year to allow the Committee to put the Constitution and all future changes to it into plain language, so the Brethren understand what is being said. We posted it on our website, asked the Brethren to download it, review it, and see if it makes sense. If it needs to be fixed, we will fix it. If it doesn't, and you understand it, that's perfect.

I have also done something this year that is completely out of the norm. Instead of having two reports presented to the Grand Master, I asked for one, due at the end of April. In place of the second report, I decided to do a verbal report with each of the District Deputies in the Jurisdiction, to find out, really, the meat and potatoes. I ask them tough questions and the feedback I get is quite phenomenal. British Columbia is not just British Columbia. We have different pockets of communities and cultures. Each one is affected by different things. When a mill closes in Mackenzie the ripple is felt immediately in the Lodge. When employment increases in an area, we hope to see positive things happen as a result.

The ongoing concerns we have in our Jurisdiction are the same as anywhere else, one of them being guarding the West Gate. We have a Six Step Program we would like the Lodges to use to address that problem. Brethren who should not be in the Craft should not be in the Craft. You can't fix stupid, but we can keep stupid out of the Jurisdiction by doing due diligence on the investigation of candidates. And that is doing the investigating before the candidate is even given a petition; understanding that it is their responsibility to deal with a fellow and say yes or no.

So Brethren that is my report. I see great enthusiasm among the new young members. They are enthused and we must keep them that way. We have to listen to them. Sometimes I may not agree with what they have to say, but everyone was young once and I wanted to be listened to when I first joined the Craft. We have to show the same courtesy shown to us in the past. Maybe one of those fellows that talks to us will, one day in the future, be standing here in this position.”

**VERMONT****220<sup>th</sup> Annual Communication, Burlington, Vermont, June 2014.****Condensed from Reports and the Address of M.W. Roger L. Crouse, Grand Master.****85 Lodges****5709 Members  
(Loss-171)**

"Brothers, our world is changing. The success of our Fraternity will depend on how we act in light of these changes. Do we re-district our State to allow for better collaboration between Lodges? Do we own buildings or meet in rented spaces? Do we have small local Lodges or regional centers? These are all questions that may challenge us in the time to come. Our membership numbers continue to dwindle. We are shrinking at a rate of 3% per year. This is not sustainable. What are we, as individual Masons, doing about it? Ask yourself how many new Masons you have brought into the Fraternity. We are an aging Fraternity. We need to define steps to turn that around. We all own a piece of this pie."

We are not standing idle in the face of these challenges. In 2012 Grand Lodge launched a strategic plan, the objective of which is to set a path for the success of the Grand Lodge of Vermont, now and into the future, regardless of who is Grand Master or who the Trustees happen to be. It is not intended to, nor will it, interfere with any program the Grand Master chooses to pursue during his term. There are four visions:-

1. The Masonic Experience: Best practices that encourage Brothers to attend meetings and functions.
2. Publicity: Improve the awareness about Freemasonry in the community and among members of the Craft.
3. Membership: A State-wide program that brings in, mentors, and retains many good men.
4. Education: To ensure Officers understand all their responsibilities, and Brothers are involved in learning more about the Craft.

The result of these sessions have been compiled and the main topics will form the following Working Committees; Leadership: Training and Instruction: Mentoring: Communications and Media: Masonic Education: Ritual: Feedback Mechanisms: The Masonic Experience.

The implementation of these results by the various sub-committees will form the plan of action for the Grand Lodge to use as we move forward in improving our Craft. This plan is a living document, subject to change as we learn and improve each year. I also suggest reducing the number of present Committees, dropping those that are not needed or are performing functions that could easily be performed by others.

The Condition of the Craft throughout the State is generally good. The District Reports confirm this. We are doing great things, as Lodges, as partners with other Lodges, and individually. We are seeing DeMolay grow, good work in community projects, attention to Senior Centers, assistance at town functions, or other actions noticed and appreciated by community members. The level of involvement and enthusiasm on the part of many younger members is in stark contrast to the past apathy that afflicted many Lodges and placed them on life-support, and this bodes well for the future. Their quality is more important than their numbers.

The Brothers coming in are young, intelligent, excited and committed. In many cases, they have leaped right in, helping in Lodge renovations, hospital visitations, and other Lodge functions. While committed to preserving the landmarks, they are bringing a willingness to try new things. A dispensation was granted to a new Lodge, Fibonacci Lodge, comprised of ten younger men whose zeal for Freemasonry causes them to travel each month from the corners of the State to share Masonic Education, excellence in Ritual, and lively fellowship.

These comments are not intended to be a criticism of older, more experienced members. They simply point to a commonality in the problems faced by some Lodges, rural and urban, leading to lethargy and decline. The main one is an inability to attract, or if they do, retain, new members. The responsibility for the running of a Lodge is constantly placed on the shoulders of the same people. This leads to inertia and stagnation. The morale of these excellent Masons has been dampened by a long string of failed initiatives. They have been trying too long and are tired. They lose their spark. However, I am not ready to give up on them, as so many of them are staging a determined resistance against surrendering their Charter. We have a responsibility to help them turn things around.

An astute analysis of one of the larger Districts by its' District Deputy contains several important observations. There is a vibrant zeal for Masonry and the preservation of the Ritual at its core. Those who organise Meetings around specific events reap the benefits of better attendance. However, they must address the following areas of difficulty:-

1. The number of Brothers who assume the Obligations, but do not actively engage in Masonry afterwards. There is a significance to the number of them who don't return. While each may have an individual reason for lack of participation, a trend analysis may reveal systemic or approach-related errors on the part of the Lodges that could be addressed.

2. Strength, too, may be found in the evaluation of conduct and engagement with the disparate generational pressures in Lodges. The labour union movement has done extensive research in the demographic shift that is ripping through North American culture presently. As Lodges experience membership difficulties, an examination of the generational needs and wants of present and potential members may be of use. The utilization of such research would require study, but not a reinvention of the Craft. Instead, it would focus on a refinement of relevance of a diverse population.

3. Finally, much of the Ritual seems to preserve the universality of a Judeo-Christian approach to Masonry. While it is overtly stated that Masonry is not a religion, nor is it of any particular faith, all Lodges in the District display only the Holy Bible as one of the Great Lights. The inclusion of other Lights, as well as a careful study of incidences of specificity in the Ritual, may be a more inclusive reflection of the diversity present in the Lodges and in the community around them. There are several places where reference to the proper noun 'God' is used, while Masonry expects that Brothers will 'fill-in' their Deity of dedication. It presents, for the non-Christian, a moment of choice that does not reflect the diversity of Vermont.

We do not lack a core of experienced Masons, and their Work is good, but you can't spin silk from straw. I believe I have made them realize that they must grow in active membership or they will face extinction. Our future labours must consist of efforts to raise those areas of Masonry from a subsistence level to one of future growth.

All that being said, Masonry is alive and well in the Kingdom. There is work to be done. Work is being accomplished. Our Long Range Plan has set us on a positive and constructive course. With the proper resources, modeling and support, Masonry should thrive where it once did."

**IRELAND****Annual Report, Freemason's Hall, Dublin, Ireland, December, 2014.  
Condensed from the Address of M.W. Bro. Thomas Grey, Grand Master.**

M.W. Bro. Thomas Grey, newly Installed Grand Master, outlined his vision and plans for a new path forward for Irish Freemasonry, at home and in the Irish Jurisdictions abroad.

"Over the past few years it has become increasingly apparent that our Order needs to be brought up-to-date, and in some respects to modernise, without departing from our ancient traditions. However, we are an organisation with a long and distinguished history which has served us well indeed for the last 289 years, and we must always remember those who, with their service and dedication, have bequeathed to us the legacy which we enjoy today.

Notwithstanding, we have to look at the future, for if we only concentrate on our past and keep looking behind, we will not be able to see our way forward. In this spirit, we will examine the needs of today's rapidly changing world. I refer to the modern means of communication, and the management of all the process involved in going into the future with confidence.

I can promise you that any change in our actions will not be done in haste, but will be carefully examined in all aspects, pros and cons, and scrutinised before action is taken. One thing for certain is that we will earnestly strive to ensure that communication will be open and clear and all decisions will be agreed upon.

With the increasing number of Brethren joining our Order of whom we may not know as well as heretofore, e.g. applying from the Internet, we will look at the possibility of setting up an Education Committee to ensure that, especially the younger Brethren, who these days have a much more enquiring attitude of mind, can be educated in the tenets of our Order, and be aware of the responsibility that their membership carries. This is not going to happen immediately, as we need to examine very carefully how this might be done, or indeed, if there is a better way.

The Metropolitan Board has been working hard on the various aspects of this new development plan, 'Vision for the Future.' There has been considerable progress, removing any unnecessary links in the chain, and making improvements in the following areas:-

Communication and Public Relations.

Governance.

Membership.

Ritual.

The Reports from the Provinces detailing the current State of the Craft are positive and encouraging. Overall, membership figures vary from static to steady increases. Most of the Provinces welcomed new members during the year. Attendance is strong, and Lodges continue to confer Degrees. Your Grand Lodge is also providing funds, re-payable over three years, to improve the condition of and preserve those Lodges with historic premises, some of them being between 150 and 240 years old.

The standard of Ritual is praiseworthy. The Metropolitan Board conducts a Class of Instruction every Monday night at Freemason's Hall, between October and the end of March, to support Brethren in the Dublin area and the surrounding environs. The main focus is on providing instruction and guidance on all matters concerning Ritual, Ceremony and the regular working of a Craft Lodge. The members of the Grand Lodge of Instruction also take their expertise 'on- the- road', travelling to Belfast and the Provinces, exemplifying all three Degrees, striving toward quality and uniformity of Ritual throughout the Jurisdiction.

Ireland did not escape the economic effects of the global financial crisis of 2008, and we are still getting applications from Brethren in difficult financial circumstances. This situation emphasises the importance of our Masonic Charities. The Masonic Boys Benefit Fund and the Masonic Girls Benefit Fund supported 348 beneficiaries, providing assistance, primarily with their education. The Funds can, and do, help with the cost of maintenance, advancement and medical care of the daughters and sons of deceased or financially distressed Freemasons. Following legal advice and approval, an Amendment was made to the Fund replacing the phrase; ‘Freemasons of the Order,’ with the phrase; ‘Freemasons or former Freemasons of the Order.’

This will allow the Management Committees to consider deserving applications of support for the education of children of past members. This has become more relevant in a number of cases recently, e.g. marriage breakups where the father is no longer a member of the Order and has deserted the family. If the Committee believes it has a moral obligation, it may consider and possibly assist such cases. 2014 has already seen an increased in applications. However, we believe there are many more deserving cases out there. We need to get the message out that applying for educational support for your children is your entitlement. It is not a request for charity.

Both of these Funds, and the Masonic Welfare Fund, are very strong. As difficult and challenging times continue, we must keep all our Charities to the fore when fundraising. Many requests to the Welfare Fund come from Brethren who had overspent in good times, the majority of them in the 40 plus age group, and who now face severe difficulties. We can offer some help, but when someone gets into big trouble, our small grants will not get them out of all their problems, but it can help if they have a family to feed, heating bills, or to keep a roof over their heads. It gives us great satisfaction to provide assistance in deserving cases.

The Reports from our overseas Jurisdictions, from New Zealand to Africa, the Far East to the Caribbean, reflect many positive conditions; increased membership, improving financial stability and extensive community service. There are, in truth, always certain areas facing serious obstacles. Zambia reports that interest in Freemasonry has been adversely affected in recent times, mainly by the effects of diminishing numbers, and an ever-changing society, where brotherhood and charity are considered less attractive when compared with the multifarious avenues available for alternative entertainment. However, they are encouraged by a slight renaissance and increase in potential membership. The Grand Master’s Council on Public Relations is conscious of the need to present a more user-friendly image of Freemasonry to the General Public, and in this regard continues to operate a public relations committee with a view to promoting a better image of the Craft throughout Zambia.

Zimbabwe continues to cope with difficult political and economic situations. Government currency restrictions forbid the Brethren from contributing to the Masonic Home for the Aged. Grand Lodge granted the Lodges permission to fund the Home by donating their annual dues. In addition, after a long interval, two new Masters were installed in the Harare and Bulawayo Lodges. In summary, the future looks brighter in these areas than it has for many years. Credit must go to their Brethren for their persistence and dedication.

I am acutely aware of these and all the other responsibilities this Office brings, and I can assure you that I will do my very best to justify the trust you have placed in me today. You have my total commitment and dedication and I will do my utmost to bring a style of leadership to the Grand Lodge of Ireland of which we will all be proud.”

**275 Lodges.....18.589 Members  
(Loss-770)**

Condensed from the Address of Most Worshipful Eric A .Rozeboom, Grand Master.

“Our great Fraternity has survived now for one hundred and seventy years. We have had decreases and increases in our numbers. Some Lodges grow by leaps and bounds, others struggle to survive. There is no silver bullet which we can use to make every Lodge prosper. We will probably never again see the numbers we had in the 1950s and 1960s. That is all right. Society has changed, and for years membership has declined in many organisations. But now I see an influx of men who want to belong to something bigger. We can no longer have meetings where we read the Minutes, pay the bills and then go home. These men are looking for more. We, as Masons, need to give them what they want; to teach them the relevance of our Ritual in today’s society and show them how it has changed our lives.

The theme I have adopted for my term of Office is “GROW IOWA MASONRY.” I have found the State of the Craft to be flourishing in the State of Iowa. We need to continue to work together for us to continue to prosper for our greatest enemy comes from within, apathy. For years, we have allowed men into the Fraternity who do not belong. I am sure this has happened throughout our history, but today even more so, because of the mobility of our society and applications through the Internet rather than from traditional sources. I have instructed the Grand Secretary to make new Petitions with a question asking the Applicant if he would allow the Lodge to run a background check on him. This will be a request asked of all future Petitioners as a condition of membership. The Investigating Committee must do its due diligence and not simply rubber- stamp Petitions.

In keeping with the theme “GROWING IOWA MASONRY” a Long Range Planning Committee was formed in 2012, charged with the following duties:-

1. To monitor and research societal, economic and demographic trends which will affect Iowa Masonry in the future.
2. To develop and propose for implementation, a five, ten and twenty year strategic plan for the Grand Lodge. The plan would be subject to the approval of the membership of the Grand Lodge.
3. To monitor the progress of attaining the goals and objectives as outlined in the adopted strategic plan and provide a yearly report thereon.
4. To make periodic reviews of the strategic plan and recommendations on revisions as necessary.
5. To provide assistance to the leadership of the Grand Lodge, Committees of the Grand Lodge, and current and future leaders of the Constituent Lodges in developing programs to meet future needs; and,
6. To provide assistance as requested to the local Lodges in long-range planning efforts.

I recount these duties to avoid some of the negative comments made about the Plan last year. It was perceived as an attempt to appropriate the responsibilities of other Committees. The most common comments were either “That is not their job, that’s ours,” or- “They are telling us what to do.” This response may be the normal reaction to far reaching, comprehensive change.

That is not the intent. It is not the job of the LRP Committee to prepare the programs necessary to meet these goals; that is the responsibility of the individual Committees under whose jurisdiction the recommended action would fall. We are charged with the responsibility to monitor progress towards approved goals, or the lack thereof.

With these comments in mind we offer a modification of the initial five year plan, which was offered in part last year but met with such misunderstanding that restatement is necessary to identify that these are the goals that we should be working towards in the next five years. How they are reached, and in what form, will be the collective responsibility of the members of Grand Lodge. To re-iterate, the goals of The Five Year Strategic Plan are:-

### STRATEGIC OBJECTIVE 1.

Enhance our Communications. It is without dispute that the way we communicate is changing in so many ways, including the use of social media. We must be as proactive in developing our web based communications as possible. Additionally, as prices rise we are faced with continual dues increases, so more efficient cost effective communication with our members is necessary.

To improve our Internet presence we must:-

1. Optimise and improve our Internet presence.
2. Reduce and/or consolidate where possible, previous competing Masonic websites and improve our position on search engines.
3. Obtain and maintain professional assistance for maintaining and updating our website.
4. Go to a single platform for the website.
5. Develop a presence on social networks.
6. Develop options for Members to receive more Grand Lodge communications by electronic means while reducing costs.
7. Develop a plan for more on demand printing.
8. Develop a plan for reducing costs of materials actually printed while improving the quality of the printing, and develop resources for local Lodges to enhance their communications, through development of templates conjoined with web based assistance.

By the time this Report is submitted, a revamped and completely upgraded Iowa Masons portal will have been created, current content mitigated, and subordinate Lodges will be enabled to add, edit and maintain their own sites.

### STRATEGIC OBJECTIVE 2.

Helping Masons identify their role in Masonry. If a Brother does not find that part of Masonry that appeals to him, Masonry will quickly lose out to the multiple demands on his time. Masonry has three vital components which offer the best opportunity for the new Mason to find his niche; educational growth, socialization and philanthropic endeavors. To this end we suggest the following initiatives:-

1. Improve our Mentor Program.
2. The identification and training of Mentors.
3. Include Education as part of each stated meeting.
4. Develop templates for socialization opportunities.
5. Create a central calendar for Masonic events.
6. Exposure to other Masonic bodies.
7. Development of templates for establishing local Philanthropic projects.
8. Education highlighting the many different Masonic Philanthropic projects.

The Iowa Academy of Masonic Knowledge offers strong support for many of these goals, offering a Mentoring Course for new and old Masons, and Mentor Certification following completion of the Symbolism Course in all three Degrees. The Academy has now been made a permanent Committee.

### STRATEGIC OBJECTIVE 3.

Enhance the financial well-being of Grand Lodge and local Lodges. With shrinking membership we must take a more professional approach to income generation and maintenance, as well as a more business-like approach to budgeting and allocation of revenues. We suggest the following strategies:-

1. Develop retention strategies for members suspended for Non-Payment of Dues.
2. Collect data and monitor reasons behind SNPD.
3. Establish methods for ensuring personal contact prior to Suspension.
4. Develop individual target membership goals for all levels, including overall goals for Grand Lodge.
5. Develop a programmatic approach to budgeting rather than line-item budgeting.
6. Develop a data-driven model for projecting membership counts.
7. Develop a centralized web based payment system for Dues.

### STRATEGIC OBJECTIVE 4.

Planning for the needs for Grand Lodge, Library, Museum and Administrative Offices. We have a premium facility, but it is a facility with needs and planning must be done to avoid merely reacting to conditions that arise often in an emergency situation. We recommend the following:-

1. Acquire professional assistance to identify the buildings accumulated deferred maintenance needs and projected costs, building rehabilitation/renovation needs and costs.
2. Complete a Building Master Plan.
3. Identify costs of bringing building to ADA code compliance.
4. Develop a Continuity of Operations Plan.

GROWING IOWA MASONRY is not just a theme. It is a bold plan for our future. I know that in all times of change all our emotions get in the way. But I have done what I believe is the best for our great Fraternity. My hope is that if you do not agree with my decisions, we can agree to disagree and respect each other. If we work together we can accomplish great things, and Iowa Masonry will prosper long into the future.”

### Condensed from the Address of M.W. Wayne Sawyer Flora, Grand Master.

“Opportunity knocks.” the Grand Master stated in his opening Address. “If we are able and willing to capitalize on the renewed interest evinced by a new generation of young men seeking admission to the mysteries and privileges of our Ancient Craft, and we, as

mature Masons, mentor and engage in new projects with these new Masons, our future in Freemasonry will be assured.

Under normal circumstances, the Grand Master is in a better position to comment on the State of the Craft than anyone else, as within any given time period he has travelled further and visited more extensively and under more varied circumstances than his contemporaries. As I approach discussion of this subject with caution, I recognise that it is a theme that lends itself to generalization. However, my experiences of the last twelve months has enabled me to form definite impressions of our current status.

We continue to lose large numbers of our Brethren to the celestial Lodge above, and obviously, we have no control over this. However, we are attracting new candidates as well, younger Masons who see value in the principles and precepts inculcated in our Fraternity. They are attracted into our midst by the good men who are living the obligations taught around the altars of our Lodges. I see in the most successful Lodges, our older Masons are including the younger members in as many activities as possible, thus mentoring these new Masons, and merging the generational differences in the process.

It should be understood that prosperity, or adversity, in the Fraternal sense, is not geographically contained. While it is true that we find some Lodges in the throes of some degree of relative depression, at least in the membership sense, we find many that are thriving. Conversely, all of the thriving Lodges are by no means restricted to new and growing communities, for I have found innumerable small and active Lodges situated in quiet rural retreats of this great Commonwealth.

My Brethren, you have heard me talk about "You and Me." There is no more important Mason in our Jurisdiction than you and me, for in our hands lies the future of Freemasonry in the Grand Lodge of Virginia. Whatever our assets and liabilities may be, they are ubiquitous, and if we can agree on this, our prospects for the future can be considerably enhanced.

Looking at Masonry as a whole, I am impressed with the overriding significance of three inter-related and complex issues, with which we must cope in the immediate future. They are Membership, Mission and Money, which I list in accordance with priorities established by my own sense of value.

There is nothing in Masonry as significant as the Mason.

There is no function of Membership as significant as the fulfillment of the Mission.

These goals are achieved only at the Cost of time and substance.

I will also offer several other observations and suggestions. In Lodges in which programs were well planned in advance and during which the business portion of the meeting was conducted with concise precision, the Brethren were generally motivated and energetic. Therefore, I suggest that Worshipful Masters understand that they fail themselves and their Office, if they ever arrive at a meeting without a planned, interesting program. We, as individual Masons, must take ownership of our Lodges and be supportive in both our attendance and our financial obligations, so our Lodges will be in existence for future generations of men who will want to participate in what we have had the pleasure to be a part.

I also recommend that this Grand Lodge and the Lodges in the Commonwealth continue to utilize newer innovations in communication and technology, so our Lodges will have the most immediate information available to handle our inter-communication in a most efficient manner. This would also demand that the Public Relations Committee be more proactive in order to accomplish the maximum positive exposure for Freemasonry, for both Grand Lodge and individual Lodge events, through the various forms of media available to us.

I recommend that the Committee on Strategic Planning and Implementation continue to look at and monitor our Lodge needs through the questionnaires sent to them, along with the Reports of the District Deputy Grand Masters, to gather in a timely manner the

information required, so they can, if deemed necessary in the best interest of our Craft, make informed decisions on beneficial change.

The theme I chose for this year, "Freemasonry- A Beacon of Light," is emblematic of what we, as Masons, profess to the world, by the life we live and the community we serve. The Ritual lessons, when they are learned and understood provide the guidelines for one to become a better person. The relationship between coach and student form the start of the Mentoring process, which when reinforced by other Masons, has been used successfully for generations. It is this combination of Education, reciting the Ritual, and Mentoring which sets us apart from other organizations and provides the tie that binds us together.

We must continue to live our lives in a manner that attracts good men to want to join us. However, we must continue to guard our West Gate, by doing a thorough job of in the investigation of candidates and their families. Our emphasis must concentrate on increasing the quality of those who join our ranks over the quantity which may wish to join us. It is imperative that when we sign a Petition for consideration, we must know the petitioner. It is our obligation to be able to speak to the qualification of the man to be of Masonic quality.

This response may seem clichéd in light of the issues facing us; declining membership, societal change, demographic shifts and the social media revolution. This does not mean that we must abandon the firmly established practices which have served us well for over 200 years and which we must continue to embrace. But we must do more. This year, I, as your Grand Master, with considerable help and assistance from our newer and younger Brethren, have been engaged with keeping up with the innovations of the present. The Grand Lodge website has been enhanced and improved. My schedule has been made user friendly and easy to follow for anyone interested. The Lodge Locator has been upgraded and is more informative.

Everything has been kept up to date. Downloadable materials for Masonic Education are available for members' use. Pages have been provided for interested non-Masons to get information on "Who are the Freemasons?" that will enable them to locate the Lodge nearest to where they live, and who to contact for more information.

The online version of our Leadership Correspondence Course, which gives the individual Mason a strong foundation of material in regards to Masonic Law and Education, and prepares our present and future Masonic leaders, has been extremely popular and continues to surpass the paper version in terms of enrollment.

We must continue to keep abreast of and use these innovations in order to continue to reach potential members, if we wish to remain the largest and oldest Fraternity in the world."

## PENNSYLVANIA

### Quarterly Communication, Erie, Pennsylvania, June, 2014.

421 Lodges.....107,731 Members  
(Loss 1,027)

#### R.W. Grand Master, Robert J. Bateman

Brother Robert J. Bateman, Right Worshipful Grand Master, stated that the first six months of his Term have been successful as a result of the hard work by the Pennsylvania Brethren. Notable events were the Warden's Workshops, the Sectional Schools and the One Day Classes held so far this year. He congratulated the Lodges that are working to increase their membership, and acknowledged the hard work of the Lodge Membership Retention Committee to reduce Suspensions for Non-Payment of Dues. This Committee has been very successful in 2014, and has pledged to continue working harder to achieve even better results in 2015.

The Grand Lodge believes that the key to the future is the Mentor Program. There has been activity with the On-line Masonic Education Program, the Master Builder's Award Program, and the Grand Master's Awards Program. The Change for Troops Program is growing due to the support of the entire Masonic Family. This initiative now also assists our heroes who are having difficulties adjusting to civilian life after returning home from active duty.

The Master Builder's Award, created for newly made Master Masons in 2011, is a key component of the Membership Retention Program. Newly made Master Masons must complete a specific set of requirements. The first two parts, Mentor Program and Masonic History, are internet-based learning programs on the Grand Lodge Website, which they must satisfactorily complete. The third and final part is comprised of 10 mandatory requirements and three of six voluntary criteria that must be completed within one year of being raised to a Master Mason.

The Grand Master indicated that the Masonic Youth Groups are growing with two new DeMolay Chapters under consideration; two new Rainbow for Girls Assemblies, one operational and one to be constituted in September; plus one Job's Bethel Daughters under consideration, and he acknowledged the Brethren who have been working hard to make this happen. To emphasize the importance of Masonic Youth Groups, the Grand Master criticised the comments of the author Andrew Hammer, who commented in his 2010 book – "Observing the Craft":-

"Simply put, Masonry is not and never has been for children. Why then would anyone assume that the maturity required of an adult male who seeks to become a Mason is to be extended to a children's organization which emulates the process of Initiation, before a child has reached an age where he or she is capable of understanding what he or she is doing?"

"Never", R.W. Grand Master Bateman commented," has an author revealed his ignorance about a topic so succinctly in two sentences. Sadly, there are adherents to his opinions who have never seen such a group in action. And therein lies the problem with his contention. If Bro. Hammer had spent any time at all with the young people who are active with any of the Masonic Youth Groups in action, he would know that they not only understand the Initiation, but that they wholeheartedly embrace the promises made and the principles they have espoused. The Rituals of our Youth Organizations are beautiful, simple and straightforward. They have brought parents and siblings and youth members themselves to seek membership in the Fraternity. Most importantly, these organizations apply Masonic principles in a useful way to help guide the decisions of young people to serve the greater good."

The Committee on Masonic Temples, Halls and Lodge Rooms report that Lodge budgets are harder and harder to balance regardless of the Lodge size. All have the same problems; higher repair costs and supplies, taxes, ageing buildings and declining membership. A large problem for those who own Lodge Halls is the loss of income from rentals, sometimes very abruptly. It affects all Lodges who have rental income. Many have relieved it by renting additional space in the building. This works well until a tenant moves and is not replaced. An increasing number of Lodge owners are executing the option of selling their building and meeting in another location or in another Hall. Travelling a few miles does make some sense in many cases.

When a Lodge sells a building and enters into an agreement to lease-back meeting space in that building, it is extremely important to have a detailed list setting forth every expense that can come up and whose responsibility it is to pay those costs. Remember also, when you sell the Real Estate, you lose all control, which can either be good or bad. New Lodge buildings can be built, but the costs of construction today may not make this a viable solution. It is not uncommon to spend over one million dollars to erect a new facility. However, if two or more Lodges join together, a new facility could be made more feasible. Your Committee can assist in formulating plans for all these options.

The Committee on Fraternal Recognition received a request for complete Masonic acceptance from both The Most Worshipful Prince Hall Grand Lodge, State of Maryland, and its Jurisdictions, Inc., and the Most Worshipful Prince Hall Grand Lodge of the Most Ancient and Honorable Fraternity of Free and Accepted Masons of the State of New York. Both have received recognition and are in amity with the Grand Lodges of their respective States. They have both submitted a statement of principles as per our requirements. The Committee recommends that recognition for visitation purposes only be granted to both these Prince Hall Jurisdictions.

The Ritualistic Committee performed in their usual proficient manner at the many functions they attended throughout the year in promoting and maintaining the quality of Ritual work in Pennsylvania. The Regional Instructors travelled across the state to the 9 Sectional Schools. They were pleased to see the membership taking advantage of the printed Ritual to learn the dialogue and exemplifying almost flawless Degrees. A total of more than 1000 members were in attendance at these sessions representing every District in the Jurisdiction. The goal is to have at least one member from each Lodge in attendance at these seminars and at the Regional Instructors Fall visits, where the format is geared to instruction in Election of Officers and the Installation.

"There are three things in life that make a person," the Grand Master concluded.

Hard Work

Sincerity

Commitment.

All three will be applied in all the afore-mentioned areas to help us make Freemasonry grow in Pennsylvania. There will be a strong focus on Masonic Youth. Unless we want to observe the Craft as it fades away into obscurity, we need to extend our Youth outreach and make sure that we embrace the most basic concept of operative Masons – that of training our apprentices to take our place. We must use the blueprints and designs of the past and the tools of the present to build our Great Fraternity. Brethren, we are the builders of our Masonic Future, and I believe it is time we all get to work."

## NEW BRUNSWICK

### 32<sup>nd</sup> Annual Conference of Grand and District Grand Lodges A.F. & A.M of Canada.

Winnipeg, Manitoba, April 2014.

41 Lodges.....2900 Members

### Condensed from the Address by M.W. Bro. Stephen H. Allen, Grand Master.

"Though we are a small Province with a small membership, for those who were in attendance at the Grand Lodge of Canada in the Province of Ontario last July, you would have heard me make the remark, "Size doesn't matter." We all face the same challenges; some are the same, some are different, but as we gather to share the different ideas and projects being undertaken in the various Jurisdictions, we cannot help but learn from one another. We don't have to re-invent the wheel, for if there are projects and ideas that are working in other areas, maybe we can make them fit to our needs as well.

One of the issues of great concern to me and our Jurisdiction is attendance at the regular Lodge meetings. Though many Lodges have 50 to 75 members, rarely would you see more than 15 or 20 present at a Stated Meeting. Now there may be visitors present who bring that number up, but I am concerned with the missing Brethren. After I was Installed as Grand Master, I challenged the members of our Fraternity to seek out the answer to one simple question:-

### “Where is my Brother?”

I challenged every member of our Fraternity, and still do, to make an effort to contact at least one or two of the Brothers whom they have known in the past, but have not seen recently, to contact them within 24 or 48 hours of the meeting to let them know they are missed. Let them know what is happening in the Lodge, that they are needed, and offer them assistance in getting to the next meeting if required, and follow up with them just before that date. I believe personal contact is important, and if the only time that Brother hears from the Secretary is to tell him that he is about to be suspended for Non-Payment of Dues, it is not much encouragement for him to return to Lodge.

I have also begun another program on my Official Visits and District meetings. It is customary in New Brunswick for the Grand Master at visit each Lodge at least once in their two-year term, and hold at least one District meeting annually in all seven Districts, at which each Lodge in the District is expected to attend and to present some Masonic Education. This program has proven to be very useful, and I have been getting a very good attendance and participation by the membership. I have again proposed two questions to the members present at the meeting:-

1. What in your opinion is the greatest issue facing our Fraternity today?
2. What, in your opinion can Grand Lodge do to help?

After I have presented the questions, I have called the Craft from Labour to Refreshment to give the members some time to talk about these questions among themselves and to offer a response. After 10 to 15 minutes, I call the Craft back to order and explain to all present that my Grand Director of Ceremonies will be taking notes on their responses, and that after I have run the program at least once in all Districts, I will form a Committee of both Grand Lodge and the members from the floor to sit down and analyze what the membership is telling us what to do. We will do our best to follow up on their recommendations and suggestions. I truly believe we have a very great number of knowledgeable members in this Fraternity, and when given the chance, can be very helpful in solving some of the issues facing our Craft. Also, if a proposed solution comes from the Brethren, they should be willing to support it.

We have just launched in our Jurisdiction a new Grand Lodge website. It has a number of very good features including a Lodge locator which is tied to Google Maps, and also a great calendar for a Provincial trestle board, enabling you to see what is going on in each District on any given night. I have also included my two questions and most recent message to the Craft on the website and have received a number of responses from those who are unable to attend meetings in person. I assure them that these will be presented to the Committee for consideration. We also have placed a couple of young members in the role of roving reporters in several areas, who are happy to report on news events in their Districts, such as 50 or 60 year pin presentations, and events of a Grand Lodge nature that can be posted on the website within a day or two.

In one of our communities, the local Lodge has partnered with the Legion and the town to have banners on the light posts with a picture of a veteran of one of the wars displayed for several weeks before Remembrance Day, in recognition of his or her service. Much to their surprise, the veterans were invited to the ceremony this year, unaware that a picture was about to be unveiled of them in their youth dressed in full uniform. It was a huge success and they already have orders from some of the families for a number of new banners next year.

We have been given permission by our neighbours in Massachusetts to use a program called the Master Mason’s Rookie Award. We have started it in three Districts and I hope it will spread over the whole Province. The program stipulates that a newly-raised Master Mason must complete, within one year, at least 11 of 13 items on a list to qualify for a certificate and lapel-pin. The list involves visitation, assisting to set up the Lodge,

attending functions and fundraisers, and participation in community events. This is engaging the new Master Masons.

We had a very successful Grand Lodge session this year, and our Chairman of PR arranged for a local cable TV company to attend and film the semi-public portions of the Proceedings, including several interviews with the current and past Grand Masters and a couple of very new Master Masons. They did an excellent job and this was aired across the entire Province. They painted us in a very good light. We have acquired a CD of the event which I have distributed to each Lodge to be shared with the Brethren. This is great publicity, at no cost to the Fraternity.

I will share one last District project with you, which I hope will spread across the Jurisdiction. It is called Books for Bikes, whereby a Lodge supplies new bikes and helmets to the local school for several grades. As the children read a book, they are allowed to enter a ballot in a box, and at the end of the year a name is drawn in each class, and the successful child is awarded a new bike and helmet. I must relate this story which happened in one class, where, unknown to the teacher, all the students entered their ballots with the same name, that of a child too poor to own a bike. What a great gesture by the children and for the Masonic order to be a participant.

Brethren, I am sure I have used up all my allotted time. I thank you for your attention and for the opportunity to share some of my ideas and projects. I hope that something I have said will spark interest in you and be of some use in your own Jurisdiction, be it large or small, because really Brethren, when it comes to Masonry..... "Size doesn't matter."

## NOVA SCOTIA

### 32<sup>nd</sup> Annual Conference of Grand and District Grand Lodges

Winnipeg Manitoba, April, 2014.

93 Lodges.....4430 Members

### From the Address by M.W. Bro. George Grant, Grand Master.

"It is indeed an honour to be the Grand Master of the birthplace of Freemasonry in Canada, Annapolis, Nova Scotia - 1738. When I was installed as Grand Master I wanted to highlight the great work we do as Masons, resulting in my theme being Public Relations and Communications. This year was filled with activities which profiled Masonry in Nova Scotia; community parades; charitable events; church services in several communities; Masonic flags displayed on one of our bridges in the Halifax Region; the unveiling of the time capsule in Digby; and the 175<sup>th</sup> anniversary of one of our Lodges in New Glasgow.

The Public Relations Committee is hard at work creating awareness vignettes during the 275<sup>th</sup> Anniversary of Freemasonry in Canada. These videos are shown on Eastlink local television, and posted on-line for a period of time on the front page of the Grand Lodge Website, one of the most popular being a film of the Bluenose Schooner, winner of the 1921 Fisherman's Trophy, built, staffed and captained by Freemasons, proudly displaying the Square and Compasses etched into the stern of the iconic vessel, at every public appearance.

The Committee is currently working on the following main activities:-

Activities surrounding the 275<sup>th</sup> Anniversary of Freemasonry in Canada.

Ongoing website improvements and maintenance.

Training interested Brothers in the use of the new Video Conferencing Tool.

The mandate of the Committee, as it was given by the Board of General Purposes, has been defined as the following:-

Public Relations is a strategic communication process that builds mutually beneficial relationships between organizations and their publics.

A public is anyone who ever has or whoever will form an opinion about the client, in other words, a target for PR. In our case the client is you, the Masons of Nova Scotia. So we decided on two targets, Masons and the Nova Scotia public at large. Consequently, the work of the PRC has fallen into two areas; Internal PR and External PR.

INTERNAL PR is concerned with maintaining and fostering the image of the Fraternity through improvement of communications and the flow of information among Masons, Districts and Lodges within Nova Scotia, and the Concordant bodies. To date, the PRC, through the efforts of the Web Site Committee, has built and continues to improve a brand new web site to ensure that all Masons have access to information and events which are taking place across the Jurisdiction. Lodges can post their events in advance so that the interested Brothers can take part or at least stay informed.

Via the PRC, the Jurisdiction has also been introduced to Video Conferencing which should improve the long distance communications between Committees without the necessity of travel. There are many more uses of Video Conferencing other than for Committee Meetings of course, and these are being explored by interested Lodges and Districts. Some Concordant bodies have contributed to the financing, which has broadened the use of this communications tool for all Masons.

The publications 'THE FREEMASON' and 'FOOTSTEPS OF THE MASTERS' are managed by the PRC within the Web Site, which informs everyone of successful Masonic ventures, provides historical insights, latest ideas, and opinions and research into Masonic matters.

EXTERNAL PR is all the activities carried out by Lodges, groups of Masons or Grand Lodge, which has an impact on the general public. A case in point is the 'BELIEVING IS SEEING' campaign. The PRC, the Masonic Foundation, the Concordant bodies and other public-minded Masons, raised \$250.000 in 17 months to purchase a Spectralis OCT machine for Queen Elizabeth Hospital to improve the diagnosis of retinal problems.

If a Lodge or District has a special project which promotes the image of Freemasonry in the eye of the public, you can apply to the PRC using our new Web Site. Your PR Committee is working for you providing hands-on organizational and financial support.

This year in Nova Scotia, Masonry has been profiled in a very positive light. The support I received from the Brethren has been overwhelming. Their engagement in promoting my theme was evident in their very active participation in the year-long celebrations. I wish you and them well in all future endeavors."

## SCOTLAND

**M.W. Charles I.R. Wolrige of Esslemont, Grand Master.**

**A Summary of the Regular Communication, Freemason's Hall, Edinburgh, June, 2015.**

"The Administration Committee will be submitting revised recommendations to restructure Grand Committee, which is considered by the majority of members of that Committee to be too large a body to thoroughly examine any proposals to be brought before Grand Lodge for approval. It is, of course, of paramount importance that the democratic processes of Grand Lodge are preserved, as only the members of Grand Lodge as a body can approve or reject any recommendations made, whatever the source of the information, including the appointment of Grand Master and other Grand Lodge Office-bearers.

Masonic Education will continue to be emphasised. The "Intender (Mentor) Programme" developed and carried out by the Provincial Grand Lodge of Renfrewshire East, has the full backing of Grand Lodge and all Provinces are encouraged to participate in the Intender Programme now being offered. This is a long term programme which I hope will be rolled out over all Provinces and Districts.

The Administrating Committee are examining the Licencing Laws to enable Grand Lodge to market a range of Grand Lodge Whiskies on-line and in the Grand Lodge shop.

Plans for a Public Masonic Procession and an All Faiths Service are being made to commemorate the END of the Great War in 1918.

As more Lodges go down the route of Amalgamation rather than Dormancy, guidance to Lodges is required regarding possible problems and probable necessary changes in the Constitution and Laws.

The planned memorial to those Brethren "WHO GAVE THEIR LIVES IN THE SERVICE OF OTHERS", is progressing well and will be in place before our next Communication in October. We are considering plans for an unveiling ceremony after early September, and I am confident that the final product will be a lasting memorial in Freemason's Hall of which we can be justly proud for many years to come. Bear in mind that this is not a Masonic War Memorial, but for all Freemasons who have given their lives in the service of others.

A building such as this requires significant expenditure to maintain it in the superb condition it now is, and this has been achieved by judicious financial planning by the Administration Committee under the Chairmanship of the Grand Treasurer. Freemason's Hall is not only the worldwide headquarters of Scottish Freemasonry, but also a valuable income producing asset, with not only the Hall Lets to the Edinburgh Festival each year, but other Lets from weddings and other outside events, the income from which helps to contribute to the maintenance costs of the building.

The Information and Communications Committee are overseeing the production of a professionally produced film about the Grand Lodge of Scotland. The project is being carried out by Screenways Media and is progressing extremely well, and they hope to deliver the finished product before the end of the year. The use of social media was discussed, and the feasibility of Grand Lodge utilizing perhaps Facebook as a means of enhancing and supplementing the website. After a brief discussion, it was agreed that the Grand Secretary would contact Screenways Media asking them if they could produce a brief report on how best Grand Lodge could utilize social media to improve the public persona of Grand Lodge.

The Committee were advised by Screenways that in order to maximise the impact of social media and integrate with the website they strongly advised that an 'audit' of the present usage of the website was required, followed by a 'rebranding exercise'. It was anticipated that the 'audit' and 'rebranding' work on the website would take 3 to 4 months at cost of approximately 10,000 pounds. On the basis of the report, the Committee agreed to set a budget for this amount to complete the project, which would be overseen by the Information and Communications Committee.

The Committee discussed the current position of the Database and we were advised that there were over 200 Home Lodges still to return the requested Lodge Members details. The Committee agreed that the Grand Secretary should report this matter to the PGM and thereafter write to all the outstanding Lodges advising them that if they do not return their requested information by December 31<sup>st</sup> 2015, then Grand Lodge will withhold the 2016 Annual Certificate.

Our Benevolence and Masonic Homes Committee continues to be managed in a strong and effective manner. The survival of our Masonic Homes depends on the continuing generous financial support of the Brethren. However, as the increase in regulations and legislation puts an increasing strain on our stated objective of maintaining the standard we have imposed on ourselves, of providing first class residential

accommodation in a safe, healthy environment, we have achieved this only by a close control over costs and expenditures and a review of staffing structures. We put much emphasis on health and safety and ensure that the staff in our Homes are educated to the highest levels.

Donations to non-Masonic Charities continue within the parameters we have laid down over the years. We have answered appeals for the East Asia Tsunami, the Haitian Earthquake and the Philippines Typhoon Disaster. After all these disasters, we raised substantial funds, but resisted the temptation to go down the easy route and send a donation to International Aid Agencies, instead retaining the funds in a dedicated bank account in Grand Lodge.

The funds remain there until our Districts in the vicinity of these disasters have been able to identify a specific long term project to assist the victims, so we can be assured the Brethren's donations are being used for the purposes they were intended, rather than contributing to the "Administration Expenses" of International Relief Agencies. It is precisely for such reasons we adopt the policy of not authorising the payment of any funds until we are satisfied the projects are bona fide and that value is received for money spent.

The Grand Secretary and I recently attended a meeting of the European Grand Masters in Belgrade, Serbia. These meetings are held every two years and it is important that we are represented to ensure we keep up to date and informed regarding any developing issues in Europe which may potentially have effects on our relations with other Grand Lodges. Various considerations on the principles of Recognition and Regularity were discussed and it is important to remember that each Grand Lodge is a Sovereign body and no "group" decisions are ever made. Our views on Recognition are unchanged in that whether one Grand Lodge recognises another is entirely the decision of each Sovereign Grand Lodge.

Last year our Grand Lodge made the decision to re-recognise the Grand Lodge Nationale de Francoise (GLNF) after a period of unrest in that Grand Lodge, which led to the withdrawal of our recognition. It was correct to initially suspend relations and ultimately withdraw them, just as the timing of our decision last year to restore them was also the correct one. We never doubted that GLNF was a regular Grand Lodge – in fact the only Regular Grand Lodge in France. We were also firmly of the belief that we should neither interfere in their internal affairs nor take advantage of their unfortunate circumstances. We also believed that such a proud old Grand Lodge would take steps to repair its own wounds.

Early on in the dispute, Scotland, Ireland and England decided that it was important that our Grand Lodges should, on the international stage, be seen to act in unison with regard to this problem. I believe this hastened a resolution to the matter. We also maintain a cautious approach to recognising "new" Grand Lodges.

I still believe in the old maxim, "Decide in haste, repent at leisure."

Brethren, I would finally like to record my appreciation for all the assistance I have received over the past year. I have found, both at home and in many countries that the fires of Scottish Freemasonry are burning brightly. We are all members of a wonderful institution that has stood the test of time over hundreds of years".

"What makes a successful Lodge? Ask Amity Lodge # 6, winner of the Outstanding Lodge of the Year Award. The big secret? Education, Mentoring, Communication and Community Involvement. The following is a sample of some of the activities that made them stand out:-

Amity Lodge invites potential Candidates and their families to dinner prior to being voted on. This enables Lodge members to get acquainted with potential members and vice versa. This small gesture of Brotherly Love and Friendship says volumes about the Lodge and its members.

After each man has become an Accepted Candidate, both he and his family are invited to dinner, regardless of what Degree work is being done that evening.

They publish a monthly newsletter and distribute it by e mail and U.S. MAIL.

They have a Facebook page. This enables the outside world to get a glimpse of Freemasonry, and hopefully, causes some good men to petition for membership. Facebook is very popular among men of all ages, but is especially interesting to younger men.

All Candidates are assigned an Elder Brother (Mentor) to help them learn their lesson, and they are strongly urged to give their lessons in open Lodge along with their Mentor. After a Brother demonstrates proficiency of the Master Mason Degree, he is given a Lodge coin with the appropriate dates engraved on it.

They have a very active Masonic Education Program and all Brethren are encouraged to recommend, develop and present topics of interest to the Lodge.

Recently, multiple members learned portions of the Master Mason Lecture. This provided some relief to the members who usually do these lectures, allowing more Brothers to get involved with the Degree.

Education has been a regular agenda item at every Stated Meeting for several years.

Guest speakers have been invited to give presentations.

Amity Lodge and St. Paul's Lodge maintain a common library that makes all sorts of educational materials available to the Brethren. Recently, both Lodges teamed up and printed the first volume of Short Talk Bulletins. These will be utilised to conduct Masonic Education programs for both Lodges.

Amity Lodge is doing an outstanding job of educating their Candidates and Membership alike. Furthermore, they are actively involved in their community and have proven themselves to be excellent Ambassadors for Freemasonry.

The tools which enable a Lodge to excel are provided by the Committee on Masonic Education and Lodge Services. They are supported by the Committee on Membership. Both realise that success requires effort and the application of whatever positive programs work for an individual Lodge. Maine is affected by the problems common in other Jurisdictions; Demits, Suspensions, and the resulting decline in numbers; a net 5 year loss of 3,884 members.

To counteract this trend, the Committee introduced the Masonic Rookie Program. It is designed to reduce the number of Demits and Suspensions for Non-Payment of dues by teaching good Masonic habits to the newest Brethren. 103 new Masons enrolled and all completed the requirements of the program. All are still active. None have demitted or have been suspended. More than 80% are currently Lodge Officers. There are very few

Lodges in this Grand Jurisdiction that would not benefit from that kind of result. The Districts that have embraced this program have shown the greatest growth in the last 5 years. Our task is to persuade the other Lodges and Districts to see its benefits. We can do better!

The rate of Demits and SNPD have been declining; from 541 in 2013 to 384 in 2014. We must do a better job in keeping the Masons we already have. Retention is not only the key to stabilising our membership, it is the key to our survival. We must continue our efforts to attract new Brethren. Nearly 25% of our Lodges (44) have raised 5 or less Brethren in the last 5 years. We have been holding State-wide Open Houses for several years, with varying results.

Lodges that plan a community event on those days have met with success, while those Lodges who do no more than put out a banner and hope people come in, have not. It is more productive to hold an Open House in conjunction with a special town event. Find more than one opportunity a year to invite the public; perhaps to honour a local teacher or emergency personnel. We have also developed a new promotional video to be shown at these events or through social media. A copy of this video has been mailed to every Lodge and can also be viewed on our Grand Lodge website. Its goal is to impress young men who are not yet Masons, not those who are already.

It was created to replace the Ben Franklin video that has been in use for several years. I asked the opinion of the Franklin tape of a few men in the 20 to 30 year age group. The response was unanimous; it gave them a negative impression as it presented Masons as old men who were stuck in the 1700s. This new video, prepared and narrated by a FC Mason, is more reflective of who we are today.

Once upon a time, there was great interest in each and every new permutation of a website. Now they are like utilities; ubiquitous and frustrating when they don't respond as we expect. We are all overwhelmed by the glut of information on the Internet. Our Webmaster is doing his best to ensure we are not adding to it. Grand Lodges which actually USE their websites, realise that there is so much information out there it is difficult to find things. To this end we have this year tried to list all Forms and downloadable items in one place. We have even listed the same thing multiple times depending on its name to try to make it easier.

The website is being updated every 7 to 10 days, and sometimes more often than that. Many forms and publications are being reviewed and updated to make them more user friendly. Lodges and Districts who have embraced District Calendar use are, from reports I have received, pleased with the result. Although we have some laggards, most of you have been able to see what is going on in your area and across the State.

In order to minimize confusion and ensure some degree of probity, the Grand Lodge Webmaster has been given the responsibility of overseeing all social media activity as it relates to Freemasonry in Maine. There have been occasions when passion has outstripped sensibility, but I am pleased to day that in all cases, Brethren have responded immediately and contritely over an impression they may have mistakenly conveyed as a result of their behavior been seen as exemplifying Masonic morality. Our Social Media Policy is not a bludgeon, but rather a guide. You need to remember that once things are online they NEVER go away – and that YOU are someone's impression of Masonry. Guard against intemperance at all times.

We have begun the process of placing barcodes on the Dues Cards beginning with the 2016 year. As barcode reading technology has greatly improved, this innovation will make registration for and reporting on the Annual Communication far more efficient, thus allowing the Credentials Committee to function more effectively.

If you have any thoughts or ideas on how to enhance online communication, let us know. Grand Lodge is keenly aware of its role-service. We want to fulfil that role as effectively and efficiently as possibility. The foregoing is an example of the many initiatives we believe will lead to success. Education, Communication, Mentoring and

Communication are a few of the keystones. Remember Brethren, it is all about you, not us. Masonry, and its future, resides first in every Lodge in the State and in every Brother."

#### Condensed from the Address by M.W. William J. Mollere, Grand Master Elect.

"We all begin a new Term today, many ideas, many projects - yet how much can we accomplish in twelve months? An older Mason once told me that when he observed a new Grand Master in his Lodge expounding on new ideas and thoughts his response was, "Well, he is a nice fellow, but he will be gone in a short time and then we can go back to the way things were." I remember that. But I remember that we have existed through the ages by doing what is right, not always by doing what someone wants to get done, like a newly-minted Grand Master full of grand ideas. We do change, not by much each year, but we do change by doing what is right. The Blue Forget-Me-Not flower is part of our Masonic emblem. It is a reminder to us what is right, that freedom is not free, responsibility for each other never ends, and to care and help, aid and assist, are part of who and what we are.

The Membership Development Committee stated that Membership's 3 R's – Recruit, Retain and Restore, are not being followed well within Masonry, yet the Craft states that Membership is the lifeblood of the organization. Every member should have a Petition available at all times; should be able to explain Masonry at all times; should be able to explain the process of becoming a Mason at any given moment. It is the goal of this Committee to place in the hand of every Mason a package with a brochure, a Petition, and a "QUICK FACTS" on Masonry pamphlet. A "TUFOR" medal has been developed and will be presented to every Brother who recruits a new member to replace himself and sponsors a new member to grow his Lodge – 2 for Masonry—"TUFOR".

Involvement in the Lodge is the key to retention. Making a Brother feel welcome; imparting then true meaning of the words in the Ritual; making his Lodge a part of his life, will keep a Mason coming back and becoming active. Recognising members who perform and participate can be as simple as saying "Thank you." The idea of selective invitation, better investigative processes and holding members responsible to assigned tasks can also lead to positive membership growth. Let us not forget that not too long ago, this was the way it was done. Let us also remember that many good men know nothing about Masonry – we can enlighten them without asking them point-blank to join.

Two primary programs this year will be to contact every member in every Lodge and check on his welfare. Does he need his Lodge to assist? He has kept faith with his Lodge and paid his Dues. He has not forgotten his Lodge over the years. Has his Lodge forgotten him? The second project will be to find and contact all Masonic Widows in each Lodge. We promised to care for them. Let us not forget. The Grand Senior Warden will be promoting and monitoring this important project during our Term.

Louisiana's Grand Lodge has nineteen Masonic Districts with 10 to 22 Lodges in each. Some Districts cover large geographic areas, some small urban areas. A study Committee was appointed last year to recommend what, if any, changes could be made to improve communication, visitation and Brotherhood throughout the Jurisdiction relative to the District alignment. This year, nineteen District Deputy Grand Masters have been appointed to visit each Lodge within that assigned District and report on several of that

Lodge's Masonic activities. The Deputy Grand Master will gather those reports, review the information and make recommendations of a Lodge's ability to meet the requirements of holding a Charter, practice Masonry, and meet in a safe and secure Lodge. Lest we forget-this Grand Lodge has a serious need to maintain certain standards.

Louisiana's Grand Lodge has chartered hundreds of Lodges and has recognised hundreds of Appendant Bodies, including Eastern Star, Conclaves, York Rite Honors and many others. No one is certain how many groups we actually have operating in our Grand Jurisdiction, and their purpose for existing. Obviously, there is an interest in having all of these groups or they would not exist or have any members. This year, the Grand Junior Warden is tasked with discovering, cataloging, and producing a comprehensive Directory of the organizations in our Masonic family, including their name, purpose, when and where each meets, and describing any Charity supported and financed by that organization, and for what purpose .Towards the end of the Term, a Masonic Congress will be called to allow representatives from these organizations to review the Directory and compile a master calendar of events for the following year to keep potential conflicts from being scheduled on the same dates in the same area. Years ago, an attempt to complete this task was made, but lack of leadership led to its demise. The Grand Junior Warden will provide the necessary leadership. Lest we forget-we are a family.

The District Grand Lecturers are entrusted to be the guardians of proficiency in Masonic Ritual- so this year I charge each one of them to visit every Lodge within his Lecture District and, in a positive manner, grade every Lodge on Opening and Closing, and then to hold a de-briefing, with all Officers present, pointing out the good points and possible areas for improvement. Further, each Lecturer is to hold at least one Ritual Workshop during a District Lodge meeting on Opening and Closing in the Entered Apprentice Degree.

The Permanent Committee on Work is tasked to examine the age-old system of Certification of Proficiency. A Master Ritualist Program could be explored as a step toward someone becoming interested in achieving a full Certificate of Proficiency. The current system is stagnant and needs refurbishing. Proficiency is important, but not every Mason is interested in Ritual. Make the program a step-by-step process to achieve a full Certificate. The Grand Junior Deacon is empowered to work with the Lecturers and the Permanent Committee to fulfill these duties within the timeline outlined. Lest we forget-our Ritual binds us as Brothers and reminds us of promises and obligations. We must keep the esoteric work interesting and challenging for all our members. Ritual for the sake of enlightenment is valuable. Philosophy should be covered in Lodge, as it is Masonic philosophy that truly transforms men into Masons.

Masonic Education is important and needed, and should never end for any Mason. We should learn something new each day. Why not make that something Masonic? The monthly Grand Lodge mailing has for years included a one-page Masonic Quiz to be hopefully used in every Lodge to enlighten and teach. The Masonic Education Committee has laboured to bring new educational information and material to all Brethren. Our magazine, "LOUISIANA FREEMASON", is another tool to inform and educate our Brethren. It should be more than just a picture booklet of happenings. The latest edition is in a new, better quality, format. The Grand Sword Bearer is tasked with Chairing the Education Committee, editing and producing the publication and ensuring that an education program continues this year to enlighten, stimulate and excite all members about Masonry, which will include the Warden's Retreat and any Workshops. Masonic Education should be a priority in every Lodge, for without it we are reduced to merely being a social club with a particular Ritual for Initiates.

Our Masonic Youth Programs need our support. In 1965, The Order of Rainbow had 50 Assemblies in Louisiana with several thousand members, and the Order of DeMolay had 28 Chapters with 800 on their rolls. 50 Years later, we do not have those numbers, yet there are more young men and women who could use the lessons of life instilled through

these organizations. Many of us in this room are products of those lessons and precepts. I ask, encourage, and beg you to support them. Serve as an adult volunteer or advisor, and lead your sons and daughters, nieces and nephews, grandsons and grand-daughters to join. Masonry needs the next generation. They also need us. For too long we have tip-toed around, looked the other way, and failed to see that Freemasonry exists outside of this Grand Lodge. There are good men, upright and true, who belong to these other Masonic organizations that we do not recognise. Reality is before us and studying who, what, and where these groups are within Louisiana is needed.

Therefore, a Grand Lodge Study Committee is hereby empaneled to study the regularity of other unrecognised Masonic organizations, contact them as needed, and report to this Grand Lodge at our next Annual Grand Lodge Communication any recommendations that the Study Committee may develop. This may be a controversial matter that is being brought before the membership-it will not be the last this year. Lest we forget-by working together for peace and harmony there will be no controversial matters.

We spent a great deal of time this year in designing and developing a new database. It is Internet based and can be accessed from virtually anywhere. It is designed to operate with mobile devices, so you can access it with your iphone or ipad. Its main benefit is its reporting capabilities. It will allow a Secretary to quickly see the Lodge membership numbers as well as the status of EA and FC Masons so we can monitor their progress. It will be a tool to help Lodges to better communicate with the membership. We will hold training sessions to educate the Lodge Secretaries on its features and benefits.

My Brothers and Friends of Masonry, many programs, ideas and suggestions are offered to you through this Address. Will any be accomplished?

I hope many will be accomplished or at least started. This Term lasts 12 months. It will be up to all of us to make any changes needed, add programs that will grow our Lodges, and keep our Brotherhood focused on Friendship, Morality and Brotherly Love.

Lest we forget-the 12 months have begun. Let us move forward.”

### **The Proceedings of the 75<sup>th</sup> Annual Inter-Provincial Conference of the four Western Masonic Jurisdictions.**

**Held at Banff Park Lodge, Banff, Alberta, October 13<sup>th</sup> to 16th, 2015.**

“When one reviews the presentations made at this Conference over 75 years, one notices they focus our attention on the following broad topics:

Leadership/Management

Planning

Education

Commitment/Motivation

Effectiveness

History

And recently – Generations in Lodges, their influence, their individual needs, the strengths that each generation brings to a Lodge.

Over years, our Jurisdictions have examined, assessed, analyzed and questioned, dissected and explored, and debated and argued the reasons for membership change, for improving education and programs, for strategies for the effective government of Lodges, Districts and Grand Lodges, for better motivational skills, and the list goes on. We have searched for better change in Lodge life to stimulate members to return to active

membership, and we have confirmed how to make Lodges as they used to be in their heyday, if they really were in their heyday! And I have no doubt we will continue to review these topics. It seems that we have exhausted all these topics to the “nth” degree. Yet, they all seem, over time, to return and haunt us again. And they should do! Our society is changing and so are the members who are being initiated. Their upbringing and the environment they have lived in is different from our upbringing and society through which we have grown. But a common factor remains, proven by the enormous resources accumulated over the last 75 years which we can tap into to aid us in the future - the pursuit of personal growth”

This introduction by PGM Stephen Godfrey of the Grand Lodge of British Columbia & Yukon, opened the Conference to the presentation of papers by Brethren of the four Western Masonic Jurisdictions, to allow the leaders of these Jurisdictions to express their views and opinions on various topics of the Fraternity and the science of Freemasonry.

#### “QUALITY LODGES FOR QUALITY MASONS.”

From a Presentation by the Grand Lodge of British Columbia and Yukon.

“We talk about guarding our West Gate and ensuring we receive only good quality men into our Fraternity. When we do receive them, what about the quality of meetings they attend? There are two main areas where we lose Brethren from the Craft. We overwhelm them with Ritual and Protocol, combined with a lack of MENTORSHIP to help them progress through their Masonic Journey. Our senior brethren are also becoming increasingly disenchanted with the Status Quo and lack of stimulating Lodge Meetings. Changes must be made. Before I do, I must clarify that I am not promoting innovation to our Ritual or Landmarks.

There are three areas of Work in Freemasonry; Governance, Ritual and Education. I propose that we make changes in all three areas.

#### GOVERNANCE

There are many Brethren who sit on the sidelines of the Lodge year after year, who are business owners, retired managers, Military personnel and community leaders who do not wish to proceed through the Offices of the Lodge, as they feel they cannot do all the Ritual in that position. They may not be great Ritualists but are great managers who can look after the Governance of the Lodge. Of course, anyone who proceeds through the various Chairs must do the necessary Ritual for the opening and closing of the Lodge in the various Degrees. But by removing the Degree Work from their duties, they can now give their undivided attention to running the Lodge in a manner that will stimulate the minds of the other Brethren. This, together with implementing Lodge Degree Teams for Degree Work will provide the quality time in Lodge that has been talked about for many years. How do we provide that quality time in Lodge you ask? We must take time to plan the meetings for the coming year.

The Senior Warden of a Lodge should presume that he will be going to the East the next year. He must organize and plan what is going to be done during his Stated Meetings for his year in the East. He can lay out his plans for the ensuing year and present them to the Past Masters, so that he may make any necessary changes before his Installation.

Let's also take the mundane business out of the Lodge and put it to the Board of General Purposes. This is where the business of the Lodge should be carried out. How many times, as a visitor, have we sat in another Lodge and have heard the dirty of laundry of a Lodge aired under the heading of New Business or Good of the Order? If we do all our business, as well as that of a delicate nature, at the Board of General Business in a private setting, it may encourage Brothers to speak up in that more personal, safe and private environment because it is in front of his Lodge Brothers only. This will also give the Senior Warden, as Chair of the Board, the experience he needs to conduct a meeting during his year as Worshipful Master. So, when it comes to dealing with the Business of

the Lodge, the Senior Warden gives a report on the Board of General Purposes and makes a motion to accept their recommendations. End of business.

## RITUAL.

How many of us have sat through a Degree and listened to a Brother being prompted every second line or actually having to read the Ritual out of the book? This is disrespectful and irresponsible for a Brother to do this to our Candidates. When a Worshipful Master is installed, he consents to the Ancient Charge number 11, which reads as follows, "Do you not admit that it is not in the power of any man or body of men, to make any alteration or innovation in the body of Freemasonry."

But what is wrong with variation? There are ways in which Ritual can be delivered without innovation. Our new Constitution states that Ritual Teams, using their own Ritual, may confer a Degree on a Candidate in any Lodge.

Would it not be prudent for a Lodge to develop a Degree Team for each Degree?

We already have different Degree Teams throughout our Grand Jurisdiction; RCMP, and the Scottish Degree Team for example. Let us build our Lodge Degree Teams from our own members, and if there are not enough Brothers in our Lodge to fill all the parts, then let us invite Brethren from other Lodges to help out. We just have to ensure that there are enough backup Brothers to fill in where necessary. We can also have the major parts of the Lectures of the different Degrees done by numerous Brothers and be somewhat imaginative in the Floor Work when the Lectures are given.

We have a great opportunity to put some real drama into sections of our Degrees. By implementing these Teams, we can be assured that men good men that are coming through our West Gate receive quality Degrees through their Masonic journey.

Earlier I said Brethren are tired with the Status Quo. What is that exactly, Status Quo? It is when we open our Lodges in the appropriate Degree, welcome visitors, read the Minutes, Treasurer's Report etc., and then go home. Let us put some thought into making some of these changes. It will leave us more time to put the Lodge at refreshment; dedicate time to the arranging of more social activities; have a guest speaker to address us on any topic; encourage discussion between the Brethren; offer a video presentation or any other educational information the Worshipful Master, the Education Officer, or a Brother may want to present. I would encourage all Lodges to think outside the box and be imaginative as to what can be done during this refreshment period.

In conclusion, I quote Bro Matt Nelson from his book, 'A 5 Step Guide to Masonic Reform'.

"We must understand that the Fraternity is an interdependent network of complex levels. Caution: What gets us to where we are now is not good enough to keep us going.

**GOOD** is not enough, you need to be **GREAT**.

**GOOD** got us here.

**GREAT** gets us there.

When we are there, that is the new **GOOD**, which – again – will not be enough.

It will take continual effort to evolve".

**"THE CRAFT IN A CHANGING WORLD"**

From a presentation by The Grand Lodge of Alberta.

"The only constant in this world is change and do we really believe the Craft is immune from the outside world? We have a long history, but that in and of itself is no guarantee of a future. History is filled with examples of unassailable institutions. Sounds ominous?

Why, change might just offer opportunities!

Our current situation is one where we overwhelm ourselves with papers negatively addressing declining membership, quality of new entrants, poor attendance, leisure activities competing with the Craft, and the woeful demands of family. All this could soon be yesterday's news! How the workplace is changing, international competition and less focus on material gain could provide an opportunity.

A recent article in the Atlantic Magazine, 'A World without Work', makes good reading. This is a very comprehensive article, but it makes one startling prediction; that machines may take half of all U.S. jobs in two decades. It then goes on to present how this leisure time might be spent.

Another article in the Economist referenced a book called 'The End Of Man' which predicts that of the 30 occupations expected to grow fastest in America in the coming years, women will dominate 20, including nursing, accounting, child care and food preparation.

The result of this is salaries flattened in real terms, the workforce made up of a greater percentage of women, job reductions, job retraining and further global competition. Then, add the automation kicker; machines replacing work up to now performed by humans, plus the creativity brought to bear to reduce work. The so called recovery in the U.S. since the recession of 2008 masks the fact that the jobs created aren't necessarily the higher paying jobs prior to 2008, and that employment post-downturn numbers are usually lower than prior to the downturn. Industry uses the downturn to re-evaluate the way it does business, which has permanent consequences.

This is a picture of a future where males have more leisure time, focused more on leaving a better world for their children; searching for self-worth; not necessarily the prime breadwinner; and to top it off, needing to adjust to less disposable income. In a Province such as Alberta we sometimes believe time is the most valuable commodity. In the future, this may reverse.

These potential changes could allow the Craft to fill a need. We offer an avenue for men to re-evaluate their lives and grow. With time to reconsider their role in society, men may be less driven, less focused on the material and more interested in spiritual growth. This could result in fraternal growth.

At the same time, we need to improve our brand. We present an archaic image by meeting in run-down buildings, smelling of decay, not the image we should project to a prospective candidate. We have the talent in our Fraternity. Why not put it to work to improve our meeting places?

The quality of our work must improve. When I hear we haven't the time to spend on memory work like the past, I cringe. That is a lot of crap. How about some pride in work well done? If our members have more time in the future, they can spend more time in providing good work. If we are to transform a man in a single evening from a candidate to an Entered Apprentice, we had better raise the bar. The impact of that first evening in Lodge is a defining moment for most of us. We must continue to provide our quality of education, provide more family events, and pay special attention to the need for male bonding.

It is time to change public perception. We may not like it but many still think of Freemasonry as a secret society practicing voodoo rituals. Sure, we speak of making good men better, but this abstract phrase may not be good enough. We also need to emphasize fellowship, leadership training, public speaking, education, confidence building and the good we do in communities. How about this; the mind is a muscle which will benefit from memory work. Memory work reduces early dementia. Fellowship provides happiness. Happiness leads to longer life. Happiness is the enemy of depression.

Okay, a little tongue-in-cheek, but you get the picture.

Remember, while we don't overtly market the Craft, we do so through the satisfaction and pride our members have in belonging. These benefits may also attract candidates seeing the Craft as more than a curiosity from some Nicolas Cage movie. It is

time to train members who can speak knowledgeably about the Craft and not just the stuff we practice down in the “dungeon.” Curiosity may get some in the door, but let us not overlook those who are more than curiosity seekers, those we say we want to attract.

In conclusion, there may be an opportunity to grow the Craft if we present ourselves as an up-to-date Fraternity, meeting the needs of a changing society. Don’t expect them to come by resting on the laurels of the good work of our forefathers, and by thinking quality will be attracted by simply raising Dues.”

### “FREEMASONRY, NATURALLY INTERNATIONAL”

From a presentation by the Grand Lodge of Saskatchewan.

“Upon entering the society of men we call Freemasonry, one of the first phrases we hear is:

“In a society so widely extended as that of Masonry, whose branches are spread over the four divisions of the globe, it.....”

The remainder of that phrase carries on to describe the variety of mankind contained within the borders of Freemasonry. In this paper I will focus on the truth of the initial twenty odd words, how they have come to be true, and where they may possibly lead us.

While there may be differing opinions as to the origins of Freemasonry as we now know it the two main theories focus on beginnings based on romanticised roots on one side, and on the other, more humble roots.

The romanticized roots follow the discovery and excavation of the remains of the Second Temple of Jerusalem by a group of warrior monks during the Crusades of the early 12<sup>th</sup> Century. Originally named the Poor Fellow Soldiers of Christ and the Temple of Solomon and later, the Knights Templar, they grew in numbers, influence and affluence, until their international banking system became the take-down target of a French King in 1307.

Proponents of this original story claim that Freemasonry, as we now know it, grew from the scattering of survivors of this attack to neighbouring countries, Kingdoms, and some would even say, North America.

In my opinion, the more likely origin of Freemasonry is the theory with more humble roots. This theory is based on the transformation of operative stone mason organizations into Freemason Lodges by the inclusion of non-operative, also called speculative, or free members. While no hard evidence of this reasoning presently exists, records have been uncovered in Scotland in Edinburgh Lodge No.1, which shows the continuity of that Lodge from an operative one in 1598 to a modern speculative one.

The international flavour of Freemasonry simply expanded and flourished with the expansionary direction of the major European powers of the 17<sup>th</sup> to 19<sup>th</sup> centuries. As their power bases expanded, they sent their armed forces, hotbeds of Masonic activity, into different and exotic areas of the world. Establishment of these mostly military Lodges in these areas eventually trickled down to the local gentry who wished to maintain their status. A prime example of this activity was the acceptance, by the British, of local Six Nation Chiefs into their Lodges following the American Revolution of 1776. Several of these Chiefs demonstrated their loyalty to the British in the War of 1812.

Today, the international nature of Freemasonry is more prevalent than ever. Every facet and branch of the Craft advertises this fact. Our own Grand Lodge Communication attracts visitors from North America, Europe and other Jurisdictions. Concordant bodies echo these close relationships, and worldwide, approximately six million souls claim the common bond of Masonic brotherhood. So where, on an international scale, could these shared principles lead us and how do we go about getting started on the journey?

To address the second part of the question first, it would appear that the journey has already begun. The trust and friendship shown by the easy and plentiful movement of members of different Jurisdictions is a promising start to a long and arduous journey.

Where will it lead us?

Dare I say that the horizon is limited only by our own dedication and devotion to our principles. Keeping Brotherly Love, Relief, and Truth to the forefront of all we do may sound like an attainable goal, but is a difficult task when cast in the light of everyday living. The spectre of selfishness in the form of me, myself and mine, is at times overwhelming and uncontrollable. We need to learn from setbacks, educate our Brethren on how to avoid them, and continue on the journey towards perfection, and, dare I hope, a more peaceful existence for all."

### "VOLUNTEERISM"

From a presentation by the Grand Lodge of Manitoba.

"I'm sure you have all heard that there is a great concern about membership in our Fraternity, whether it takes the form of membership retention or attracting new members. It is an important topic, since without members, there is no organization. Membership, however, is not the topic I wish to discuss today. What I have to say is for the "right now" Masons, who are members today, whether right here or around the globe, who live and go about their daily business, within their homes, communities or abroad. As Masons, we profess to practice charity in all its forms, but today, I would to focus on the gift of time, volunteerism.

I would like to share with you a piece of written work by an Indian poet and philosopher:

"I slept and dreamt that life was joy.  
I awoke and found that life was service.  
I acted, and behold, service was joy"

These few short lines of text written without the use of extravagant words are simple, yet contain deep wisdom and understanding, and shares a useful lesson. We go about our daily lives, interacting with those around us, moving through our world and daily routines, often times in a blur like a dream. There is safety and ease in that routine, a certain joy in the simplicity of the mundane, our focus locked in the immediate vicinity of our own being. That is, until something shifts our perspective.

We awake. We are drawn away from our normal activities, either by choice, instruction or even by force. And let's face it, sometimes all we need is a kick in the behind to point us in the right direction. We awake from the blur of the everyday, the haze clears, and we see in the world around us those in suffering that need consolation, those that need support, a helping hand, or even just a kind word.

We see there is work to be done, whether it is physical labour or something intangible. Thoughts stir in the mind. "I wish there was something I could do," "I wonder if I could help." But these are just thoughts, good intentions, part of the dream, and they take no form in the physical space of life unless we act.

That is the key, to act. Without action those intentions are wasted, kind sentiments lost and unrealized. Signing a cheque or making a contribution to a cause are both generous acts, and are not to be diminished or dismissed. However, they are both relatively quickly accomplished with a few strokes of the pen. The most satisfying form of charity is to volunteer; to give the gift of time and service, to make public and to share that most precious and private of human resources in this life, one's time.

Every one of us has a finite amount, and that amount is ever decreasing from the day we are born until the day we are called back. But it is not only a gift of one's time, it is also the gift of one's self, to be there to share in the labour, to help with the task at hand, or to simply 'be there' for another in a time of need.

In giving service we stand shoulder to shoulder with those in need as well as others who are prepared to assist them. The burden is endured. We triumph over suffering and the successes are enjoyed by all. In this way we discover true joy as it is revealed to us in these good acts. We learn that in sharing our time with others we make the most out of so finite a resource, and that good work may be accomplished, not simply to benefit ourselves, but to the betterment of all and ourselves as a part of that unified whole.

In conclusion, I ask these questions.

What is the level of your Craftsmanship?

Does this conference raise your level of your Craftsmanship?

Sometimes, with the whirlwind of travelling and all the attendant responsibilities, we do not contemplate enough on ourselves and our personal growth – the level of craftsmanship we are building. It is most imperative to our level of craftsmanship to replenish and increase knowledge and intensify our commitment. We have to be constantly on the search for more information and personal wisdom.

So, what about YOUR personal growth?"

## WASHINGTON

### 158<sup>th</sup> Annual Communication, Kennewick, Washington, June, 2015.

177 Lodges..... 14,174 members

#### Condensed from the Address of M.W. Sam Roberts, Grand Master

The Grand Master outlined a candid view of the State of the Craft and proposed solutions to the issues and challenges facing his Jurisdiction.

"Like of every one of the last 159 years, there has been good and there has been not so good. We can only be successful if we celebrate the first and learn from the second. Most organizations can apply the 80/20 rule. This generally holds true for business, government and even charities. 80% of business revenue is generated by 20% of the product. 80% of the productivity is generated by 20% of the work force. 80% of tax revenue is paid by 20% of the tax payers, and so on.

These numbers are not necessarily correct for the Masonic Fraternity. Our meetings are typically attended by 10% or less of the members. The work being done in and around our Lodges seems to be done by a very small percentage of the Brethren. But, a much better number is the fact that 98% of the Brethren of our Fraternity and Jurisdiction are usually doing the right thing.

I believe that we will be a smaller Fraternity in the immediate future, not only in membership, but in the number of Lodges. From the Membership Committee Report you will note that the "Six Steps to Initiation" program is intended to slow the Petition process and to pre-qualify men that have expressed an interest in Freemasonry. Invest time before you invest money. By intention there will be fewer candidates. But, by the same process, it has been documented that the Candidates that choose to go forward will most likely complete the Degrees and proficiency, because they understand and are committed

to what the Fraternity does and why, and understand what is expected of them. The Lodge is a winner in that they have invested in a Candidate and developed an active and committed member.

The Report also stressed the following points. Although our membership has been declining, it is not through members passing to the Grand Lodge above. Statistics have shown that for all members lost by natural causes, we gain a new member through Initiation. Statistics have also found that for every new member we gain, we lose two through Demits and Suspensions.

These Demits or Suspensions are commonly due to a lack of knowledge of what was expected of them as a member of the Craft. Obviously, we cannot allow such a decline to continue.

The Membership Committee took to heart the goals of the Long Range Plan. Declining membership, attendance and involvement have been at the top of your list of issues facing the Lodge. You asked for a program that would improve quality, commitment and participation. The "Six Steps to Initiation" is the answer to this problem.

When introducing something new one should always expect a degree of skepticism by having everyone participate in learning a new method; but from our efforts thus far we are confident it will work if we continue to impress upon our members the importance of this program to our future.

Smaller and rural Lodges in particular are struggling with these problems. This seems to be indicative of their communities. People are moving out, not in, as evidenced by failing businesses and churches. This trend is confirmed by the number of Lodges considering surrendering their Charters or merging. There is little the Brethren can do if there is no one there to draw from. All the hard work and dedication anyone could muster will not save a Lodge that is not growing membership and is spending more on expenses than it is taking in. The math is simple – divide the bank account by expenses and you have the life expectancy of the Lodge.

Facing this fact, some Lodges are in the process of or considering selling their buildings and downsizing. I will remind the Brethren that buildings dedicated solely for Masonic purposes are a relatively recent occurrence in our history and that a building is not a Lodge. The Brethren that assemble to promote Masonry in their hearts and words and deeds are a Lodge, regardless of where they meet.

About those Lodges that do have Petitions; more men under the age of thirty are joining the Lodge than in many years past. I notice many other differences as well. They have expectations of the Lodge and its members. They want more of the history, philosophy, symbolism and sociology of the Fraternity than most of us know. This is more in line with how our great grandfathers and grandfathers got their knowledge. They want their families involved. They want more from a meeting than reading minutes and paying bills. They want perfection in Ritual and pride in being something special. We must be more than members, Brothers and mentors. With them we must be explorers of the past and future.

Communication is at an all-time low, and all this in spite of the myriad of choices we have to communicate. I ask you to reflect and see if you do not agree that the beginning of our decline began with a failure to utilize the new methods available to communicate. It has only been decades since the choice was the written or spoken word. Today, we have instant information, but appear still to be failing in our communication. The challenge for our future success can be found in how we learn to communicate. The responsibility must be shared between the Lodges, Lodge Leadership and the Membership.

All must do their own part.

After a rough start, technology is continuing to make improvements to the Grand Lodge website. They have added sections for maps, training, calendars, and a free 'classified' section for Lodges and members. The Lodge Secretary Interface is here at last. The Monthly Report, Dues Cards, and the exchange of information can all be done on the

Internet. Through the set-up of a virtual on-line meeting tool, Committees and special projects don't need to travel to meet, saving us a lot of time and expense. There is still much to be done to improve our communications, but I believe we are up to the challenge.

Every Masonic organization needs a Long Range Plan, a map that takes us into the future. Previous plans have taken a traditional approach to the growth of the Fraternity. The LRP Committee took the previous Plan as a cornerstone to improve the way in which we move our Grand Lodge into the twenty-first century. We respect our traditions, and at the same time embrace our future. The Plan is based on a building-block strategy, to delineate IDENTITY, PURPOSE and VISION, with a five year horizon. It will be a series of one year plans to attain the goals proposed, the growth and improvement of our Fraternity, with a means to review progress each year. Rather than being a year to year approach by individuals, the Plan is being embraced by all elected Grand Lodge Officers, to ensure continuity by each succeeding Grand Master for several years to come.

In this Masonic Grand Year, the Leadership Training Committee continued to develop new and improved training opportunities for the Grand Lodge of Washington, including enhanced instruction for Deputies of the Grand Master, as well as improving on the highly successful annual Lodge Leadership Retreat. These devoted people did another outstanding job in providing training to Lodge Officers. Those Lodges that fail to take advantage of this open learning and networking event are missing the boat. Many Lodges do not participate because of finances, not knowing that there may be scholarships available to help them. They look on this as a cost when the most applicable description is making an investment in the future of the Lodge.

There are several instances where we have not implemented as much training or programs as I had hoped. I had hoped to see tools, training and information developed for Deacons and Stewards, Investigation Teams, Grand Lodge Committee Chairmen and Appointed Officers, New Members, Lodge Committees, Public Relations in our communities etc.

Quite the list.

Our work is never fully concluded. I am sure all these ideas will get fresh life in future Grand Lodge Committees.

Our Mission is to make Good men Better.

There is so much to do, so let's get it done."

## OHIO

### **206<sup>th</sup> Annual Communication, Columbus, Ohio, October, 2015.**

**488 Lodges.....86,733 Members  
(Loss- 4,207)**

**M.W. Steven E. Cokonougher, Grand Master.**

The Grand Master's Address reflected on the current State of the Craft in Ohio and presented constructive recommendations for the future.

"Freemasonry is nor broken today, but it is badly bent. Many of us are hell-bent in resisting change. Brethren, if we fail to change, we will cease to exist in the near future. In 2007, there were over 112,000 Masons in Ohio. Now there are about 86,000. We lose an average of about 3,200 members per year. At this rate we will be down to 50,000 by 2024.

In this Jurisdiction we have encountered many issues that are holding back Freemasonry. Examples are a Lodge that black-balls Petitioners to block the Worshipful Master from making minor, but positive changes for the Lodge's benefit; a Lodge's Temple Company controls all the Lodge's finances and forces the Lodge to beg for money to continue operations; more than 20 Lodges failed to portray any Degrees during 2014;

eight Lodges failed to be represented at the 2014 Grand Lodge Session; a Lodge's failure to pay the Per-Capita on time; more than 10 mergers occurring this year because the Lodge couldn't get enough Members to open a meeting.

You get the point! These are symptoms of apathy, indifference, lethargy, and weak Lodge leadership. Standing still in time is not a viable option, for those that fail to move forward with new ideas and processes will surely fail.

At the same time some Lodges are thriving! We should ponder why the difference.

To quote Abraham Lincoln, "America will never be destroyed from the outside. If we falter and lose our freedoms, it will be because we destroyed ourselves."

Brethren, I say that Freemasonry will never be destroyed by those outside our Fraternity; it will be destroyed because we destroyed ourselves."

To counteract this situation and to move the Fraternity forward I make the following recommendations:-

There are many sections of the Masonic Code that are outdated, old-fashioned, too restrictive or no longer relevant. The Code needs a rewrite to align it with Masonry today. A Committee should be appointed to complete this task. Also, the index and table of contents are virtually unusable and need revamped.

There needs to be a new model for Stated Meetings. Many members, young Brothers in particular, do not want to come to a Meeting to hear Minutes read and bills paid. Lodges must find a way to have interesting meetings that have meaningful results for their members and the community they serve. We cannot survive if we continue to hide our light under a bushel.

The young men who are joining our Fraternity today have a much different perspective. Our Fraternity needs to embrace the ideas of this new generation, and incorporate their ideas into action. We do not need to change the ethics, morals or any of the things that are an important part of our teachings. We just need to learn how to do it in new ways that will not only draw these young men to our doors, but keep them participating.

The decisions of Grand Lodge are often controlled by too few Brothers. The number of proxies should be limited to one per person. Master and Wardens are expected to attend Grand Lodge. If they cannot, their proxies should be carried by one proxie for one Brother; one vote for each delegate, and no more. Outcomes are often based on a minority of the delegates.

A majority vote on Code changes should be sufficient to make Code alterations. The two-thirds concept for approving legislation should only apply to Constitution changes. Many issues have received a majority of the votes but have fallen short of a majority. This needs to be corrected to move Grand Lodge forward. Not allowing a majority to approve or defeat legislation is archaic and unworkable, and handcuffs positive change. There is Legislation being presented for that change at this Communication and I urge you to positively consider it.

Grand Masters should serve for two years. (No, I am not lobbying for an additional year). A one-year term does not allow for completion of programs. In many Jurisdictions Grand Masters serve two and sometimes three years. In our history, many Grand Masters have served much longer than the one-year term. If progress is to be made and if continuity is important, and I think it is, Grand Masters should be given a longer term. To accomplish this, there will need to be a transition of several years, to ensure the process is completed to the benefit of the Fraternity.

Grand Lodge Sessions need to be shortened. Rising costs, attendees work schedules, declining membership and aging members are sufficient reasons for considering a shorter Session. It is possible to start Grand Lodge on Friday evening, conduct business on Saturday, eliminate many introductions and speeches, present awards at another time or as a group, and hold the Grand Lodge Installation on Saturday evening. It will take several years to implement this change as there currently contracts signed which bind us to the

present process. It is imperative that we should shorten the Session as soon as it is practical and I recommend a Committee be formed to study this change and make recommendations.

The situation that we find ourselves in today did not happen overnight and it will not be fixed in a year. The Grand Lodge Officers have adopted a Five Year Strategic Plan to address the issues that continue to plague us; lack of leadership; poor Ritual; poor attendance. They will focus on three main concerns; Leadership, Public Relations and Community Involvement.

The MASONS LEAD BETTER program enjoyed great participation in all our 25 Districts, with notable reviews. The Deacons and Wardens training sessions also proved successful, concentrating of Lodge Leadership and Masonic Protocol. The implementation of both of these programs leadership skills are being addressed. They will continue next year. The Education and Information Committee also emphasizes the use of the Apprenticeship Program, which places an Assigned Master Craftsman with each candidate to assist him in his progress in order to strengthen the Lodge.

PUBLIC RELATIONS are an important part of recruitment and visibility. We need to be able to tell our story effectively to interested candidates through social media and traditional means. We are investigating cost-effective programs to accomplish this goal. We have begun to actively use Twitter to communicate with the digital world. It was a goal for 2015 to distribute information, send reports and communicate in all forms by means of electronic media. We have a working e mail for every Lodge in Ohio. Lodges should also be aware that Grand Lodge will provide \$200 in matching funds for their public relations efforts.

COMMUNITY INVOLVEMENT not only demonstrates the values that our Craft teaches, but is a visible sign of our actions. We must take an active role in our Communities. Open Houses and Community Builders recognition nights are just a few examples.

Lodges continue to try new programs to spark the interest of their members. Traditional Observance practices and other activities are occurring through the State with mixed reviews from some of the senior members. Pilot programs in providing Degree work have shown to be somewhat successful. We must be able to adapt to the needs of our Brothers or we will continue to decline. The time is now to support current programs or start new ones. This must be a continuing “from the ground up” process, not just an event. It’s that simple!

Although there was not an official “ONE DAY CLASS”, I authorized them in three of our Districts around the State. Each was formed to meet a need to complete Degree work. These three venues raised about 200 Brothers to the Sublime Degree of a Master Mason. I have asked Lodges many times to think outside the box with innovative ideas. In response to that, one Lodge asked if they could work six candidates at the same time. Research has shown that many Jurisdictions follow this practice.

I authorized the Lodge to work two sets of three candidates in what we named a “RUSH AND

PLEDGE” class, on the proviso that they had to be near perfect in the presentation of the work. Comments were very positive, and many proposed that this should be an approved process for Ohio Masonic Lodges and should replace the Grand Master’s One Day Classes. In my opinion, this process must be adopted. It will make us stronger. The candidates have formed a bond of friendship which will last a lifetime. This was a successful test. All Lodges should use this process. Legislation is being presented to make it a part of the Code.

Brethren, I proposed a Resolution which has caused passionate debate on both sides in many Grand Lodge Jurisdictions. It proposed that a member of Grand Lodge who legally marries another man in accordance with the law of the United States has not committed any

Masonic Offence by such marriage alone. \*\*

It is Resolved further that a Petition for a Degree for a Candidate for Freemasonry, who is legally married to another man will not be rejected by reason of such legal marriage. \*\*

In June of 2015 the United States Supreme Court, by a 5 – 4 majority of Judges, declared that the Court’s rulings must evolve in the light of better understanding of discrimination and the Constitutional protections available to protect minorities, and that same-sex couples have the Constitutional right to marry and to have their marriage recognized. This case overturned all rulings and laws to the contrary.

#### IT IS THE LAW OF OUR LAND.

It is understood that this issue causes passionate debate on both sides. Is marrying someone of the same sex “un-Masonic” and thus deserving of “un-Masonic” charges? Will a Petitioner married to another man be rejected because he is married?

Masonry is now and always has been derived from patriots. Part of our Degree work says that we promise not to be concerned in any plots or conspiracies against government. We are to be quiet and peaceable citizens. This does not mean we cannot change our government. But we will not ignore or violate our laws.

The Entered Apprentice is taught the necessity of a belief in God; of Charity towards all mankind, especially a Brother Mason; of Secrecy; of the meaning of Brotherly Love; the reasons for Relief; the greatness of Truth; the advantages of Temperance; the value of Fortitude; the part played in Masonic life by Prudence and the quality of strict justice. He is exhorted to practice the Golden Rule and to avoid excesses of all kinds.

He is admonished to be quiet and peaceable, not to countenance disloyalty and rebellion, to be true and just to government and country and to be cheerful under its laws. He is not to argue with the ignorant about Freemasonry, but to learn Masonry from Masons.

Finally, he is urged to present only such candidates as he is sure will agree to all he has agreed to.

Brethren, Masonry is important. Much has occurred in our lives over the years we have been members of this Fraternity. New life, deaths, gaining new friends and losing others has touched each of us. Life is ever-evolving, and so must Masonry be an ever-changing and progressive Fraternity. It must be outfitted with the tools, attitude, and determination to prosper in whatever form is necessary to remain viable as society evolves and changes.

Through dedication and hard work we will restore this Fraternity.”

\*\*The Resolutions failed immediate consideration and will layover.

#### SCOTLAND 2016

#### A Summary of the Regular Communication, Freemason’s Hall, Edinburgh, February, 2016.

**M.W. Grand Master Mason, Charles I.R. Wolrige Gordon of Esslemont.**

The Grand Lodge Committee received a further report on the progress of the Grand Committee Strategic Review, prepared by the Administration Committee, based on current realities, proposing an extensive overhaul of the structure of Grand Lodge.

“Strategy is a long-term compatibility between the organization and its internal and external environment. To avoid becoming an insignificant unit or a failure in the 21<sup>st</sup> century, the organization must present itself and operate in a way that is relevant to today’s society. It is committing present resources to long-term future expectations.

The Grand Lodge administrative structure developed prior to 2003 for circa 60,000 members, comprised a Grand Committee of 14 Standing Committees totaling 107 members that included certain serving and past Grand Office bearers ex officio (27), all Provincial Grand Masters ex officio (32), and elective members (48), drawn from Grand Lodge.

In 2003, as a result of a reducing membership of 38,000, Grand Committee was restructured to 5 Standing Committees, and reduced the number of Grand Office bearers, Provincial Grand Masters, and elective members to a total of 76.

It is now clear that even this modified structure is inappropriate to serve the needs of the Scottish Craft, which has a current membership of only 26,764 of which 40% (10,700) are overseas.

The Management Review Committee was established to consider a new structure and the incorporation of new goals. Following submissions from members and meetings with the Chairmen of all Standing Committees, it was agreed that:-

It is critical to the change process that it begins by altering the way the top of the organization operates. Until this is changed, it is impossible to expect change.

Focus on needs of members and Lodges.

Appoint the 'best man for the task.'

It is suggested that there is no longer a requirement for Provincial Grand Masters to serve as members on Grand Committee ex officio. However, should any Provincial Grand Master wish to serve as an elected member of Grand Committee, then he should be free to submit his name for election.

It is further suggested that the Minutes of Grand Committee be circulated to all Provincial Grand Masters for their information.

Grand Committee must have their personnel selected neither by rank nor geographic location criteria, but solely for the particular skills that person can bring to the Committee's problem or brief. This is the concept of 'the best man for the job', which brings the best results.

It is therefore essential that elected members of Grand Committee have the experience, expertise and ability to make a very positive contribution to the overall good of the Scottish Craft. Members who wish to be elected to serve should submit a standard CV detailing their expertise, together with their photograph and explaining why they wish to serve on Grand Committee.

There is an urgent need to identify individuals with requisite attributes to fill specific positions and undertake appropriate roles throughout the whole structure. It is therefore suggested that a 'Register of Interest' of volunteers who have specific skills or expertise be prepared, in order that such volunteers can be called upon to assist Grand Committee or any of the Standing Committees for a specific project, or when their expertise is required.

Consideration, therefore, should be given to the proposed new structure as follows:-  
**GRAND COMMITTEE.**

Composed of the Grand Master with all Past Grand Masters and the following:-

1. Certain serving Grand Office bearers-ex officio: (Deputy Grand Master, Substitute Grand Master, Senior Grand Warden, Junior Grand Warden, Grand Secretary, Grand Treasurer, Grand Almoner and Grand Director of Ceremonies.)

- 8

2. Elective members drawn from Grand Lodge. -

|       |                 |
|-------|-----------------|
| Total | <u>18</u><br>26 |
|-------|-----------------|

There is no good reason for the Immediate Past holders of the ex officio offices to continue on Grand Committee.

The 18 elected members should be elected each for a period of 3 years with 6 being elected annually.

#### **ADMINISTRATION COMMITTEE.**

(Incorporating current Administration, Information and Communications, Overseas, External Affairs and Special Purposes Committees.)

This Committee to comprise Grand Secretary, Grand Treasurer and Grand Almoner and 8 other members.

|                                     |       |    |
|-------------------------------------|-------|----|
|                                     | Total | 11 |
| <b>DISCIPLINARY COMMITTEE.</b>      | Total | 9  |
| <b>DISCIPLINE REVIEW COMMITTEE.</b> | Total | 9  |

(Both the Disciplinary and the Review Committees to be populated by 5 elected members and 4 appointed for their expertise from the Register of Interests.)

#### **BENEVOLENCE AND CARE COMMITTEE.**

(This Committee to comprise Grand Secretary, Grand Treasurer and Grand Almoner ex officio, and 5 other members.)

|  |       |   |
|--|-------|---|
|  | Total | 8 |
|--|-------|---|

It is recommended that Grand Committee should meet on a regular basis viz:- January, March, May, August and October, with the other Standing Committees meeting as required.

The structure as suggested would be much more transparent and would promote proper discussions, with each member being encouraged to actively contribute in the workings of Grand Committee.

This proposed new streamlined organization is the hinge between the past and the future. Therefore, it is vital that it be implemented as designed and given the opportunity to function as intended, as it has not been designed to cut costs.”

## **NEW HAMPSHIRE**

### **227th Annual Communication of Grand Lodge May 21, 2016, Summary:**

The 227th Annual Communication of the Most Worshipful Grand Lodge of the Ancient and Honorable Fraternity of Free and Accepted Masons for the State of New Hampshire was held on Saturday, May 21, 2016, Most Worshipful Brother John F. Gordon presiding. The significant business follows:

#### **Lodge Representation**

A preliminary report of the Credentials Committee indicated that of the sixty-five regular Lodges of this Jurisdiction, sixty-four were represented. Mount Washington Lodge No. 87, North Conway, did not register, and no attendees acknowledged their presence upon inquiry by the Grand Master.

#### **Permanent Membership**

Brother Robert D. Coppo, Worshipful Grand Organist, and Brother Theodore H. Smith were elected Permanent Members of the Most Worshipful Grand Lodge of New Hampshire.

#### **Legislation considered**

1. A motion made to postpone final discussion and vote on the adoption of the Draft Constitution, Draft Manual, and Draft Rules and Regulations until the Semi-annual Communication on November 19, 2016 was approved.

2. The amendment to Article XIII Section 6.A to raise the per capita by \$2 was not able to be addressed due to Constitutionally insufficient Lodge notification. See "Membership Special Assessment below.

3. A "housekeeping" amendment to Article XVI Section 4 was proposed to correct an oversight from action approved on May 17, 1997. This 1997 action to Article XV Section 24 was to change from a calendar year waiting period for petition after rejection to six months. Article XVI Section 4 is a second reference to the same waiting period but for rejection AFTER the Entered Apprentice Degree. This measure was approved unanimously, and thereby the amendment was adopted.

#### **Membership Special Assessment**

The Most Worshipful Grand Master explained the need for additional Grand Lodge Office staff and so notified the Grand Lodge of a one-time 2017 special assessment of two dollars on every Mason who is a member of a New Hampshire Lodge in lieu of a per capita increase. Payment of this assessment will be collected with the 2017 Constituent Lodge dues and payable to Grand Lodge no later than March 1, 2017 with the Annual Return of Lodges for the year 2016.

#### **Jeremy Ladd Cross Medal**

The Most Worshipful Grand Master presented two worthy Brethren with the Jeremy Ladd Cross Medal, the highest award of the Grand Lodge of New Hampshire. Right Worshipful Brother John E. Lobdell and Right Worshipful Brother Richard F. Doble received their medals at the Grand Master's Banquet and were accorded the Private Grand Honors at the Annual Communication.

#### **Installation of 2016-2017 Officers**

The Installation of Officers was held at the end of the 227th Annual Communication. The elected officers installed were:

|                        |                        |
|------------------------|------------------------|
| Grand Master           | John F. Gordon         |
| Deputy Grand Master    | John E. Lobdell        |
| Senior Grand Warden    | Kenneth A. Clay, Jr.   |
| Junior Grand Warden    | David S. Collins       |
| Grand Treasurer        | R. Bradley Alderfer    |
| Deputy Grand Treasurer | James H. Lawrence, III |
| Grand Secretary        | Thomas S. Lowe         |

The 158th Semi-annual Communication of the Most Worshipful Grand Lodge of the Ancient and Honorable Fraternity of Free and Accepted Masons for the State of New Hampshire will be held on Saturday, November 19, 2016.

**INTRODUCTION OF  
R. W. Bro. Stuart Alexander Wright  
Jr. Grand Warden  
Guest Speaker  
at the Grand Master's Banquet  
Wednesday July 20, 2016**

**Grand Master, Distinguished Guests, Brethren All:**

A third-generation Freemason, Worshipful Brother Stuart Alexander Wright was raised a Master Mason in Henry Knox-Westlake Lodge No. 392 (now Wisdom Lodge No. 202) on October 22, 1986. He served as a Master of the lodge in 1990. In 1998, Wisdom Lodge presented him with the Hiram Award for his continued and distinguished service to the lodge.

Brother Wright has served the Grand Lodge of California in several capacities over the last 25 years. He served on the Insurance Committee from 1990-2014 and was the committee chairman for a total of ten years. In 2001, he was appointed to Masonic Homes of California board of trustees and was elected vice president in 2014 and continues to serve today. Brother Stu served as Grand Sword Bearer in 2004/2005 for Most Worshipful Brother David R. Doan.

In addition to his service to his lodge and our Grand Lodge, Brother Wright has been very active in the concordant and appendant bodies. In 1988, he joined Al Malaikah Shriners in Los Angeles and served as Potentate in 2000. His service extended to the Imperial Shrine serving as the chairman of the California/Texas Shrine All-Star Football Game for five years, chairman of the Western Shrine Association Parade, Director General of the Imperial Shrine Convention in 2007 and he served three years as the chairman of the board of governors of the Shrine Hospital in Los Angeles.

Brother Wright is a 32° Knight Commander of the Court of Honour (KCCH) in the Pasadena Scottish Rite Bodies. He is a member of Signet Chapter No. 57 Royal Arch Masons, Omega Council No. 11 Cryptic Masons and Los Angeles Commandery No. 9 Knights Templar. He also belongs to Dr. Rob Morris Chapter Order of the Eastern Star, St. Gabriel Conclave of the Red Cross of Constantine, the National Sojourners and the Heroes of 76.

Stu has spent his career as an insurance executive. After a long career with the Insurance Company of North America (INA), Stu is the owner and president of Stuart Wright & Associates Insurance Service. Stu is an avid golfer and he enjoyed playing hockey for a number of years, including five years with the LA Senior Kings hockey team. He and his wife, Julie, live in Woodland Hills. They have five adult children and seven grandchildren.

**R.W. Bro. Stuart Alexander Wright  
Grand Lodge of F. & A.M. of California  
Guest Speaker  
Junior Grand Warden**

**Most Worshipful, Right Worshipfuls, Very Worshipfuls, Honored and Distinguished Guests, Brethren all:**

First let me say I bring fraternal greetings from Most Worshipful M. David Perry, Grand Master of the Grand Lodge of California F. & A.M.

My personal thanks to you Most Worshipful Green for this kind invitation to return to my home land and birth city and to have this great honour to speak before this august body – I do confess that I am an Honorary Member of Zeredatha Lodge in Uxbridge courtesy of my late Nephew Bro. Thomas Warner, but frankly my apologies to the Master as it is difficult to get to the monthly stated meetings.

I was born in Toronto lived in Hamilton, London, Kitchener and Vancouver and I must share a heart-warming thought with you. While I attended Riverdale Collegiate in Toronto the Principal was a well-groomed and refined gentleman who carried a very positive and understanding air about him. I did not know anything about him other than what I just mentioned – a man of good character. It was not until I moved to Los Angeles became a Mason and looking through a paper sent to me from a brother in Saskatchewan, I learned who he was. There it was in black and white the name of my principal. Why do I mention this because he was a Past Grand Master of your Grand Lodge, in I believe 1972. His name was William K. Bailey. So, here I stand the pupil of one of your past Grand Masters. I am so thrilled. I am not so sure from my High School Performance he would have been. Thank you—This is truly special.

You are all very familiar I am sure of the intense heat which can be shared in Arizona. There was a degree scheduled and the Lodge had air conditioning troubles as the temperature jumped to 114 F that's 46 centigrade. The officers decided they would undertake the degree and opened lodge. As each minute went by, each started sweating beyond belief – their shirts soaked as they conducted the candidate to the altar. The candidate was absolutely soaked. Perspiration running from his head, down his face and arms. As it would have it, the question was asked of him "Being in a condition of darkness what do you most desire? His answer was quick and to the point. "Beer" he said. Naturally many where taken back some and finally the Sr. Warden said to him the work is "light" to which the Candidate quickly said – Light Beer, dark beer I don't care, I just really need a beer. So, we talk about a "rewarding experience" by being involved in our craft but I'm not sure this really hit the nail on the head.

I would like to share with you the manner in which the Grand Lodge of California selects the Jr. Grand Warden Recommandee. It probably differs from yours hence I thought you might like to know the process. I'm certain there are various styles but we understand ours is unique.

At the end of January each year, all the Past Grand Masters of which we have 24, the Executive Team – 4 and either a Master or Past Master from each of our Division of which there are 10 comprise the Committee. Those same PGM, Executive Committee and Assistant Grand Lecturers each select 3 names of those brothers they deem could make an outstanding Grand Master and submit them to the Grand Secretary to have Bio's prepared and listed. This could be 8-10 or more. Voting begins immediately and the list of 8 or 10 drops down to 4. These four then have their detailed Bio's read and voting continues. Three succeed the vote at which time heavy discussion take place on each before the next vote. Two are finally selected in first and second order. The candidate is called by the Grand Master to see if he will serve and if so the meeting is concluded, however if not the #2 candidate is contacted. If he declines the process starts all over. For the benefit of the ladies the Grand Master also asks the Recommandees' spouse if she will serve by support....can you just imagine what would occur if she said "No Way". The Grand Secretary notifies the candidate's Lodge, all the AGL's and Inspectors. I should tell you that our population is approximately 55000 and we select the Jr. Grand Warden from the North one year and the South the following year. If one wishes to be considered for any elected position, they must submit their Bio's 10 days prior to the Grand Lodge opening. One has to be so honoured to have been selected as I was and as others behind me will be.

So, let me give you a brief summary of our 2020 plan or five year strategic plan to conclude in 2020.

We invited our membership to complete a survey and as a result of the 6000 who

responded we zeroed in on 4 main goals for the 5 year period.

**First:** We wanted to ensure our lodges provided a “rewarding member experience.”

**Second:** Both candidate and officers have a “meaningful and memorable ritual experience.”

**Third:** Our Lodges need to become strong along with the Hall Associations (Building Owners).

**Lastly:** To raise our impact on society. These goals are communicated to our Lodges through our Masters & Wardens Retreats which are on specified weekends. This is a meeting for the three pillar officers, however we encourage others to attend. Two held in Northern California and two in the South. These retreats include breakout session with old and new topics shared by the group. Each group also discuss and agree on ideas and approaches to the aims of the 2020 Plan. Each Lodge represented in the group list their strengths and weakness in their approach to the 2020 plan. The end result is a program for each lodge to be shared with members on their return. The ladies of those masons present, also attend an educational session with breakouts with the ladies of our Executive Committee members leading the discussions. Expectations, roles, planning...Grand Lodge involvements etc. are some of the topics. We will be working harder to encourage more of the ladies to attend in the next few years. Those who have attended were excited and glad to learn more. Let's delve into our aims a little more.

### **Rewarding Member Experience**

81% of those completing the survey stated that the most meaningful and interesting activity was the degree experience. Our plan is to deepen our understanding of the ritual and provide opportunities for further learning. Not only to new candidates but to our current members and especially to those who have not been lately. Every time a candidate enters a lodge room he should be profoundly affected. When there is a deep understanding of the principles in these degrees and the values represented, they lead us to apply them outside of the lodge in our daily lives and in the community.

### **Meaningful and Memorable Degrees**

Repeating the ritual to get through the memory work is not what we mean. Speech, tone, understanding the ritual with crisp floor work seriously performed and solemn in nature is what we seek. Ritual is about changing lives from the time we knocked on the door to when that Sprig of Evergreen is laid in our coffin. It is more than just words. Each of us really needs to examine how we perform. By the way, performance may just be attending and how you are perceived. Others are watching you.

### **Our Lodges need to become strong along with the Hall Associations**

Most of those in charge of the Hall Associations are not necessarily business folks and they get lost in report requirements. Legal issues, and Federal and State compliance is a must. We have the electronic mechanism and a program that lodges can use to comply. Too, the secretary of the lodge gets bogged down in duties which can easily be transferred to Grand Lodge making his life easier and more time to make or have Rewarding Experience. We like many, determined that numbers were critical and yes, we paid the price. Today its quality we look for. Your David J. Cameron, Past Grand Senior Warden Grand Lodge of Canada in the Province of Ontario while attending the World Conference of Regular Masonic Grand Lodge in San Francisco in November last year referenced “What will the future look like.” An excellent presentation and exactly what is transpiring in California and possibly here in Ontario. You have also heard it from other guest speakers like the R.W. Thomas W. Jackson, PGS Executive Secretary World Conference of Masonic Grand Lodge in 2011.

50% of our cities in California do not have a Masonic Lodge. How sad. Our Plan is underway. We no longer rush to give out degrees. We encourage our lodges to engage in making them “friends” before they are brothers and this could take some time. We have

one currently who will receive his third degree two and one half years after he submitted his application. All involved are very comfortable with this. Too, you should know also related to Bro. Cameron's lecture is that we have 3 new lodges starting in San Francisco, one in Sacramento and one in Los Angeles. These will be the smaller type with maybe a maximum of 35 and if it goes beyond that number it would hopefully be the start of a new Lodge. Are we changing yes, for the better I'm certain. In any new lodge which is formed compliance in these existing programs is mandatory.

### **Our Impact on Society**

Here in Ontario you have the Masonic Foundation of Ontario supporting hearing research, autism Services, prostate cancer research and alcohol & drug awareness in elementary and high schools. Too you sponsor the Masonic child ID program. You also support the Canadian Blood Service donor program.

We in California have two Masonic Homes. One is in Union City, south of Oakland which is a 300 residence 40 miles East of San Francisco with Independent living, assisted living, skilled nursing, and an Alzheimer and Dementia unit and Wellness units in addition. The other home is in Covina which is in Southern California and on 33 acres 30 miles East of Los Angeles which is also independent and assisted living facility. Shortly we will build a SNF Facility (Skilled Nursing Facility). 467 million is the total expense to support all our Masonic Values for fraternal support and care. Too, the California Masonic Foundation provides Scholarships to youth and leadership grants plus Masonic Education. Public Education is a major benefactor from our Foundation. We are Charity. The things that happen due to our generosity, leaves a true mark on mankind.

We are constantly everywhere we go – you and me, asked “what do Masons do” Hopefully we have moved past the elevator speech where we describe Masonry as the oldest and largest fraternal organization in the world, an organization that is nearly three hundred years old and exists in many Countries through the world. And of course, there is always – As Masons, we take good men and make them better. Why is it so hard to explain to someone what Masonry is? A few months ago I was with a friend who had just suffered a tremendous loss. There were a number of Masons and members of this church present. While we talked, I mentioned the support he was getting from his Brothers. He began to talk about masonry. It really was moving. What I realized was that it was easy to talk about Masonry because we were defining it by what it meant to us. It became very easy to discuss what Masonry is and what it does. It's an organization where men of every country, sect and opinion come together to discuss ideas and learn from each other; men who otherwise may never have met. It is an organization of equals, all interested in improving themselves and the society in which they live. It is organizations whose members are pledged to aid and assist each other as well as those dependent upon us. It is a group of men deeply committed to youth and public education. It is an organization where differing opinions are honoured. Most of all it's an organization where lifelong friendships can be formed based on respect and common goals. It is a transformative organization for those who will allow it to be so. It provides an opportunity for good men to become better. What I also realized is that since becoming a Mason is a transformative process, one must experience the process to gain an understanding. One can watch all of the Masonic material available on television and the internet and never understand masonry. Becoming a Mason is a beautiful journey of varying thoughts, ideas, experiences and study. One who undertakes this journey comes out of it with varying rewards depending on where he allows his mind to go, his approach, how much he sees and what he makes of it.

The opportunity this evening to share a little of California Freemasonry with you, is major highlight of my masonic career and to me is part of that definition.

Thank you Most Worshipful Green for this incredible experience and your gracious Hospitality.

Thank you.

**Deputy Grand Master's Thanks to R.W. Bro. Stuart A. Wright**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

R.W Sir: It is my duty and honour to respond to your key note address to our Grand Lodge.

I first would like you to know how impressed your fellow Canadian Masons were this evening, to learn that soon a Canadian will be the Grand Master of California and perhaps with Presidential elections looming in the future, we may want to keep that a Masonic secret.

From your address we learn that Our Grand Lodge has a similar philosophy as yours regarding Strategic Planning. And your talk pointed out that we share many of the same goals.

Our Custodian and his Team travel the Province to insure meaningful and memorable ritual experience.

We share the same concern about Lodge Building with rules and regulations.

We also embrace the idea of slowing down the process of applications and degrees

In closing I thank you for sharing a little of California Freemasonry with us, your speech was educational, informative and well received by the Brethren.

Thank you.

**SUMMARY REPORTS OF THE  
DISTRICT DEPUTY GRAND MASTERS 2015 – 2016**

**Algoma District – 9 Lodges****R.W. Bro. S. Daniel Moore**

It has been an honor and a pleasure to have served as the Grand Master's District Deputy for the Algoma District for the past year. It has been a real pleasure to have traveled throughout the District and meet the Brethren of the Lodges in the communities of this large Northern area. The weather and the distances is a considerable challenge, as the closest Lodge, in Geraldton, is a three hour drive and Thunder Bay, where five of the Lodges are located, is a six hour drive. The District Secretary, W. Bro. Gary Goulet, was most kind in doing most of the driving.

The Lodges in the outlying areas of the District are, for the most part, surviving, as they struggle to cope with a reduction in their communities' population, a result of a loss of many jobs in the resource industry. One Lodge, in particular, is in the process of returning their warrant to Grand Lodge. The Lodges located in the largest of the Districts' community of Thunder Bay, are faring much better. These Lodges are receiving many new members and there were many events and several social activities scheduled throughout the year.

It was most gratifying attending the Official Visits and Installations, meeting most of the members and seeing that the Lodges were well maintained and the pride shown in the delivery of the Work. The meals, refreshments and fellowship after the meetings were always enjoyable. There are many great and dedicated members in the District that put in many hours to see that Freemasonry continues to play a vital part in their respective communities.

The District has the distinct honor of holding the Grand Master's Banquet, scheduled to be held on Sat. Nov. 19th, 2016. It has been a memorable and, certainly, an educational year as DDGM and I would like to thank the many members who have been most gracious and kind in their attendance and support throughout the year. I would also like to congratulate the incoming DDGM and District Secretary and wish them well for their term.

**Algoma East – 8 Lodges****R.W. Bro. J. Henry Lewis**

I would like to begin my report by thanking the Brethren of Algoma East District for the privilege of serving as District Deputy Grand Master for the year 2015-16. I hope your trust in me was well placed.

This has been a very busy year with eight official visits completed, three lodge installations and a number of fraternal visits attended to date, and if invited, there are five more lodge installations I plan to attend in June. On the occasions of these visits I have been given the privilege of presenting a number of pins, certificates and plaques. Accomplishments such as twenty five year a Mason pins, 50 year a Past Master certificate and plaque, a special recognition plaque and Master Mason Certificates.

Two highlights of the year were the Masonic Open House held at the Sault Ste. Marie Lodge building and the Grand Lodge Cornerstone, Friend to Friend and Protocol and Etiquette presentations. Both of these events were well attended and exceeded our expectations. An added benefit from the open house, were nineteen inquiries on membership. Thank you to everyone who participated and added to the success of these events.

Overall, I believe the state of Masonry in Algoma East District is good. In all of my official visits I was received with proper protocol and felt a genuine spirit of friendship and consideration. Renewing old acquaintances and making new friends was a big highlight of my travel throughout the district. For the most part, the Lodges of our district are functioning very well and some are showing increased membership. However, as with many

small communities whose economies are slumping, it is not always easy to maintain a stable membership. The leadership of Lorne and Woodland Lodges in particular should be commended in their efforts to keep their Lodge membership viable under these circumstances, and I trust their efforts will not go unrewarded.

On a sadder note, to date we have lost seventeen Brethren to the Grand Lodge above since our last District Divine service. Presenting Broken Column Pins to some of the widows was very difficult, but at the same time, a recognition of their sacrifice in sharing their loved ones with our Great Fraternity. I wish all of these families my deepest condolences.

In closing, I would like to thank the District Secretary for his invaluable assistance and my travel companions for the pleasure of their company on many long drives. The memories of this year will stay with me forever.

### **Brant District – 13 Lodges**

**R.W. Bro. William A. Martin**

It seems like it was just yesterday that I stood in Grand Lodge and being installed as DDGM of this district. But here I am, in just a short while I will be passing the cuffs of the office on to my successor and when I reflect back, it has been a very enjoyable year. I have truly enjoyed the friendship of those I already knew, plus the many friends I got to make, not only in my District, but in the several districts I managed to visit. The brethren of the District and their lodges have shown me the best in fellowship and hospitality, more than anyone can expect. And while I knew my district well when I became DDGM, the brethren have given me even greater insight into each and every one of the lodges and its members.

Brant District is alive and well. In July of 2016, the district will celebrate its 100th anniversary, with a travelling display and a Grand Masters Reception in November. It should be great celebration.

However, the problems the district is experiencing are the same as those being experienced by many districts throughout this jurisdiction. Attendance, visitation, Past Masters sitting in the Masters Chair and other lodge officer chairs, and brethren being officers in two different lodges are a few of our concerns. On the other hand, all of our lodges are being managed by a group of dedicated Masons, who keep them financially viable, the buildings in good repair, and the ritual sound.

The outlook and continued health of most lodges in the district for the foreseeable future is good. Add to this an influx of initiations in the district this past year, the future bodes well for many of the lodges as a good percentage of our new brethren are young and energetic. Already I have seen a number of them asking to take part in our ritual and doing a good job. However, on the other side, our district has had the misfortune of losing thirteen of our brethren to the Grand Lodge above. They will truly be missed, but not forgotten.

In closing, on behalf of the Junior Diabetes Research Foundation and Prostate Cancer, I would like to thank all the brethren and lodges who contributed so selflessly. Your generosity is well appreciated.

### **Bruce District – 12 Lodges**

**R.W. Bro. Robert W. Shular**

The brethren of Bruce District have provided me with a year that will remain a highlight in my Masonic journey. Having it happen on the 100th anniversary of Bruce District is just icing on the cake!

There were many highlights throughout the year; a Masonic Education workshop, a Secretary's workshop, a Condition of Masonry presentation, a successful District Bonspiel, and a well-attended and poignant District Divine Service. I had the privilege of presenting a number of 25 year pins, 50 year pins, 60 year pins and a Jubilee Medallion. I was proud to have been a part of that history.

I have been the guest of honour at pig roasts, fish fries, rib fest competitions, roast beef and spaghetti dinners and several years' worth of turkey dinners.

But, perhaps the highlight of all would be the re-opening of the Masonic Exhibit, "Freemasonry, A History Hidden in Plain Sight" and the attendance of our Grand Master at the associated luncheon. This Bruce District project has exceeded all expectations as it continues to travel from Museum to Museum providing the public with an educational window into the history, philosophy and teachings of Freemasonry.

I am pleased to see that interest in Cornerstone is growing in Bruce District and that more Lodges are considering it.

I would like to see every Lodge have a Masonic Education Chairman to research, organize and present Masonic Education at every meeting. This is not currently the case in all Bruce District Lodges.

While Bruce District is healthy overall several Lodges show signs that cause concern for me as D.D.G.M. Participating in more of the programs available in the Masonic Manual might be the key to encouraging new members, reducing the number of Past Masters in the chairs and increasing interest in visitation within the District. It remains to be seen if there will be a turn-around in their fortunes.

The Grand Registrar, our Assistant Grand Chaplain and I, travelled together extensively this year and on most nights the Grand Registrar was the driver. Thanks for getting me home Keith.

I owe a special thanks to our District Secretary W. Bro. Doug Goar for his dedication, professionalism and enduring friendship.

To the brethren of Bruce District who supported me throughout the year, who received me warmly whenever I visited and who promoted Freemasonry by their actions I extend a sincere "thank-you."

And finally, I'm proud to have represented our Grand Master in Bruce District this year and humbled by the support I have received.

### **Chatham District – 11 Lodges**

**R.W. Bro. James W. May**

Chatham District in the heart of south western Ontario has eleven lodges: two of which are urban city lodges and nine which are rural small town or village lodges. There were no closures or amalgamations this year. However the gradual decline in population across rural Ontario is not conducive to growth in the rural lodges, negatively affecting initiations, attendance, retention, officer progression, etc.

In spite of this, the eleven lodges continue to be well managed with a high standard of ritual. The majority had at least one initiation. Several fifty and sixty year pins were presented. Two Masons operate a very efficient district e-mail network.

All of the Official Visits followed the same pattern with:

- (1) Exemplification of the penalties in each degree
- (2) Presentations on Blood Donors, the Cornerstone Project and Prostate Hope
- (3) Masonic education by the DDGM (examples of topics being: Masons and the Victoria Cross, Masonry and the Moon, Masonic explorers, the Saints John in Masonry, the War of 1812 and Masons, Masons of the British royal family)

In March the Grand lodge Seminar and Workshop Committee held a workshop at a regular lodge meeting in the district; the topic was officer progression. It was well attended by Masons from five districts.

The Senior Wardens and Past Grand Lodge Officers both held evenings at which degrees were worked.

The Grand Master, M.W. Bro. John C. Green, paid a fraternal visit to Century lodge No. 457 in Merlin. The banquet and meeting were well attended by Masons from within and without the district.

In April a well-attended morning district divine service was held at Christ Anglican Church in Chatham. The service was conducted by the Ven. Paul Millward who is both the rector of Christchurch and the Master of his lodge.

The DDGM's charity of choice was Prostate Hope. R.W. Bro. Allan Dvorak, President of the Masonic Foundation, attended the Official Visit of the DDGM's lodge to speak about Prostate Hope. The district also continues the Bruce B. Foster Charitable Foundation in support of higher education.

The district was fortunate to have a highly organized, diligent and punctual District Secretary in the person of W. Bro. Keith Dickie.

V.W. Bro. Greg Betts (Assistant Grand Chaplain), (V.W. Bro. Wayne O'Sullivan (Grand Steward), Norris Reynolds (Mason of the Year) and lodge Masters proved to be stalwart visitors at Official visits and district functions.

Thanks to the Chatham district Masons for their encouragement and confidence in me. Thanks to my wife and the spouses of all the brethren for their support of Freemasonry.

### **Eastern District – 12 Lodges**

**R.W. Bro. Daniel Wert**

Here in Eastern District we have twelve lodges that are working hard to continue to improve and flourish .As the DDGM I wanted to visit every lodge six times this year. Due to two lodges meeting the same night, one was working with the Moon and one lodge being daylight with a smaller schedule. I could not meet my own expectations. But I sure had fun trying. Some lodges thought that I should affiliate and some IPM's wished I would quit coming so they could do the closing declaration, which is a very proud moment for any Mason to have that opportunity to do.

What an education I received this year. Each lodge has its own approach and some things make a large impact on the night's meetings. For example Alexandria lodge No. 439 before the lodge is opened the WM and the two Wardens perambulate the lodge and greet everyone in the lodge. Cornwall-Corinthian No.125 the officer's march in to music takes their seats then the lodge is opened. Plantagenet Lodge No.186 has an organist that provides background music before the lodge is opened. I also had the opportunity visit other jurisdictions and compare procedures, visit other districts and see little differences here and there. But what is always the same is the welcome you receive.

To date we have been blessed with having fewer passing of Masons this year, compared to those that have passed previously. Initiations have surpassed that situation also this year and I had the pleasure of giving out numerous long service pins, twenty five years to seventy years and with each one there is a story of dedication to our craft.

As Masons we say the best part of masonry is visitation and fellowship. The highlight of my year was just after our district ladies night .I had the pleasure of hearing from the wife of a Past Grand Register who had attended this function. He has not had the ability to get out as much as he would like due to age related problems, which we will all succumb to in the future. His wife emailed me and said that on their way home he told her that for the first time in a while that felt he was alive

As technology increases let us not forget that a handshake, phone call or a personal visit is still the best way to find out who is coming to the lodge meetings. We seem to have lost a personal touch with using emails and texts, tweets and some of our brethren just have not embraced this technology nor will they ever.

As of June first there will be six lodges still to do installations helping to keep the month of June semi occupied as compared to past months allowing us some time to get prepared for Grand Lodge in July.

Pride in masonry was my motto this year. It was my privilege to give each Entered Apprentice a masonic ring at their initiation and to tell them that they had not just joined a local lodge but had joined all brethren in the Eastern District Masonic association and now where members of the Grand Lodge of Canada in the Province of Ontario. Which is part of

a worldwide fraternity. To help explain that if you wear a masonic symbol in the public you will be recognized and greeted as a Brother wherever you go worldwide.

In closing it has been a privilege to meet and work with all of the members of Grand Lodge and the committee chairs and members that made my position such a pleasure to be in. When I required information it was provided in an accurate manner which made my inexperience look like I have had years of experience.

It has been my honour to be a representative of Grand Lodge for Eastern District.

### **Erie District – 7 Lodges**

**R.W. Bro. Richard W. Stevenson**

This year Erie and Windsor Districts have completed an amalgamation process. The amalgamation committee is to be congratulated and thanked. Moving forward in the 2016-17 Masonic year we will be known as Essex County District.

I am sad to say, that Erie lost several fine Masons this year, and attendance was required at six requested Memorial Services.

Two of Erie's lodges are exceptionally busy, requiring many emergent meetings for degree work. The Lodge reported as faltering last year, has had some improvement and is forging slowly forward. All Lodges have requested a date for a 2016 fire inspection as required. One Lodge has run into difficulty with this fire inspection request, and after a very costly renovation based on the 2013 inspection concerns has not received a letter from the Authority confirming compliance. The local authority, was a no show at an April 2016 scheduled inspection date and on follow up it was made quite clear by the Authority that they believe the inspection unwarranted.

While some Lodges are not necessarily reporting, that they are using Grand Lodge programs, it is important to observe that they are in fact following many of the elements of the programs. One Lodge has taken steps to make the five steps to membership mandatory, before an application for membership will be accepted. The support of the Heritage Lodge exhibit, by Erie and Windsor, (Essex County District), in Essex County's Heritage Village, continues with a complete newly elected board.

During the course of the year a few issues arose causing assistance to be requested, and a few instances where intervention / mediation was required. These were all handled in timely fashion.

My theme for the year was awareness, and I have attempted, to stimulate awareness, by encouraging a deeper evaluation of Masonry, based on William Leslie Wilmshurst's publication "The Meaning of Masonry".

Finally, I would like to thank the brethren of Erie District for electing me to be the Grand Masters representative this year. It has been a privilege and honor to serve.

### **Frontenac District – 14 Lodges**

**R.W. Bro. Wayne D. Anderson**

It has been a distinct privilege to represent the Grand Master, Most Worshipful John C. Green Grand Master, of the Grand Lodge of A.F. and A.M. of Canada in the Province of Ontario and the fourteen Lodges of Frontenac District.

In April, Frontenac District had the pleasure of hosting M.W. Bro. John C. Green at a reception for the Grand Master and with the Officers of Grand Lodge, M.W. Bro. Green conducted the Cornerstone Laying Ceremony at Rideau Minden Lodge in Seeley's Bay,. Frontenac District also hosted the Grand Senior Warden in October at Leeds Lodge; and the Junior Grand Warden at Royal Edward of Cataraqui in March.

All of my Official Visits to the Lodges in Frontenac District had a good number of brethren attending, and I received a warm welcome at every visit. Lodges have been striving to make their meetings more interesting by having presentations, education, Rusty Mason and Lumberjack nights as well as Ladies nights and Divine Services. There are also informal breakfast gatherings by a number of masons in the district.

Lodges in the District continue to be active in their individual communities with

Highway clean ups; walk for life; Canada Day barbeques; roast beef dinners; and participation in the Remembrance Day services.

All of the lodges in Frontenac District have received applications for membership and this shows growth in the district. I believe the Mentor Program is essential to maintain the interest and retain these new members as active participants in their lodges.

I want to thank all of the brethren who took Chairs on the District Committees; I appreciate your commitment and dedication. W. Bro. Daniel Andrews thank you for your work as District Secretary the timely assistance and advice. Thanks to the Brethren of Frontenac District for your confidence in electing me to this high and important office.

To my wife Patricia, thank you for your love and support throughout the year. I can sum up my year in one word “joyful” and will continue to support Grand Lodge and Frontenac District.

### **Georgian North District – 10 Lodges**

**R.W. Bro. Joseph A. Burton**

Georgian North District has 10 Lodges along the southern part of Georgian Bay. From Thornbury on the west - to Orillia on the east and north to Parry Sound. All 10 Lodges were very active this year, with Ritual being average to above average throughout the District and two lodges initiated Brethren for the first time in a year or two. The Brethren of the District have been enjoying the fellowship and benefits of visiting and the competition for the Travelling Gavel this year has been fierce.

We have had two District Lodges of Instructions, both were well attended and the benefit of the material covered was observed in practice during my visits. The District Divine Service and Golf Tournament were well supported and attended as were the many events promoting fellowship in Masonry including two BBQs and Christmas parties.

Georgian North has a lodge that has started the process of sponsoring the formation of a new Lodge in the Parry Sound area. As of the New Year every Lodge in the District had unanimously resolved to support the formation of a new lodge, and I too have supported the Brethren in this endeavour. I must note that the Brethren of Parry Sound area have been very active in the District, many have affiliated with other Lodges and have attended the many events in large numbers.

I know of the passing of sixteen Brethren and attended ten Memorial Services, I would like to thank the Masters and Secretaries of the District for keeping me informed so I might be able to attend.

The District supported the Grand Master's Project Prostate Hope and Big Brothers and Big Sisters of Orillia, Midland and Collingwood. We have surpassed our goals for both of these causes.

I would like to offer my thanks and gratitude to our District Secretary W. Bro. Alan Lapp for his strong work ethic, hard work and also for his friendship and guidance. I would also like to thank the District Chairmen, if the District seems in better shape after this year it says nothing about my year as DDGM, it speaks volumes of your dedication to Masonry in the District, thank you.

The Brethren of Georgian North District never fail to display the hospitality, fellowship and mirth that defines Freemasonry in Ontario. It has been an honour and privilege to serve the District as the Grand Master's representative.

**Georgian South District – 10 Lodges****R.W. Bro. David J. Boyd**

The Lodges of Georgian South District are within the southern Simcoe County area including Barrie, Creemore, Stroud, Cookstown, Alliston, Beeton, and Tottenham. Many Lodges are active within their community, supporting local charitable causes and participating in community events. These included support for the local hospital, various charitable fundraisers, road clean up, Blood Donor clinics, Seniors' Homes, Vimy Ridge Memorial and many other very worthwhile projects. Support of the District Projects for Prostate Hope and The Barrie Learning Centre for Children with Dyslexia has also been ongoing throughout the Masonic year.

Fraternal visits are welcomed and encouraged throughout the lodges of the district and Official Visits and Ceremonies of Installations and Investitures are very well attended. There is strong support for the District Masonic Association, and the combined Wardens' Association of Georgian North and South is planning for growth. These organizations nurture Masonic Leadership and promote education. Masonic Education has been emphasized in the District this year and Lodges are including items of instruction and history as well as thought provoking presentations regularly.

We have had numerous Long Service Pin Presentations and recognition of contributions to Masonry. We had wonderful events for fellowship involving family and friends including Christmas parties, Valentine's Ball, Newfie Night, Pub Nights, Breakfasts, Golf Tournament, Tribute Artist Night, and a Pool Tournament.

I would like to express my personal thank you to The District Secretary, W. Bro. R. D. (Rory) MacDonald for his support, hard work and encouragement as well as for his company during our Masonic travels. Thanks are also extended to the District Chairmen as well as to the District Advisory Committee for their continuing support of Masonry in Georgian South.

**Grey District – 12 Lodges****R.W. Bro. Robert C. Fawcett**

I am very pleased and proud to submit this report to Grand Lodge for the purposes of the Proceedings Edition 2016 and to summarize the year since Grand Lodge Installation in July 2015. This has been an inspiring year to witness lodges now taking action to address membership issues and to improve the Work presentation. The last few years of Fire Code compliance has brought lodges to address and analyse the circumstances of their buildings and future prospects for sustainability. The vision of those who have made a commitment to long term viability of their lodges must be triumphed.

As our human nature continues to drive us towards the ability to tolerate change, our membership has come to recognize now more than ever the significance and importance of Masonry in our communities. Rather than permitting tolerance to impact change in a negative fashion, the faith to maintain the time proven formula of Masonry has become more important than ever.

Grey District was successfully active this year with a full schedule of Official Visits, Award Presentations, Curling, Golf, Ladies Night and the Divine Service. Programs such as Friend to Friend, Corner Stone Project , Blood Donors kept gaining momentum throughout the year. Many of the lodges were successful with their own social events that provided more than just a meeting night to get together.

We were blessed with a fraternal visit in May 2016 from the Grand Master M.W. Bro John C. Green at Prince Arthur Lodge No. 333, Flesherton as a venue for the district and visiting brethren. Many Grand Lodge Officers were in attendance and all where witness to a presentation to the Grand Master for over \$7,000.00 for Prostate Hope, the Grand Lodge benevolence initiative.

Long term viability for all of our lodges in Grey District is still the priority. Nurturing leadership is essential within every lodge and to be shared throughout Masonry for the good

of all. We are excited about the opportunities for growth that lay ahead. I extend my appreciation to the Brethren of Grey District and Grand Lodge for this incredible opportunity of being the DDGM in Grey District this past year. The true gift is the new profound perspective of Masonry that is instilled by holding and executing the duties of that office.

### **Hamilton District A – 14 Lodges**

**R.W. Bro. David G. Midgley**

It has been a pleasure and a privilege to serve Hamilton District A during this Masonic year. Thanks to a great team that we put into place from the beginning, I have enjoyed my year enormously.

With the exception of one or two lodges, lodges have regularly initiated candidates this year and their candidates are being passed and raised in a timely fashion. However, all lodges are having difficulty managing attrition and retention.

All things being considered, attendance at regular meetings is acceptable but there is always room for improvement. Attendance at Official Visits and Installations have been particularly good this year with the average attendance at those events ranging 60-65.

Attendance at these events has been increased as a result of efforts such as the “Travelling Gavel”, which has been an enormously successful “game”, and by the end of the year will have changed hands over a dozen times. These types of efforts are largely successful because of improved communication, especially use of new media to communicate with masons directly via Email and Facebook.

By communicating what Masons want to see, where Masons want to see it, we are reaching more members more often. Facebook “reach” metrics – the measurement of how many Masons are being “reached” through the Facebook page is regularly reaching 300-500 masons – per post – in the district. Some of our posts have reached 800+ and 1500+ masons. Unprecedented levels of communication.

Benevolence has been successfully promoted within the District with many lodges taking on individual charitable projects and some even the Grand Master’s project. I adopted for my own Charity this year the Grand Master’s Prostate Hope project, and District A has raised tens of thousands of dollars for that charity.

We have worked very hard, but there is still more to be done. I look forward to the end of my year with the same eager anticipation as the beginning. I hope that the next District Deputy can continue this good work and nurture our lodges success even further. Once again, I thank my team and the distinguished masons that have assisted with our success.

### **Hamilton District B – 11 Lodges**

**R.W. Bro. Graham Tait**

I would like to thank the brethren of Hamilton District B for electing me as DDGM for 2015 through 2016. It has been a great privilege and honour to do so.

District B is in reasonably good health. With perseverance and commitment, I have no doubt we will overcome any difficulties we may face. We are a United/Happy District and Lodges who are strong in initiates are willing to share that load with those less fortunate. The Ritual Work, in general, is delivered well, is proficient and well received.

All 11 Lodges were active in charitable/community work. The District Charity for the year was – Make A Wish Foundation – through endless commitment and drive of the Benevolence Chair W. Bro. Mathew Milne. This raised \$13,000.00 for this charity. We have also engaged in Prostate Hope and as we wind down are working for those victims of the Fort McMurray Fire Disaster.

I have had the privilege of participating in many meetings, social events, pin presentations (25/50/60 pins/Lewis Jewels) and Installations. Sadly, one too many Masonic Memorial Services.

The theme for this year has been, to **Make It So!** A challenge to all Lodges that actions

speak louder than words. To stop creating committees/talking and simply get the job done. We have addressed such subjects as: **Change, Commitment, Foundation, Education, Responsibility, Strict Observance, Ingredients to a successful Lodge, Visitation and Standards (achieve/maintain/improve)**.

V.W. Bro. Michael Martin initiated and moderated a closed/private Facebook page, for Brethren, to get instant access to events, talks, photos, etc. This was of tremendous value and success.

We are extremely proud to report **All 11 Lodges have signed on to Cornerstone**.

We are pleased to report a number of brethren are engaged in the **College of Freemasonry**.

We have seen, through our LRP Chair W. Bro. Les Vass, a charter issued for the creation of a **Chapter of DeMolay**.

Visitation has increased at Official Visits, with extra points (Travelling Cain) being awarded to those Lodges with EA/FC in attendance.

The culmination of this year was the final Official Visit (Homecoming). 130 brethren in attendance, it was a wonderful evening to behold. My heartfelt thanks to the Lodges/Brethren of the District for their support. The District Team for being engaged in the process and the District Secretary W. Bro. Alan Campbell for his omnipresence, diligence and support.

Together we have all - **Made It So!**

### **Hamilton District C – 13 Lodges**

**R.W. Bro. Devin Tuinstra**

I am pleased to report that Hamilton District C is healthy and vibrant with 13 Lodges operating in 5 buildings. Two Lodges struggle with low membership numbers, though they are redoubling efforts through Long Range Planning and use of Grand Lodge materials.

My goal this year of strengthening the Hamilton District C Lodges has been actioned through development of Long Range Plans, promoting Communication and Relationships between Lodges, as well as Education and Engagement of our District membership.

At the start of the year, all WMs and SWs of Lodges were requested to attend a roundtable pub luncheon. Contact details were circulated and relationships forged, in this very successful trial event. I've also promoted joint practices between Lodges this year, in order to improve attendance, share knowledge, and forge relationships.

R.W. Bro. Richard Kaufman, Chair of the Condition of Masonry Committee, presented a statistics based benchmarking of the performance of Hamilton District C versus provincial averages at our Midterm District Meeting. While we are operating at above average in most areas, this helped prompt Long Range Planning.

In February a Workshop was held with 100% of Lodges represented, for the purpose of providing the education, tools, and skills necessary for Lodges to form their own private Long Range Plans. Virtually every man in attendance left that event enthused, and pledging to form a Long Range Plan for their Lodge. In tandem, a District Long Range Plan and Yearly Scorecard for Hamilton C was also drafted this year, and unanimously approved and adopted at our Spring District Meeting.

Earlier this year, we received the permission and support of M.W. Bro. Raymond S. J. Daniels for the compilation of his Masonic Minutes for preservation on the District C Website. With his passing during this project, we expanded that effort to include online publication of his full collected works. With the support of the Grand Lodge Office, we have published this content in book format under the title "The Collected Works of M.W. Bro. Raymond S. J. Daniels."

In the spring we hosted the Masonic Legacy Tour at the Head of the Lake which welcomed Masons and their families from around Ontario. This effort included compilation and publication of a booklet which included a substantial history of early Freemasonry in the Greater Hamilton Area.

A sold out Hamilton Grand Masters Reception, a sold out and locally hosted Ontario Masonic Education Conference, Traditional Table Lodge fundraiser, District Family Picnic Potluck, District Hockey Team, and many other activities provide no shortage of engagement for our membership.

It has been an absolute honour and a privilege to serve the office of DDGM of Hamilton District C this year, and I thank the brethren of the District for their support and fellowship.

### **London East District – 13 Lodges**

**R.W. Bro. Chad T. More**

The Past twelve months in London East Masonic District have flown by. I visited every lodge in this district fraternally in September and was greeted with great enthusiasm. I was witness to several EA degrees which were done quite well with minimal open books in lodge, which I believe was an improvement from the previous year. I was able to attend most of the Installations and the ones I saw were done well, however I witnessed more open books in the Installation ceremony than I had expected and was alarmed at this. I have spoken to those lodges and together we talked about other options that may help going forward.

LED also has a couple lodges working on Masonichip Foundation of Ontario days this spring and a few in the fall. In the LED we also saw great advancement in Masonic Foundation of Ontario committee working hard and raising money for the foundation as well as Project Prostate Hope. We toured one of the hospital's here and got a first-hand look at what the monies raised go towards and what they do. Nice to see an end result that we can envision when talking about what the monies can do when raised.

There was an excellent Brother 2 Brother event held with excellent speakers, the attendance was good, especially given the fact that we had two other Masonic events in the city the same day. With our strategic planning we are working on District bylaws and guidelines with the hopes of a vote early next Masonic year on them, these will hopefully help steer us in the right direction in the years to come in a few areas.

Every one of my official visits went well with great reports and excellent fraternal relations, many nights to remember. I am worried about attendance at some lodges, some visits I made other than my fraternal and O/V I witnessed very low members present.

Lastly I was happy to see throughout the District many Master Masons in the chairs progressing to the East. From what I have seen this year and from what I am hearing from the brethren throughout the various lodges in the LED things are getting better bit by bit each year. As I mentioned already make a real strong effort to have no open books in lodge this has continued to be an issue, but can be overcome.

### **London West District – 11 Lodges**

**R.W. Bro. Russell M. Bain**

The course of the last year has been exceptional; the London West District is thriving and doing well. I had the opportunity of attending all the Lodges fraternally as well as the installations. At all of the official visits I was well received with great attendance from around the district. The travelling gavel became quite the object for winning by the travelling lodges and made for robust competition. One of the lodges in the District had chosen to go dark because of aging membership and the ability to draw new members. They handled the closing exceptionally well, with the majority of the members affiliating to other lodges in the District, thus keeping them involved in Masonry.

The majority of the Lodges are maintaining membership and attendance, more community activity would help to increase membership and get the word out there. The new members who are coming in are replacing the brethren who have passed to the Grand Lodge, the new members coming in are younger in age and the hope will be that they will help increase membership.

I had the pleasure of attending an amalgamation in the St. Thomas District of two lodges, as well as a building Cornerstone ceremony in my own District by the Grand Master. We promoted heavily the Strategic Planning and Cornerstone in the London West District with the Lodges realizing and understanding the need and benefit of both. I also attended the memorial services for the Brothers who passed. Always a sad time but; one that is of great benefit for the family as they realize the strength of the fraternity and our caring.

I would like to thank my Secretary W. Bro. Blake Kennedy for his service and assistance over the last year, as well as the members of the London West District Resource Team.

In closing I have been overwhelmed by the support I received from across the district by the members. It has been my distinct pleasure and honour to have been granted the opportunity to serve the Brethren of the London West District.

#### **Niagara District A – 15 Lodges**

**R.W. Bro. Weldon H. Harrison**

I have been privileged to serve the Niagara A District of Ontario for our Grand Master, Most Worshipful Brother, John C. Green.

The support of the District Secretary, as well as the District Team has been instrumental in making this a successful year. The Masters of the Lodges, as well as many Brethren were very active this year in attending many of the Official Visits, Installations and First Degrees. Also, there was good support of the Ladies Nights which were put on by various Lodges.

Our District also benefited from the Officers of Grand Lodge, who visited and put on Masonic Education and other various talks at Lodge meetings.

The majority of the lodges in the district are doing well. There are two lodges that have experienced some difficulties; however, I am confident that their issues are being resolved.

We have had many new candidates initiated into the fraternity this year thanks to the Brother to Brother and Friend to Friend programs put out by Grand Lodge.

There are Brethren returning to Lodge after having been away for some time which is also a good sign.

I would personally like to thank the brethren of Niagara A District for their support throughout the year.

All of the Lodges in our District are in good standing and I foresee a successful future for Masonry in Niagara A District.

#### **Niagara District B – 11 Lodges**

**R.W. Bro. Gregory A. Faraday**

I have had the pleasure of conducting official visits at all the lodges in the District. During my term I have also attended eight installations with three more to come in June. There has also been an increase in membership over the year. This has resulted, in what appears to be a new enthusiasm in the District. It has been a pleasure to attend the Lodges and witness it.

I want to thank the District Resource Team for their dedication in promoting the programs of Grand Lodge and offering assistance to the lodges.

I also want to thank the District Secretary who has been instrumental in keeping the District well informed. His dedication has helped to make the year run efficiently.

We have been well received at not only the official visits but at all meetings we have been invited to attend.

There were many highlights to my term but it was the exchanging of ideas with my colleagues I found most enlightening and helpful.

The biggest challenge of the year was to get the lodges to embrace planning, which I feel they have started.

A few of the lodges have been struggling with poor attendance. Some are having

difficulty filling officer's positions. Building maintenance has also been an issue which is taxing their finances. These lodges have become more focused on the issues and are working towards resolution.

A questionnaire was sent out to the Masters regarding challenges. Comments regarding attendance, participation and dues were requested. The answers I received helped me to understand the issues, promote constructive discussion and stimulate ideas for resolution.

Thanks to all the Brethren who not only support their own Lodge but others who need assistance from time to time. Success is all about team work.

I wish to acknowledge the support of my wife; Denise, the Brethren of this District and my Lodge in particular. Thank you.

To conclude, it has been an honour and privilege to serve as D.D.G.M. and I sincerely wish my successor and his team a successful upcoming year.

### **Nipissing Muskoka District – 11 Lodges**

**R.W. Bro. Robert M. Inglis**

My year as DDGM of the Nipissing Muskoka District has been very interesting and the support I have received from the brethren throughout the district has been outstanding.

One of the greatest challenges in the new district is the huge distances between lodges, (214 kms from one end of the district to the other). My aim for the year was to try to draw the eleven (11) lodges in the district closer together. This was accomplished in part by asking the historians of each lodge to give a condensed history of their lodges at each official visit. The second thing I asked the lodges of the district to do was to present the Travelling Gavel at each official visit. It promoted travel, fraternal visits and brotherhood throughout the district and there was a greater attendance at the banquets and the official visits. The district website, the newsletter, "The Round Table" and Web Master/Editor, R.W. Bro. Garnet Schenk were also instrumental in getting the approach across.

Some of the highlights during the year were the Barn Degree at Strong Lodge No. 423, where masons from not only the District but from all over Ontario attended, also the Visitors Night at Muskoka Lodge No. 360, as well as the Cornerstone Dedication at Muskoka Lodge No.360 attended by the Grand Master and many dignitaries from all over the province.

The district has also been involved with three significant benevolent situations: one being a brother from Muskoka Lodge No. 360, one for a brother and his family from Unity Lodge No. 376 and one for a brother from Powassan Lodge No. 443.

During my term I attended ten funerals. This was offset by twenty-two brethren joining the various lodges throughout the district.

I have made seventy-one fraternal visits in the district.

In closing, my tenure as DDGM has been an interesting and rewarding experience.

I have made many new friends, met many interesting people and have been involved in many stimulating discussions. But most important to me is, the experience has renewed my interest and dedication to Masonry.

### **North Huron District – 9 Lodges**

**R.W. Bro. Murray Fleming**

I would like to thank the Brethren of North Huron District for the opportunity to serve as the District Deputy Grand Master. The year has been very rewarding and to have M.W. Bro. John C. Green, as Grand Master whom I have known and respected for over 50 years, has added that much more to my wonderful experience.

I also had the opportunity to develop long lasting and enriching friendships with R.W. Bro. Robert Fawcett (Grey District) and R.W. Bro. Robert Shular (Bruce District). Thank you, Brethren for the travels together and helping make my year more enjoyable. Thanks also to the other DDGMs whom I met due to my several visits outside of North Huron District.

Official Visit meetings were well attended with 48 brethren and 4 Grand Lodge Officers on average in attendance. There are three lodges who are very strong visitors and six lodges who are much weaker in visiting. I firmly believe that visiting other lodges enriches one's Masonic experience and I tried to lead by example.

Wingham Masonic Lodge took home the travelling gavel 4 times, Northern Light, Kincardine 3, Hullet Lodge, Londesborough 1 and Bruce Lodge, Tiverton 1.

The District Divine service was held at Blythe United Church and the excellent service was conducted by Bro. Reverend Gary Clark the district Chaplain.

The Curling Bonspiel was well attended with Wroxeter Lodge taking home the trophy.

Included are the North Huron Blood Donor Clinic statistics; Kincardine, Listowel, Palmerston and Wingham held 6 events each with a total of 3023 donations.

V.W. Bro Gerald Van Egen of Forest Lodge No. 162 Wroxeter provided his 50th blood donation on January 6, 2016.

This year's District charity was the ALS Society of Canada which was well supported-thank you to all who did. At my official visit to the Wingham Masonic Lodge, Charlene Spector provided a very informative presentation on ALS. The meeting was well attended.

Thank you to W.B. John Brown for his dedication to Masonry and the District in particular, and for the many trips to Official Visits and other meetings that we attended. Your opinions and suggestions to me were always well received and appreciated.

I would like to thank the Blair Lodge No. 314 Brethren for organizing the very much appreciated dinner in recognition of my term as DDGM of North Huron District. I was deeply moved and honoured.

I am thankful to my wife, Colleen for her endless support of my Masonic endeavours and her hard work in keeping my shirts and gloves cleaned and pressed. She spent many evenings home alone!

The best things in Life are the People we Love, the Places we've been and the Memories we've made along the way!!

## Ontario District – 15 Lodges

R.W. Bro. Mark Smith

Hectic Schedule throughout January, February and March, then scarce throughout April, May and June. Made up available time by visiting surrounding districts with local DDGM or attending additional nights locally.

Well received at all banquets and quite often escorted in by Piper. Some lodges have banquet protocols down to a science and will have meal and programme completed in ample time for brethren to socialize before retiring to lodge. Short toasts and responses are favoured, especially after an exceptional meal.

At present, all official visits have been completed and reports filed. After discussion with several secretaries, the District Secretary created a "Get Prepared Kit" which outlined all the books and materials he would require, as well as assistance on questions relating the L1 and L4 forms.

The call for fire inspections created unrest. Several lodges are owned by the municipality and already have annual fire inspections and could not get any inspector to view prior to their regularly scheduled inspection. In addition, several lodges are in the midst of renovations and were advised to wait until all was completed before having inspections completed.

Attendance at Official Visits and Installations appears to have grown; however, most lodges are reporting only 12-20 members out for a regular meeting. To encourage visiting, we renewed the Travelling Entered Apprentice plaque. This is a framed, stained glass, Square and compasses which is carried from lodge to lodge by the last Entered Apprentice to the newest entered apprentice. The support has been good from the travelling lodge for the candidate as well as improving the visitation

Each lodge reports 4-6 month supply of candidates and states that they have regular requests for membership. Yet 2 lodges have masters that are recycled and several have recycled past masters in chairs. There is rarely an election for office; rather it's a filling of a chair.

The step program works for bringing new members in but then we need a step program for assisting them to become Master Masons. If we are to take good men and make them better, then they should be able to show that they are better. Perhaps, Lodges should take on a community project that will assist, improve way of life or just beautify something, thereby increasing community awareness, improve relations between brothers working together and increase strength in the fraternity.

I trust this is satisfactory.

### Ottawa District 1 – 15 Lodges

**R.W. Bro. Angus C. Gillis**

Having completed my term as DDGM I have made the following observations.

All 15 lodges in the district are in good financial health with the majority enjoying a healthy and sustainable infra structure.

The majority of Masons I have spoken to are satisfied and/or happy with the condition of their district and there have been an encouraging number of initiations.

The District website has become more user-friendly and includes a ‘live’ calendar of events that interfaces with phones, tablets and PCs as well as links to my Blog and official addresses.

Three Masons achieved a 50 year milestone this year; R.W. Bro. Burt Panke, R.W. Bro. Les Richardson, R.W. Bro. John Moor. Bro Ewart Thornhill of Edinburgh Lodge, V.W. Bro. Graham Hudson of Mississippi Lodge and W. Bro Keith Bisset of St. Andrew's Lodge received their 60 year a Mason milestones. V.W. Bro. Graham Hudson also received his 50 year a Past Master pin. Their service and contributions to the district are immeasurable.

There have been challenges as well;

We lost 9 members of our district, 7 during my tenure as DDGM and 2 in the months preceding my election. Their memories will always be cherished.

There was one Masonic complaint laid against a Brother centering around remarks made on social media. The outcome is still pending. There were four requests for Benevolence.

Piques and quarrels are still present, however I have not been officially notified. I am hopeful that they are working it out themselves and will shortly return to peace and harmony.

This year my goal was to promote unity, to inspire and to educate. This was to be accomplished through the Lodges of Discussion at Official Visits, workshops and visitation. My official addresses have been written and delivered with these goals in mind and my travels and participation have been documented in my blog. I have received only positive feedback on the format of the Official Visits with the majority liking the early festive board.

All in all, I believe the Condition of Masonry in Ottawa District 1 to be strong and vibrant and it has been a privilege to serve.

### Ottawa District 2 – 13 Lodges

**R.W. Bro. Richard W. Loomes**

I would like to thank the brethren of Ottawa 2 District for the honour of representing the GM in our district and representing Ottawa 2 District in my travels. It has certainly been a year to remember.

Through my activities, I've been in 17 different districts in our jurisdiction and our neighbour to the East. In all my travels, I've been warmly received and impressed with the dedication of the brethren of our Gentle Craft.

This year I had stated that I wanted to attend as many initiations as possible and I was

fortunate to be there to welcome 27 new brethren into our fraternity. In our district, we initiated 37, raised 17 and unfortunately saw 30 go to the GL above. In my role, I was also fortunate to be able to participate in a number of 50 & 60 year-a-mason & 25 year PM pin presentations, as well as present GL certificates.

One of the highlights was celebrating the 150th anniversary of my Mother Lodge, The Builders' Lodge No. 177. At the banquet in November, we had the GM, DGM and a number of my DDGM travelling companions in attendance. There was also an excellent close-out to the 100th celebrations of Ionic Lodge No. 526.

The state of masonry is on the whole, healthy. Fellowship at the Festive Board and in lodge is strong; of the 12 non-daylight lodges, the majority are initiating members and there is growing interest in and application of the 5 Steps to an Application. Ritual work is relatively good and most of the brethren take great pride in it. We have seen the turnaround of a lodge many thought might go under and the District Strategic Planning Committee has developed material to help lodges better plot their future success.

In order to improve visiting, a Visitation Chair was put in place to encourage the brethren to get out and visit within and without the district, with good success. The Travelling Trowel and Travelling Gavel as well as the Inter-District Travelling Gavel also encouraged visitation. Weekly "What's On" email messages explaining my activities and the upcoming events helped keep communication strong resulting in positive feedback and increased engagement.

As part of supporting the DeMolay and Rainbow youth, their installations and a special fraternal visit to each was included in my trestle board and weekly messages.

The district charity was Dr. Vanderhyden's world class ovarian cancer research lab. Through a Tea, Talks & Tours event, the Valentine Charity Ball and with the generosity of the Lodges, Brethren & MFO, \$14,000 was raised which (with Ont. Gov. leverage) will fund two grad student researchers and a pre-clinical trial. The TT&T event also led to donors making ongoing donations directly to the lab.

A special thank you to our District Secretary, W. Bro. Jim White, for his invaluable assistance and to the District Chairs for their contribution to improving our craft. It has been the experience of a lifetime!

### **Peterborough District – 11 Lodges**

**R.W. Bro. John C. Morton**

This District has 11 lodges and they are all trying to grow but our numbers seem to be steadily declining and the attendance at our regular meetings is getting lower all the time. We have a visitation trophy that is handed out to the lodge that has the most attendees at OV and Installations. We need to encourage our members when they become masons that a big part of Masonry is visitation and tell them it is more than once a month.

The lodges have tried to be more active in the community by putting on and hosting actives such as a beef BBQ, a sugar bush and most recently a variety show.

We have purchased a District banner with the square and compasses that is used at our community functions. It has helped attract a couple men who are interested in becoming masons and didn't know where to go to ask.

My theme for this year was "Value". My speeches were aimed around the value we are putting on Masonry, visitation, what Masonry means to us individually and about being proud of being a Mason. The membership is now starting to discuss the future of masonry in Peterborough positively. I hope their words soon take action.

Lodges have been spending time and money on cleaning up the lodge buildings inside and out.

The financial situation varies greatly from lodge to lodge. Some are ok and some could be in trouble if action is not soon taken. We have several new treasurers and secretaries who do not have a financial background. Suggested contacting GL and get a financial adviser to assist in their investments and take a look at their books.

GL programs such as Masonichip Foundation of Ontario, B2B and F2F that are being used in this District are having good success and other lodges could benefit from these and other programs offered.

Many thanks are needed to be said. M.W. Bro. John C. Green, Deputy GM Paul E. Todd and ALL GL Officers, thank you for your time and support. Peterborough District, thank you! District Secretary (Dad) thank you for being such a great mentor and travelling companion.

### **Prince Edward District – 13 Lodges**

**R.W. Bro. Chris D. Reid**

I am pleased to report that Masonry in Prince Edward District is sound with the positives outweighing any negative factors or concerns. I applaud the brethren of the thirteen lodges for having demonstrated time and again their commitment to the craft and the promotion of Masonry. I was extremely pleased by the excellent efforts I have witnessed by the brethren to practice their work so as to perform our ritual to the best of their abilities.

Our brethren are endeavouring to present Masonry in a favourable light in our communities holding events such as Open houses, Brother to Brother and Masonichip Foundation of Ontario Programs. The first Open House and Brother-to-Brother program I attended resulted in a successful application and generated much interest within the community it was held. The district has two additional Open House programs scheduled in 2016 along with the community dinners and fund raisers normally held. Many of the lodge buildings have either undergone or are in the process of upgrades. Several buildings are show cases in their communities and are offered at no cost for community events.

One of the highlights of my term has been the presentation of long service pins in recognition of years of service. Particularly a 65 year and two 60 year pins which were presented to two brethren who were initiated into the same lodge together. Another outstanding event was a presentation of a plaque, by Lake Lodge 215 on behalf of Prince Edward District, to 8 Wing Trenton and the 424 Squadron of CFB Trenton air base in recognition of the outstanding service they provide to the community.

It was my pleasure to present 14 Maple Leaf lapel pins, with the Square & Compasses, to newly initiated brethren.

As a low point our District is experiencing stagnant or slightly dwindling membership despite the fact that we seem to be generating interest in new membership. Unfortunately due to our aging membership I have attended far too many Masonic Memorial Services for our departed Brethren. This has promoted discussion of amalgamation among lodges experiencing reduced membership and rising costs of aging buildings. Two lodges have reached an agreement to amalgamate which will reduce the number of lodges in our district to twelve.

I have considered it an honour to serve as the Grand Masters representative in Prince Edward District. I wish to thank the members of Grand Lodge and the District Chairman for their support as they make all things happen. A special thank you to the District Secretary, W. Bro. Roger Pomeroy, my friend and brother whom I could always rely on and for his dedication to the craft.

### **St. Lawrence District – 17 Lodges**

**R.W. Bro. Alex J. W. Whitehorne**

Masonry in St. Lawrence District has seen a surge in new members throughout all the Lodges. In some of the Lodges, new members are eager to learn the Work and advance in Masonry. The Cornerstone Project has twelve Lodges signed up with two Lodges already having designation. This has caused a lot of visitation and working at Blood Donor Clinics and Masonichip Foundation of Ontario Programs. The Blood Donor Clinics from 2 to 5 Clinics this year. Thus a large turnout of Masons and families to donate. The Masonichip Foundation of Ontario Program has shown great success this year with Membership commitment. The Lodges have been a great support at all D.D.G.M.'s Nights. The

highlight has been a visitation of our Grand Master, M.W. Bro. John C. Green presenting a Wilson Mercer Medal to Bro. George Clark, a member of True Britons Lodge No. 14 in Perth. All Lodges have increased in their quality of work and performing Degree Work. We still need improvement in the Mentoring Program and the use of our Committees. They are available to all of us, so please use them and make our District stronger. The traveling Square and Compasses have increased visitation and a healthy competition between the Lodges for the most Lodge Member turnout. This year's winner was Lyn Lodge No. 416 spearheaded by the Master – the Senior Master of the District. A job well done by all Lodges!

Again, our on-line L Reports has been an asset to all Lodges reporting. I would like to thank all the Brethren for their support, encouragement and assistance in making this a success. There were challenges but all were overcome with the help of the Advisory Committee. To Rising Sun Lodge No. 85, my sincere thanks for presenting my name four years ago and Salem Lodge No. 368 for my regalia. My District Secretary W. Bro. Richard Ferguson did an outstanding job in all aspects of his duties and assisting me. Great job! Thanks to the District for all their support for 2015-2016. It has been a pleasure serving this year as a member of M.W. Bro. John C. Green team as His representative. This year has been a highlight of my Masonic Career. Thanks to all the Brother Masons of St. Lawrence District.

### **St. Thomas District – 9 Lodges**

**R.W. Bro. Stephen D. Durham**

It has indeed been a privilege and an honour to serve as the Grand Master's representative for the St. Thomas District this year, and I would like to once again thank the District for providing me with this amazing opportunity.

In the fall of 2015, District events started early with an amalgamation of St. Thomas Lodge No. 44 and Talbot Lodge No. 546 to form the new St. Thomas Talbot Lodge No. 44. As a result of this amalgamation, the total number of Lodges in the District decreased from ten to nine.

During the year, I found myself taking part in numerous long service pin presentations, an event that is indicative of our aging Masonic population. In addition to numerous 25 year pins being presented, eight 50 year pins, three 60 year pins, two 25 year Past Master pins and one 50 year Past Master pin were also awarded over the course of the year. These are incredible achievements by our long-standing members and they are to be congratulated for their dedication to the craft.

While there have been several initiations held throughout the District, our membership appears to be aging faster than new candidates are being brought in. In some Lodges, Past Masters occupy the line officers' chairs, acting as placeholders until the more junior officers are ready to move up. I would caution that we ensure our junior officers are not rushed through the chairs and that they are given ample opportunity to learn their respective duties so that they have the necessary knowledge and skills to lead effectively once reaching the Master's chair.

Many District events are well supported by a small, but dedicated number of Masons. I would encourage us as a group to be more widely supportive of these events in the future so that we can continue to grow as an active and dynamic District.

This year, we had the pleasure of celebrating 150 years in Prince of Wales Lodge No. 171, culminating with a Grand Master's Reception in October. While this milestone is an achievement for any Lodge, it was of particular significance for Prince of Wales Lodge given the Lodge's relatively small size in a rural community.

In conclusion, I would like to thank W. Bro. Douglas O'Neil, District Secretary, for his support and organizational assistance throughout my term. In addition, I would like to thank my advisory team for the advice and encouragement provided during the year as well as numerous Masons throughout the District and beyond who freely offered their support and energies to the work of freemasonry.

To my wife Linda, thank you for your love and support during this frenzied and sometimes frantic year! And thanks for your help with those cufflinks.

### Sarnia District – 15 Lodges

**R.W. Bro. Hugh F. Fleming**

Sarnia District has once again had a busy year. Lodges continue to Initiate, Pass and Raise new candidates. As new masons enter our fraternity, we have also seen the passing of brethren to the Grand Lodge Above. Masonry like life moves on. The work in the District continues to be done quite well in the lodges. There is room for improvement. Our ritual deserves to be done well. Newer masons are becoming involved in the delivery of our ritual. We have had many milestones observed this year. Many masons of long service were recognized this year. We had many 50, 60 and a few 70 year pins presented. A number of brethren are completing the courses offered through the College of Freemasonry.

Many events around the District both social and charitable have helped to bring a positive face of freemasonry to our communities within the District. Masonic Charity continues to be well practiced in Sarnia District. The St. Joseph's Hospice has been our Charity of Choice for a few years now. Over the past three years we have raised a little over \$100,000 for this important community support. Many lodges have rallied to continue offering support. Efforts have included the Dare to Give campaign, an Antique Car and Tractor show, a BBQ raffle, a variety of dinners (Fish Fry, Pork Chop BBQ, etc.) and a District Golf Tournament.

Our Annual Sarnia District Ladies Night was once again a great success. We were pleased to host the Grand Master and the Deputy Grand Master in our District along with many Grand Lodge officers. The evening had a Celtic flair and a good time was had by all. Great friends, food and entertainment filled the evening.

Cassia Lodge No. 116 has improved its involvement within the District. A group of its newer members supported by involvement from other lodges are helping to bring growth and vitality back to that lodge. It's a good example of teamwork and masonry in action!

Two lodges will amalgamate in September 2016. Victoria Lodge No. 56 and Tuscan Lodge No. 437 are working through the process of Amalgamation.

I have been honoured to serve the Grand Master as his representative of the Sarnia District. It has been a great pleasure travelling the District and the Grand Jurisdiction this year. The time flew by and the brotherhood I have shared has been tremendous.

### South Huron District – 10 Lodges

**R.W. Bro. Richard G. Wurm**

Freemasonry is alive and well in South Huron District. Reflecting back on the year there were some challenges faced, some obstacles overcome, and great enjoyment of the craft. I would be remiss if I failed to thank the district secretary, Bro. Alex McCready who performed admirably all year long and who I could not have done anything without.

Several lodges initiated or received applications for initiation this year and that really bodes well for the district. I was pleased to see degree work and installations performed well. It was likewise enjoyable to attend several regalia presentations. However, one of my favourite things about this year was assisting in presenting long service awards. We had several 25 year, a few 50 year, and even some 60 and 70 year milestone pin recipients.

South Huron and Maitland Lodge were pleased to welcome the Custodian and his Grand Lodge of instruction team and another thanks goes out to them for spreading their knowledge to our end of the province this year. My own Lodge, Tecumseh No. 144 was also fortunate and pleased to welcome our Grand Senior Warden, R.W. Bro. Ledingham for the district warden's night.

This year was a challenge, but with a great base of support things were easy to look after. There hasn't been a day that has gone by when I've said "I wish I hadn't done this."

Being the Grand Master's representative is a rare gift that I am glad I was able to receive. Thank you to every brother of South Huron District for affording me such an honour.

### **Sudbury-Manitoulin District – 9 Lodges**

**R.W. Bro. Clive D. Stephenson**

The district comprises 9 lodges; 6 being located at the Belrock Masonic Centre in Sudbury with the others located in Espanola and two on Manitoulin Island. The location of the latter 3 lodges leads to them being a little isolated within the district and as such they tend to have slightly different challenges than the rest of the district.

While Freemasonry continues to thrive in the Sudbury-Manitoulin District, there continues to be challenges related to membership participation and the advancement of brethren through the progressive chairs. Ritual in general remains above average with many talented and dedicated Masons delivering excellent ritual, however there has to be a move from the delivery by the established members to that by the newer members.

The lodges in the district are all financially sound, but a couple are experiencing low membership and less than ideal participation and this is starting to become a major issue which is raising the spectre of amalgamation or the lodge going dark. Realistically speaking the 6 lodges in Sudbury, due to falling membership and the same geographic location, should examine the possibility of amalgamation in the future as a way of strengthening their ranks, increasing participation and increasing their long term viability.

All lodges are active in the community taking part in a wide range of events. The District this year chose to support Project Hope which supports prostate cancer research with this project also being the project of the Grand Master.

The weekly Coffee Club (Java Guild) on Tuesday at lunch time continues to be a popular gathering spot with the district masons, with regular attendance in the region of 60-70 Masons and their guests. The Masons who organise and participate in this endeavour are to be commended for their dedication and commitment to this very successful initiative. The proceeds from this lunch are targeted towards improving the facilities at the Belrock Masonic Centre and to other Masonic charitable endeavours. Some of the other lodges in the district are also holding successful breakfasts or coffee clubs themselves to raise funds and to increase fraternal interaction.

### **Temiskaming District – 5 Lodges**

**R.W. Bro. Ian B. MacPherson**

This is the ninety-ninth annual report on the condition of Masonry in Temiskaming District. It has been quite a year, characterized by a renewed and measurable vigor for our craft in Northeastern Ontario. Much can be attributed to the highly successful celebrations of two lodge centennials last Fall. Both Golden Beaver Lodge No. 528 in the north and Englehart Lodge No. 534 in the south of the district were exemplary in their preparations and execution of their "Silver to Gold" weekends. The attendance of our Grand Master along with a large contingent of Grand Lodge officers for both these events was most significant, an overwhelming show of solidarity and support.

The buzz from these two events seems to have had a welcomed side effect. A number of brethren from several lodges that have darkened in recent years have come forward seeking affiliations. I also note that all seven lodges have held initiations for one or more new members this year and our numbers reflect a notable growth spurt.

A strategy for sustaining our momentum will likely be centered on Temiskaming District's centennial which begins in July. It is my hope that a finalized plan will be hammered out at the August district meeting. A keen contingent of Worshipful Masters and Wardens has been installed for the landmark year ahead. During the winter a questionnaire was circulated giving all lodges an opportunity to make suggestions on how they would like our centennial to proceed. There were some tremendous ideas for a district project and I trust that we can harmoniously agree on one and make it a success.

This is the second year in which our two southern lodges, Temiskaming No. 462 and Elk Lake No. 507, have been a part of Temiskaming after a realignment with the former Nippissing-East. Both lodges were charter members of our original 'District 22' in 1916 and the other lodges have really made an effort this year to make them a part of the fold. The exchange of the traveling gavel with these lodges was accompanied by large delegations. Brethren have visited to participate in special events and degree work and vice versa.

On a personal note, the goodwill I have enjoyed this year comes in large measure from the unrestrained accessibility and attention to the 'northern' districts afforded by M.W. Bro. John C. Green and a number of dedicated members of the board.

### **Toronto Don Valley District – 19 Lodges**

### **R.W. Bro. David N. Fernandes**

As it happens so often, the year officially began rather sadly with a Masonic Memorial Service for a young Brother from Remembrance Lodge No. 586.

Things got off to a better start in September with a Lodge of Instruction hosted by Zetland Wilson Lodge No. 86 and all who attended benefited greatly. We kicked it into high gear in November with a Sock Hop Dance deemed another great success and followed up later that month with another informative session of the Masonic College of Knowledge. The District had the pleasure of joining St. Andrews Lodge No. 16 for their annual Robbie Burns night, which was well attended and everyone had a great time. A Super Bowl party returned to the TDV District and, while my team won, all in attendance enjoyed the festivities. The year will culminate with the Gala Boat Cruise around the Toronto Harbor on June 4 and we anticipate a successful evening for the District Project.

As I travelled the District, I have found that Masonry, in Toronto Don Valley District, in general, is very much alive and kicking. Only a couple of lodges are encountering difficulty but, overall, the others are doing rather well. Some Lodges, however, do struggle to attract new members and retain them. I encourage all Lodges to look around and see which ones are successful and emulate their efforts. If it is unclear what these 'stronger' Lodges are doing, ask! I am confident that the Brethren of those Lodges will be only too happy to share their secrets. I must admit to some disappointment at seeing so many Lodges still having Books of the Work evident during Degrees; we must make concerted efforts to improve upon our delivery of the ritual. While certainly not the cure all, good work will keep new brethren coming back. There is lots of good news in that there are many new Officers coming up through the ranks in all Lodges and they are very inspired. Keep encouraging them and we undoubtedly will see a reduction in the numbers of recycled Past Masters!

I had the greatest pleasure of presenting a 60 and a 50 year pin to two brethren from Ionic and Harry L Martyn Lodges respectively.

Our District is now 10 years old and I certainly see us becoming a cohesive one. As more and more men join us, who have no connection to our former Districts, those affinities to former Lodges continue to fade, which is definitely a positive step forward. We need to pay more attention to our Protocol & Etiquette as this will also serve to encourage new Brethren to return to well run banquets and Degrees. Remember what our own R.W. Bro. Gord Crutcher reminds us, "If something has been done wrong twice, it then becomes local tradition" and that is to be avoided at all costs.

In conclusion, I must admit to being overwhelmed with the support and encouragement received from the members of Toronto Don Valley District and it has been an honour and pleasure to serve you.

### **Toronto East District – 19 Lodges**

### **R.W. Bro. Dean M. Bergerson**

From September 1st. 2015 to the last days of June 2016, the 19 Lodges of Toronto East District have had over 300 meetings concerning the business, activities, social and fraternal events of and between our lodges, along with numerous District Receptions, 19

Installations, 19 Official Visits, Remembrance Day Observations, District Devine Service, Blood Donor Drives, Habitat for Humanity, Youth Support Initiatives, Masonichip Foundation of Ontario Program, Charity Projects, Mechanics of The Work, The presentations of numerous long service 25, 50, and 60 year pins, Grand Lodge Programs and many other events throughout the year. I would like to recognize and thank our many District Chairmen and Brethren throughout Toronto East District for their time, energies and support which have made it possible to advance and support these initiatives.

The ritual along with protocol and etiquette was generally good with some lodges being excellent. The majority of our lodges are financially sound and healthy. One lodge in particular is struggling to survive and 3-4 lodges have operating issues which will cause serious future problems if not addressed. Growth through candidate applications District wide is healthy.

Visitation and Harmony throughout the District is healthy. With short paper presentations not exceeding 6-7 minutes and lodge closings between 9:30 and 10 p.m. at all Official Visits, leaving plenty of time to socialize in the banquet room.

With the closing of Doric Masonic Hall for renovations expected to take up to a year, commencing in the fall of 2016, four of our District Lodges have temporarily relocated to the Whitby Masonic Centre, 203 Cochrane St. Whitby. Eight of our nineteen lodges now meet in three different Districts other than their own.

On Tuesday January 5, 2016, it was a pleasure to have our Grand Master, Most Worshipful Bro. John C. Green in attendance to conduct the Ceremony of Dedication to Gold, as Canada Lodge celebrated their 100th. Anniversary. It was a great evening.

Toronto East District, Black and White Gala- The culmination of our District Year, to recognize our Ladies and the achievements of our District Brethren and Lodges.

I thank the Brethren of Toronto East District for your support, the respect that you have shown for this Office, the warmth of your greetings, in and out of Lodge, I will always cherish.

Along with the everyday responsibilities of a young family and a very demanding job, W. Bro. Greig King has fulfilled his duties to this Office admirably. I thank him for his friendship and his trust. It was a tremendous learning experience for both of us.

To my wife, Evelyn, you made this year possible for me. Thank you so much for your love, patience and support.

### **Toronto Humber Valley District – 20 Lodges**

**R.W. Bro. Harry P. Somir**

My year as the Grand Master's representative has been truly a tremendous learning experience. My theme for this year was T.E.A.M. ( Together everyone achieves more) My goals were to foster communication, encourage education at the lodge level, improve quality of rituals, support Grand Lodge programmes and enhance our visibility in the community.

We utilized our District Website to communicate regular meetings, special events and District news. The weekly newsletter provided a one page portal to all the lodge resources and links to Grand Lodge website. During my travels around the district I spoke about Masonic education- basic training, how we do things, protocol and etiquette, usages and customs etc. as well as Masonic knowledge- why we do things, history, philosophy and symbolism.

We invited various Grand Lodge Committees Chairmen and representatives to give seminars on the Friend to Friend , Brother to Brother Programmes, Cornerstone Project as well as Prostate Hope Charity Project . Some lodges adopted Grand Lodge programmes. We also held a Lodge of Instruction. Our Blood Donor and Masonichip Foundation of Ontario programmes were active. The District Divine Service was not as well attended as we expected but never the less it was very well done and involved the Church choir and assistant priest.

For our Super Saturday event we invited the neighbourhood to participate in a

community garage sale and offered pan cake breakfast and BBQ. We held a Golf Tournament and Ladies Night. We supported Prostate Hope Charity. I initiated a visit to the Prince Hall Grand Lodge which was attended by brethren from many Districts as well as Grand Lodge officers. I was also allowed to represent the Grand Master at an installation in Jamaica. I feel honored and grateful to be able to do these things. Of the Lodges, there are some lodges that needs improvement in their overall work but others are operating to a good standard.

Finally my gratitude to my advisors, the District Secretary, Committee Team Leaders and of course the brethren of Toronto Humber Valley District.

### **Toronto West – 23 Lodges**

**R.W. Bro. Gabe Spoletini**

The Lodges of the Toronto West District have displayed a good dose of character and pride in their effort of building solidarity and cooperation with each other so that the brethren could finally attend Lodge and experience that feeling of harmony so vital to the very survival of the Lodges itself.

The Lodges leadership have enthusiastically embraced the direction imparted on them at the beginning of this Masonic year and have demonstrated with real actions and enthusiasm their intention of upholding the principles spell it out in our Constitution and have it succeed in bringing their Lodges closer to each other's in a real spirit of team work and brotherly love.

Needless to say that this new way adopted by the W. Masters of our Lodges, has put some of them on a collision course with some senior member of the Craft used to have control of the business of the District, but I'm happy to report that in the end the Lodges of the District today are behaving more like a cohesive team.

The various Chairmen of the District were successful in supporting the Lodges by implementing a number of initiatives designed in engaging the brethren, and at the same times bringing them closer. To that a special mention should be reserved for the effort invested by the members of the education committee, and the members of the newsletter committee.

Other District initiatives like the Warden's Association did not prove to be a good tool in the development of building a District team. Their mandate should be revisited.

All in all Toronto West has been able to function more like a district this year, but it need it to keep building on the positive accomplished if it doesn't want incur the risk of falling back.

In conclusion I would like to thank the Lodges of the Toronto West District for having given me the opportunity of learning more about our Craft and for having worked diligently and enthusiastically in our never ending task of progress our noble art.

### **Victoria District – 14 Lodges**

**R.W. Bro. Kevin G. Morgan**

It has been a great honour to serve as Victoria District's 100th D.D.G.M. The support I have enjoyed this year from the members of the District in general and the members of Murray Lodge in particular has been nothing short of remarkable, and I am forever in their debt for this gift. The Officers, Chairmen, Masters and Secretaries of the District have been a joy to work with. These are a group of skilled Brethren who don't nearly receive the credit they deserve. The District Secretary, W. Bro. Jason Rawlins is to be commended for the attention and detail he put forth while performing his duties. It has also been a great pleasure to be accompanied by V.W. Bro. A. Gordon Zimmerman and V.W. Bro. Stephen K. Kyle throughout the year while they served as Grand Stewards.

Masonry is thriving in Victoria District despite the fact that some Lodges are struggling with membership, finances and the upkeep of their buildings. Some Lodges are attracting new members and have a steady stream of Degree work to keep them busy. Others are experiencing low attendance, recycling of members through Lodge Chairs, and overworked members, but in almost all cases those Lodges have a group of dedicated Brethren who take action where needed to maintain the vitality of the Lodge. I see no

immediate danger with these Lodges, except for perhaps one which is trying to overcome their issues.

Attendance at Official Visits, District Meetings and social events has increased as a whole this year. Social networking in the form of the District's Facebook Page has been a huge contributor to getting Brethren out to the various events. The District Divine Service was a particular highlight being held at St. Andrew's United Church in Beaverton and led by R.W. Bro. Rev. J. Gordon Roberts, Past Grand Chaplain. Other highlights included presenting numerous long service awards, Lewis Jewels and 3 Cornerstone Certificates. I was well received by all Lodges and the Banquets were plentiful. As this is our centennial year, all Lodges have been working in harmony on plans for our celebrations, including a Grand Master's Reception to be held this upcoming fall.

Many Lodges are getting on board with the various Grand Lodge programs available and should begin to see positive results in the near future. Most Lodges are strong in ritual and P&E. Having visited 13 other Districts during my term, I feel Masonry in Victoria District is doing very well in comparison and shall remain strong and vibrant for many years to come.

### **Waterloo District – 15 Lodges**

**R.W. Bro. William G. Griffiths**

First off, I want to thank the brethren of Waterloo District for the honour of being elected DDGM. It was definitely the greatest honour I have had in my Masonic journey. Next I want to say a special thank you to a very special friend and brother. W. Bro. Robert Gregory who acted as the District Secretary.

Also a thank you to the brethren that stepped up and assumed the positions of District Chairmen.

The year started out on a sad note as my first official duty was to attend a Masonic Memorial service.

There were a few of them this year and unfortunately three of these services were of Ayr Lodge brethren.

I had the opportunity to visit all the lodges in my district on many occasions and saw many different degrees as well as a few meetings of Masonic education.

We conducted 6 evenings of Lodges of Instruction hosted by 4 lodges in the district. We have played a game of Masonic Baseball.

My Master and I travelled extensively outside our district and met many of our brethren.

I will hold the friendships I have made this year close to my heart and I hope to see these brethren again in the future.

I work in Waterloo District continues to be performed at a very high standard, and I feel will continue as such.

We have a Lodge in the District that is rebuilding and a few very strong lodges and some that are coming along very well.

Socially we have many chances to get together for fellowship. Some are BBQ's, picnics and pool parties.

Again it has been my honour to serve our Grand Lodge and I look forward to serving in the future.

### **Wellington District – 12 Lodges**

**R.W. Bro. John Brennan**

What a great year! Thank you so much to the brethren of Wellington District for affording me this honour. Right from being asked to represent all the DDGMs in taking the oath at Grand Lodge through the whole year I have been both gratified and humbled by the acceptance and support I have received.

Major events of the year have included the reception for the Grand Master in his home town. The indoor golf tournament, the kick off of IPM plans for September, the

creation of Two Rivers lodge from the amalgamation of Irvine and Mercer lodges, the annual Wild Game Night fundraiser, a presentation of the 18th Century Degree Team play in aid of Prostate Hope, lodge participation in Ontario's Open Doors program, the annual district Dinner Theatre event and the 150th anniversary celebration for Speed Lodge No. 180.

On a sad note, I attended a number of Memorial Services for brethren passed to the lodge celestial, most notably M.W. Bro. Raymond S. J. Daniels to whom I had the honour of presenting a honorary membership pin from my mother lodge in the Fall.

I was pleased to be able to help welcome more than 20 newly initiated Masons across the district and to encourage them to visit other lodges to grow their Masonic experience and ties. In an era of declining membership bringing new members into the Craft and more importantly retaining their interest in Masonry is of utmost importance.

Our district is in relatively good shape. The amalgamation will strengthen our presence in the central part of the district and the influx of new members in our major urban area bodes well for the future. Smaller, rural lodges have more difficulty in growing their membership simply because of rural demographics, but the dedication to Masonry in such lodges is strong.

### **Western District – 10 Lodges**

**R.W. Bro. Mitchel Rogowsky**

The Lodges of Western District are challenged by declining local resource industries and the great distances between our communities.

Great effort must be continuously made to help our other Lodges within the District as those needs arise.

Not often having the pleasure to visit each other in Lodge it is a very happy occasion indeed when we meet on an Official Visit.

The District Secretary W. Bro. Don Aiken and I were treated to the finest Masonic displays of Brotherly Love and genuine affection on all of our Visits. The preparation and effort that went into the evening from the itinerary, the Banquette hour, and Lodge Work illustrated a dedication to the principals inculcated in the teachings of our Ancient Order.

The development of communications technology advances in leaps and bounds which will have the happy deliverance of eliminating the distance barriers between our Lodges in Western District and across the entire Province, giving Masonic light and familiarity to Brethren in all Districts central and remote alike.

“We know enough to be sure that the scientific achievements of the next fifty years will be far greater, more rapid, and more surprising than those we have already experienced. Wireless telephones and television, following naturally upon their present path of development, would enable their owner to connect up to any room similarly equipped and hear and take part in the conversation as well as if he put his head in through a window.” Sir Winston Churchill Dec. 1931 Quote. Initiated into Free Masonry 1901.

Sir Winston Churchill an Initiated Mason who preferred to view the world through the ears of a horse predicted Skype webcam communication in real time back in 1931.

Masonic Sciences illuminated the Dark Ages. The Ancient Pythagorean Theorem Squared the trajectory of the modern day Moon Landings and current space travel. Masonries indelible mark has been written in our future.

I thank the Brethren of Western District for their confidence and thank our District Secretary for his skilled support.

I am honoured to have served our Grand Master M.W. Bro. John C. Green as his humble representative in Western District.

Practice Charity, Make a daily advancement in Masonic Knowledge. Always Admonish with Kindness!

Do not be afraid to ask for help.

**Wilson North District – 11 Lodges****R.W. Bro. Steven R. Greason**

What a great year it has been to be the D.D.G.M. for Wilson North District. To serve as the Grand Master's representative has been a great honor and privilege. It has been a very busy year, traveling to all the lodges in the District for fraternal visits, official visits, Installations, pin presentations, lady nights and other functions. Plus visiting other Lodges out of the District.

The work the Lodges have done has been great, from the different Degrees, Pin Presentations, and Masonic Education. All the Lodges have their own challenges from attracting new members, getting members to come out to lodge meetings and functions and members paying their dues. They work at these challenges by using Grand Lodge programs or similar programs of their own.

The eleven Lodges have good, well kept, clean Lodge buildings which they have on their own or share with other Lodges.

Wilson North District is lucky to have its own Newsletter which keeps the District informed about the Lodge meetings and different functions that have happened and going on in the District. A special thank you for all the hard work.

The District has supported Prostate Hope this year and thank you to all the Lodges and Brethren for the support.

A special thank you to Wilson North District committees for the work they have done for the District, the traveling they have done to official visits and many other meetings with me.

And a very special thank you to the District Secretary, My Dad for being the District Secretary and for doing what he has done in my life.

**Wilson South District – 10 Lodges****R.W. Bro. David R. Pass**

At the beginning of my term as DDGM, I had three objectives for Wilson South District:

1. To promote excellent ritual work in all lodges
2. To increase community involvement throughout the District
3. To improve visitation between lodges in the District

I am happy to report that all of these objectives have been met. The ritual work in the ten lodges in the District has been very good, and in some cases excellent. All lodges have conferred at least one degree, with some lodges conferring degrees at every meeting.

The level of community involvement has improved markedly. Our District held a Masonichip Foundation of Ontario program in conjunction with the Children's Wildlife Festival in Simcoe. Over a two day period, 156 children were processed. We have been invited to participate again next year, and hopefully this will become an annual event.

In order to improve visitation, we implemented two new initiatives. The District Secretary distributed an e-newsletter throughout the District on a weekly basis, informing the brethren of what was taking place in all lodges. This newsletter is now being sent to approximately 400 members, out of a total membership of 649. Hopefully my successor will continue this initiative and increase the subscribership.

The second initiative is a trophy that will be awarded to the Lodge with the best representation at Installations and Official Visits. The final results have not yet been tabulated, but it is hoped that this friendly rivalry will increase attendance and visitation.

One of the highlights of the year was having the opportunity to present W. Bro. Harry Barrett with his 70-year pin at Erie Lodge No. 149 in Port Dover. It was an honour to be able to represent our Grand Master on such a memorable occasion.

Our Joint District Divine Service with Wilson North District was held for the first time at St. John's Woodhouse Anglican Church, the final resting place of our first Grand Master, M.W. Bro. William Mercer Wilson. The Great Architect saw fit to provide us with a perfect day join together in worship.

In conclusion, it was a very enjoyable and satisfactory year in Wilson South District.

### **Windsor District – 7 Lodges**

**R.W. Bro. William E. Girard**

Over the year I have visited each of the lodges in my district at least three times. Other than my Official Visits and the Lodge Installations, I have put an emphasis on attending first degrees I made this a priority to demonstrate to the new member that there was an organization in place to which his lodge belonged. All of the lodges in this district are healthy. Some are in various stages of rebuilding while others have younger non-past masters occupying the chairs. There is a strong Mentoring Program in place. Every Wednesday night there are senior masons present to mentor candidates as they progress through the degrees. Junior officers also attend to prepare themselves for their current and next chairs.

I am the last DDGM of Windsor District since we are amalgamating with Erie District to form a new Essex County District, effective in July 2016. There have been many meetings held by each district and joint meetings to set out the parameters of the new district. To this end, I have also attended as many of the Official Visits and Installations of Erie District as my schedule permitted. This effort was reciprocated by the DDGM of Erie District.

We had a successful Masonic Foundation of Ontario program in January and processed 126 children. As a result of it we have been asked to run another one in June at a charity event for children with facial defects.

Attendance by members of other lodges at Official Visits has increased. This is due in part to a “Lodge of the Year” award that I instituted for attendance. It also included District Lodge of Instructions with an increase in attendance at both of them.

As a district, we have been negotiating with the City of Windsor to allow us to participate in the laying of the corner stone for the New City Hall Building in Windsor. It looks favourable and should occur in the next twelve to eighteen months. Windsor and Erie Districts are maintaining a period Lodge Building at a local Historical Village. Both of these efforts are designed to promote Masonry to the public.

In summary, it has been a very productive and memorable year and we must focus on keeping the brethren actively engaged.

### **York District – 19 Lodges**

**R.W. Bro. Thomas J. Johnston**

We have had another busy year with some excellent results. While some lodges struggle with membership, others have full Trestle Boards. This does not seem to be based on geographic location, as some Lodges are in the same Temple building. We have 12 Temple Buildings with 19 Lodges meeting out of them. Unfortunately two third of the Temples have only one Lodge meeting within its walls. It is a challenge for these Lodges to maintain their aging buildings and still remain viable themselves.

One of the other challenges that is ever increasing is the time spent travelling to and from lodge. Early banquets are a challenge to get to for some. Dinners are not as well supported as they were in years gone by. However, attendance at Official Visits and Installations are still well supported. The fraternal aspect is alive and well.

The Ritual has been presented, for the most part, in a clear and comprehensive manner. As we become more and more multicultural, language has been a bit of a stumbling block. But with patience and repetition this has been overcome. I know that some of my memory work has been tough over the years and my first language is English. So I can only imagine how hard it is for some of our brethren, when English is their second or third language.

As the year closes down, I am confident and pleased as to what I see is the future of and for York District.
